15 SECTION 2. Section 87A-18, Hawaii Revised Statutes, is
16 amended by amending subsections (a) and (b) to read as follows:

18 The board shall establish a health benefits plan, which takes
19 into account benefits available to an employee-beneficiary and
20 spouse or reciprocal beneficiary under medicare, subject to the
21 following conditions:

- 1 (1) There shall be no duplication of benefits payable
2 under medicare. The plan under this section, which
3 shall be secondary to medicare, when combined with
4 medicare and any other plan to which the health
5 benefits plan is subordinate under the National
6 Association of Insurance Commissioners' coordination
7 of benefit rules, shall provide benefits that
8 approximate those provided to a similarly situated
9 beneficiary not eligible for medicare;
- 10 (2) The State, through the department of budget and
11 finance, and the counties, through their respective
12 departments of finance, shall pay to the fund a
13 contribution equal to an amount not less than the
14 medicare part B premium, for each of the following who
15 are enrolled in the medicare part B medical insurance
16 plan: (A) an employee-beneficiary who is a retired
17 employee, (B) an employee-beneficiary's spouse or

6 the fund under this section is less than the actual
7 cost of the medicare part B medical insurance plan due
8 to an increase in the medicare part B medical
9 insurance plan rate, the fund shall reimburse each
10 employee-beneficiary and employee-beneficiary's spouse
11 or reciprocal beneficiary for the cost increase within
12 thirty days of the rate change. Each employee-
13 beneficiary and employee-beneficiary's spouse or
14 reciprocal beneficiary who becomes entitled to
15 reimbursement from the fund for medicare part B
16 premiums after July 1, 2006, shall designate a
17 financial institution account into which the fund
18 shall be authorized to deposit reimbursements. This
19 method of payment may be waived by the fund if another
20 method is determined to be more appropriate;

- 21 (3) The benefits available under this plan, when combined
22 with benefits available under medicare or any other

1 coverage or plan to which this plan is subordinate
2 under the National Association of Insurance
3 Commissioners' coordination of benefit rules, shall
4 approximate the benefits that would be provided to a
5 similarly situated employee-beneficiary not eligible
6 for medicare;

- 7 (4) All employee-beneficiaries or dependent-beneficiaries
8 who are eligible to enroll in the medicare part B
9 medical insurance plan shall enroll in that plan as a
10 condition of receiving contributions and participating
11 in benefits plans under this chapter. This paragraph
12 shall apply to retired employees, their spouses [7] or
13 reciprocal beneficiaries, and the surviving spouses or
14 reciprocal beneficiaries of deceased retirees and
15 employees killed in the performance of duty; and
- 16 (5) The board shall determine which of the employee-

19 plan, may participate in the plans offered by the
20 fund."

22 amended by amending subsection (a) to read as follows:

1 "(a) The State, through the department of budget and

5 applicable public sector collective bargaining agreements,
6 whichever is appropriate, for each of their respective employee-

21 1986, as amended, and part II of chapter 78, the
22 monthly contribution for those employee-beneficiaries

1 who participate in a cafeteria plan shall be made
2 through the cafeteria plan, and the payments made by
3 the State or counties shall include their respective
4 contributions to the fund and their employee-
5 beneficiary's share of the cost of the employee-
6 beneficiary's health benefits plan."

5 SECTION 12. Section 235-4, Hawaii Revised Statutes, is
6 amended by amending subsections (b) and (c) to read as follows:

7 "(b) Nonresidents. In the case of a nonresident, the tax
8 applies to the income received or derived from property owned,
9 personal services performed, trade, or business carried on, and
10 any and every other source in the State.

11 In the case of a nonresident spouse or reciprocal
12 beneficiary filing a joint return with a resident spouse [7] or
13 reciprocal beneficiary, the tax applies to the entire income of
14 the nonresident spouse or reciprocal beneficiary, computed
15 without regard to source in the State.

16 (c) Change of status. Except where a joint return is
17 filed, when the status of a taxpayer changes during the taxable
18 year from resident to nonresident, or from nonresident to
19 resident, the tax imposed by this chapter applies to the entire
20 income earned during the period of residence in the manner
21 provided in subsection (a) [~~of this section~~] and during the
22 period of nonresidence the tax shall apply upon the income

1 received or derived as a nonresident in the manner provided in

3 determined whether income was received or derived during the
4 period of residence or during the period of nonresidence, there
5 shall be attributed to the State such portion of the income as
6 is determined by applying to such income for the whole taxable
7 year the ratio which the period of residence in the State bears
8 to the whole taxable year, unless the taxpayer shows to the
9 satisfaction of the department of taxation that the result is to
10 attribute to the state income, dependent upon residence,
11 received or derived during the period of nonresidence, in which
12 event the amount of income as to which such showing is made
13 shall be excluded.

14 The apportionment of income provided by this subsection
15 shall not apply where one spouse or reciprocal beneficiary is a
16 resident of this State and a joint return is filed with the
17 nonresident spouse or reciprocal beneficiary in which event the
18 tax shall be computed on their aggregate income in the manner
19 provided in section 235-52 without regard to source in the
20 State. Where, however, both spouses or parties in a reciprocal
21 beneficiary relationship change their status from resident to

1 nonresident or from nonresident to resident, their income shall
2 be apportioned in the manner provided in this subsection."

3 SECTION 13. Section 235-5.5, Hawaii Revised Statutes, is
4 amended as follows:

5 1. By amending subsections (a) and (b) to read:

6 "(a) There shall be allowed as a deduction from gross
7 income the amount, not to exceed \$5,000, paid in cash during the
8 taxable year by an individual taxpayer to an individual housing
9 account established for the individual's benefit to provide
10 funding for the purchase of the individual's first principal
11 residence. A deduction not to exceed \$10,000 shall be allowed
12 for a married couple or parties in a reciprocal beneficiary
13 relationship filing a joint return. No deduction shall be
14 allowed on any amounts distributed less than three hundred
15 sixty-five days from the date on which a contribution is made to
16 the account. Any deduction claimed for a previous taxable year
17 for amounts distributed less than three hundred sixty-five days
18 from the date on which a contribution was made shall be
19 disallowed and the amount deducted shall be included in the
20 previous taxable year's gross income and the tax reassessed.
21 The interest paid or accrued within the taxable year on the
22 account shall not be included in the individual's gross income.

1 For purposes of this section, the term "first principal
2 residence" means a residential property purchased with the
3 payment or distribution from the individual housing account
4 which shall be owned and occupied as the only home by an
5 individual who did not have any interest in, individually, or
6 whose spouse or reciprocal beneficiary did not have any interest
7 in, if the individual is married[7] or in a reciprocal
8 beneficiary relationship, a residential property within the last
9 five years of opening the individual housing account.

10 In the case of a married couple [~~filing~~] or parties in a
11 reciprocal beneficiary relationship who file separate returns,
12 the sum of the deductions allowable to each of them for the
13 taxable year shall not exceed \$5,000, or \$10,000 for a joint
14 return, for amounts paid in cash, excluding interest paid or
15 accrued thereon.

16 The amounts paid in cash allowable as a deduction under
17 this section to an individual for all taxable years shall not
18 exceed \$25,000, excluding interest paid or accrued. In the case
19 of married individuals or reciprocal beneficiaries having
20 separate individual housing accounts, the sum of the separate
21 accounts and the deduction under this section shall not exceed
22 \$25,000, excluding interest paid or accrued thereon.

1 (b) For purposes of this section, the term "individual
2 housing account" means a trust created or organized in Hawaii
3 for the exclusive benefit of an individual, or, in the case of a
4 married individual[~~7~~] or party to a reciprocal beneficiary
5 relationship, for the exclusive benefit of the individual and
6 spouse or reciprocal beneficiary jointly, but only if the
7 written governing instrument creating the trust meets the
8 following requirements:

- 9 (1) Contributions shall not be accepted for the taxable
10 year in excess of \$5,000 (or \$10,000 in the case of a
11 joint return) or in excess of \$25,000 for all taxable
12 years, exclusive of interest paid or accrued;
- 13 (2) The trustee is a bank, a savings and loan association,
14 a credit union, or a depository financial services
15 loan company, chartered, licensed, or supervised under
16 federal or state law, whose accounts are insured by
17 the Federal Deposit Insurance Corporation, the
18 National Credit Union Administration, or any agency of
19 this State or any federal agency established for the
20 purpose of insuring accounts in these financial
21 institutions. The financial institution must actively
22 make residential real estate mortgage loans in Hawaii;

- 1 (3) The assets of the trust shall be invested only in
2 fully insured savings or time deposits. Funds held in
3 the trust may be commingled for purposes of
4 investment, but individual records shall be maintained
5 by the trustee for each individual housing account
6 holder which show all transactions in detail;
- 7 (4) The entire interest of an individual [~~or~~], married
8 couple, or reciprocal beneficiaries for whose benefit
9 the trust is maintained shall be distributed to the
10 individual [~~or~~], couple, or reciprocal beneficiaries
11 not later than one hundred twenty months after the
12 date on which the first contribution is made to the
13 trust;
- 14 (5) Except as provided in subsection (g), the trustee
15 shall not distribute the funds in the account unless
16 it (A) verifies that the money is to be used for the
17 purchase of a first principal residence located in
18 Hawaii, and provides that the instrument of payment is
19 payable to the mortgagor, construction contractor, or
20 other vendor of the property purchased; or (B)
21 withholds an amount equal to ten per cent of the
22 amount withdrawn from the account and remits this

1 amount to the director within ten days after the date
2 of the withdrawal. The amount so withheld shall be
3 applied to the liability of the taxpayer under
4 subsections (c) and (e); and

5 (6) If any amounts are distributed before the expiration
6 of three hundred sixty-five days from the date on
7 which a contribution is made to the account, the
8 trustee shall so notify in writing the taxpayer and
9 the director. If the trustee makes the verification
10 required in paragraph (5) (A), then the department
11 shall disallow the deduction under subsection (a) and
12 subsections (c), (e), and (f) shall not apply to that
13 amount. If the trustee withholds an amount under
14 paragraph (5) (B), then the department shall disallow
15 the deduction under subsection (a) and subsection (e)
16 shall apply, but subsection (c) shall not apply."

17 2. By amending subsections (g) and (h) to read:

18 "(g) No tax liability shall be imposed under this section
19 if:

20 (1) The payment or distribution is attributable to the
21 individual dying or becoming totally disabled; or

1 (2) Residential property subject to subsection (f) is
2 transferred by will or by operation of law or sold due
3 to the death or total disability of an individual or
4 an individual's spouse [7] or reciprocal beneficiary,
5 subject to the following:

6 An individual shall not be considered to be totally
7 disabled unless proof is furnished of the total disability in
8 the form and manner as the director may require.

9 Upon the death of an individual for whose benefit an
10 individual housing account has been established, the funds in
11 the account shall be payable to the estate of the individual;
12 provided that if the account was held jointly by the decedent
13 and a spouse or reciprocal beneficiary of the decedent, the
14 account shall terminate and be paid to the surviving spouse[7]
15 or reciprocal beneficiary; or, if the surviving spouse or
16 reciprocal beneficiary so elects, the spouse or reciprocal
17 beneficiary may continue the account as an individual housing
18 account. Upon the total disability of an individual for whose
19 benefit an individual housing account has been established, the
20 individual or the individual's authorized representative may
21 elect to continue the account or terminate the account and be
22 paid the assets; provided that if the account was held jointly

1 by a totally disabled person and a spouse or reciprocal
2 beneficiary of that person, then the spouse or reciprocal
3 beneficiary, or an authorized representative of the spouse or
4 reciprocal beneficiary may elect to continue the account or
5 terminate the account and be paid the assets.

6 (h) If the individual for whose benefit the individual
7 housing account was established subsequently marries a person or
8 enters into a reciprocal beneficiary relationship with a person
9 who has or has had any interest in residential property, the
10 individual's housing account shall be terminated, the funds
11 therein shall be distributed to the individual, and the amount

13 number, if any, of the person and a statement
14 indicating that the service provider is located
15 outside the State and that the general excise tax
16 license and, if applicable, the taxpayer
17 identification numbers are not required, or

18 (C) If the person is an organization described in
19 section 501(c)(3) of the Internal Revenue Code
20 and exempt from tax under section 501(a) of the
21 Internal Revenue Code, the name and address of

1 the person are included on the return claiming
2 the credit.

3 In the case of a failure to provide the information
4 required under the preceding sentence, the preceding
5 sentence shall not apply if it is shown that the
6 taxpayer exercised due diligence in attempting to
7 provide the information so required."

8 SECTION 20. Section 235-55.7, Hawaii Revised Statutes, is
9 amended by amending subsection (e) to read as follows:

10 "(e) The tax credits shall be deductible from the
11 taxpayer's individual net income tax for the tax year in which
12 the credits are properly claimed; provided that a husband and
13 wife or parties in a reciprocal beneficiary relationship filing
14 separate returns for a taxable year for which a joint return
15 could have been made by them shall claim only the tax credits to
16 which they would have been entitled had a joint return been
17 filed. In the event the allowed tax credits exceed the amount
18 of the income tax payments due from the taxpayer, the excess of
19 credits over payments due shall be refunded to the taxpayer;
20 provided that allowed tax credits properly claimed by an
21 individual who has no income tax liability shall be paid to the
22 individual; and provided further that no refunds or payments on

1 account of the tax credits allowed by this section shall be made
2 for amounts less than \$1."

3 SECTION 21. Section 235-55.85, Hawaii Revised Statutes, is
4 amended by amending subsection (b) to read as follows:

5 "(b) Each resident individual taxpayer may claim a
6 refundable food/excise tax credit multiplied by the number of
7 qualified exemptions to which the taxpayer is entitled in
8 accordance with the table below; provided that a husband and
9 wife or parties in a reciprocal beneficiary relationship filing
10 separate tax returns for a taxable year for which a joint return
11 could have been filed by them shall claim only the tax credit to
12 which they would have been entitled had a joint return been

1 SECTION 22. Section 235-61, Hawaii Revised Statutes, is
2 amended to read as follows:

3 1. By amending subsection (c) to read:

4 "(c) For each withholding period (whether weekly,
5 biweekly, monthly, or otherwise) the amount of tax to be
6 withheld under this section shall be at a rate which, for the
7 taxable year, will yield the tax imposed by section 235-51 upon
8 each employee's annual wage, as estimated from the employee's
9 current wage in any withholding period, but for the purposes of
10 this subsection of the rates provided by section 235-51 the
11 maximum to be taken into consideration shall be eight per cent.
12 The tax for the taxable year shall be calculated upon the
13 following assumptions:

14 (1) That the employee's annual wage, as estimated from the
15 employee's current wage in the withholding period,
16 will be the employee's sole income for the taxable
17 year;

18 (2) That there will be no deductions therefrom in
19 determining adjusted gross income;

20 (3) That in determining taxable income there shall be a
21 standard deduction allowance which shall be an amount
22 equal to one exemption (or more than one exemption if

1 so prescribed by the director) unless (A) the taxpayer
2 is married or a party to a reciprocal beneficiary
3 relationship and the taxpayer's spouse or reciprocal
4 beneficiary is an employee receiving wages subject to
5 withholding, or (B) the taxpayer has withholding
6 exemption certificates in effect with respect to more
7 than one employer. For the purposes of this section,
8 any standard deduction allowance under this paragraph
9 shall be treated as if it were denominated a
10 withholding exemption;

11 (4) That in determining taxable income there also will be
12 deducted the amount of exemptions and withholding
13 allowances granted to the employee in the computation
14 of taxable income, as shown by a certificate to be
15 filed with the employer as provided by subsection (f);
16 and

17 (5) If it appears from the certificate filed pursuant to
18 subsection (f) that the employee, under section 235-
19 93, is entitled to make a joint return, that the
20 employee and the employee's spouse or reciprocal
21 beneficiary will so elect."

22 2. By amending subsections (f) and (g) to read:

1 "(f) On or before the date of the commencement of
2 employment with an employer, the employee shall furnish the
3 employer with a signed certificate relating to the number of
4 exemptions which the employee claims, which shall in no event
5 exceed the number to which the employee is entitled on the basis
6 of the existing facts, and also showing whether the employee is
7 married or a party to a reciprocal beneficiary relationship and
8 is, under section 235-93, entitled to make a joint return. The
9 certificate shall be in such form and contain such information
10 as may be prescribed by the department.

11 If, on any day during the calendar year, there is a change
12 in the employee's marital or reciprocal beneficiary status and
13 the employee no longer is entitled to make a joint return, or
14 the number of exemptions to which the employee is entitled is
15 less than the number of exemptions claimed by the employee on
16 the certificate then in effect with respect to the employee, the
17 employee shall within ten days thereafter furnish the employer
18 with a new certificate showing the employee's present marital or
19 reciprocal beneficiary status, or relating to the number of
20 exemptions which the employee then claims, which shall in no
21 event exceed the number to which the employee is entitled on the
22 basis of the existing facts. If, on any day during the calendar

1 year, there is a change in the employee's marital or reciprocal
2 beneficiary status and though previously not entitled to make a
3 joint return the employee now is so entitled, or the number of
4 exemptions to which the employee is entitled is greater than the
5 number of exemptions claimed, the employee may furnish the
6 employer with a new certificate showing the employee's present
7 marital status, or relating to the number of exemptions which
8 the employee then claims, which shall in no event exceed the
9 number to which the employee is entitled on the basis of the
10 existing facts.

11 Such certificate shall take effect at the times set forth
12 in the Internal Revenue Code.

13 (g) In determining the deduction allowed by subsection
14 (c)(4) an employee shall be entitled to withholding allowances
15 or additional reductions in withholding under this subsection.
16 In determining the number of additional withholding allowances
17 or the amount of additional reductions in withholding under this
18 subsection, the employee may take into account (to the extent
19 and in the manner provided by rules) estimated itemized
20 deductions and tax credits allowable under this chapter; and
21 such additional deductions and other items as may be specified
22 by the director in rules. For the purposes of this subsection a

1 fractional number shall not be taken into account unless it
2 amounts to one-half or more, in which case it shall be increased
3 to the next whole number.

4 (1) As used in this subsection, unless the context
5 otherwise requires:

6 (A) "Estimated itemized deductions" means the
7 aggregate amount which the employee reasonably
8 expects will be allowed as deductions under
9 sections 235-2.3, 235-2.4, 235-2.45, and 235-7,
10 other than the deductions referred to in Internal
11 Revenue Code section 151 and those deductions
12 required to be taken into account in determining
13 adjusted gross income under Internal Revenue Code
14 section 62(a) (with the exception of paragraph 10
15 thereof) for the estimation year. In no case
16 shall the aggregate amount be greater than the
17 sum of:

18 (i) The amount of the deductions reflected in
19 the employee's net income tax return for the
20 taxable year preceding the estimation year
21 of (if a return has not been filed for the
22 preceding taxable year at the time the

1 withholding exemption certificate is
2 furnished the employer) the second taxable
3 year preceding the estimation year; or
4 (ii) The amount of estimated itemized deductions
5 and tax credits allowable under this chapter
6 and any additional deductions to which
7 entitled; and
8 (iii) The amount of the employee's determinable
9 additional deductions for the estimation
10 year.
11 (B) "Estimated wages" means the aggregate amount
12 which the employee reasonably expects will
13 constitute wages for the estimation year;
14 (C) "Determinable additional deductions" means those
15 estimated itemized deductions which:
16 (i) Are in excess of the deductions referred to
17 in subparagraph (A) reflected on the
18 employee's net income tax return for the
19 taxable year preceding the estimation year;
20 and
21 (ii) Are demonstrably attributable to an
22 identifiable event during the estimation

1 year or the preceding taxable year which can
2 reasonably be expected to cause an increase
3 in the amount of such deductions on the net
4 income tax return for the estimation year.

5 (D) "Estimation year", in the case of an employee who
6 files the employee's return on the basis of a
7 calendar year, means the calendar year in which
8 the wages are paid; provided that in the case of
9 an employee who files the employee's return on a
10 basis other than the calendar year, the
11 employee's estimation year, and the amounts
12 deducted and withheld to be governed by the
13 estimation year, shall be determined under rules
14 prescribed by the director of taxation.

15 (2) Under this subsection, the following special rules
16 shall apply:

17 (A) Married individuals [-] or parties in a reciprocal
18 beneficiary relationship. The number of
19 withholding allowances to which a husband and
20 wife or reciprocal beneficiaries are entitled
21 under this subsection shall be determined on the
22 basis of their combined wages and deductions.

1 This subparagraph shall not apply to a husband
2 and wife or reciprocal beneficiaries who filed
3 separate returns for the taxable year preceding
4 the estimation year and who reasonably expect to
5 file separate returns for the estimation year;

6 (B) Limitation. In the case of employees whose
7 estimated wages are at levels at which the
8 amounts deducted and withheld under this chapter
9 generally are insufficient (taking into account a
10 reasonable allowance for deductions and
11 exceptions) to offset the liability for tax under
12 this chapter with respect to the wages from which
13 the amounts are deducted and withheld, the
14 director may by rule reduce the withholding
15 allowances to which those employees would, but
16 for this subparagraph, be entitled under this
17 subsection;

18 (C) Treatment of allowances. For purposes of this
19 chapter, any withholding allowance under this
20 subsection shall be treated as if it were
21 denominated a withholding exemption.

1 (3) The director may prescribe tables by rule under
2 chapter 91 pursuant to which employees shall determine
3 the number of withholding allowances to which they are
4 entitled under this subsection."

5 SECTION 23. Section 235-93, Hawaii Revised Statutes, is
6 amended by amending subsection (a) and (b) to read as follows:

7 "(a) A husband and wife, having that status for purposes
8 of the Internal Revenue Code and entitled to make a joint
9 federal return for the taxable year, and reciprocal
10 beneficiaries who entered into the reciprocal beneficiary
11 relationship during or prior to the taxable year may make a
12 single return jointly of taxes under this chapter for the
13 taxable year. In that case the tax shall be computed on their
14 aggregate income as provided in section 235-52, and the
15 liability with respect to the tax shall be joint and several.
16 For purposes of this chapter "aggregate income" means the income
17 of both spouses or reciprocal beneficiaries without regard to
18 source in the State.

19 (b) If an individual has filed a separate return for a
20 taxable year for which a joint return could have been made by
21 the taxpayer and the taxpayer's spouse[-] or reciprocal
22 beneficiary, an election thereafter to make a joint return for

1 the taxable year shall be made only upon compliance with rules
2 of the department of taxation, which may limit the election and
3 prescribe the terms and provisions applicable in such cases as
4 nearly as may be in conformity with the Internal Revenue Code."

5 SECTION 24. Section 235-102.5, Hawaii Revised Statutes, is
6 amended to read as follows:

7 "§235-102.5 Income check-off authorized. (a) Any
8 individual whose state income tax liability for any taxable year
9 is \$3 or more may designate \$3 of the liability to be paid over
10 to the Hawaii election campaign fund, any other law to the
11 contrary notwithstanding, when submitting a state income tax
12 return to the department. In the case of a joint return of a
13 husband and wife or reciprocal beneficiaries having a state
14 income tax liability of \$6 or more, each spouse or reciprocal
15 beneficiary may designate that \$3 be paid to the fund. The
16 director of taxation shall revise the individual state income
17 tax form to allow the designation of contributions to the fund
18 on the face of the tax return and immediately above the
19 signature lines. An explanation shall be included which clearly
20 states that the check-off does not constitute an additional tax
21 liability. If no designation was made on the original tax
22 return when filed, a designation may be made by the individual

1 on an amended return filed within twenty months and ten days
2 after the due date for the original return for such taxable
3 year. A designation once made whether by an original or amended
4 return may not be revoked.

5 (b) Notwithstanding any law to the contrary, any
6 individual whose state income tax refund for any taxable year is
7 \$2 or more may designate \$2 of the refund to be deposited into
8 the school-level minor repairs and maintenance special fund
9 established by section 302A-1504.5, when submitting a state
10 income tax return to the department. In the case of a joint
11 return of a husband and wife or parties in a reciprocal
12 beneficiary relationship having a state income tax refund of \$4
13 or more, each spouse or reciprocal beneficiary may designate
14 that \$2 be deposited into the special fund. The director of
15 taxation shall revise the individual state income tax return
16 form to allow the designation of contributions to the special
17 fund on the face of the tax return and immediately above the
18 signature lines. If no designation was made on the original tax
19 return when filed, a designation may be made by the individual
20 on an amended return filed within twenty months and ten days
21 after the due date for the original return for such taxable

1 year. A designation once made, whether by an original or
2 amended return, may not be revoked.

3 (c) Notwithstanding any law to the contrary, any
4 individual whose state income tax refund for any taxable year is
5 \$2 or more may designate \$2 of the refund to be paid over to the
6 libraries special fund established by section 312-3.6, when
7 submitting a state income tax return to the department. In the
8 case of a joint return of a husband and wife or parties in a
9 reciprocal beneficiary relationship having a state income tax
10 refund of \$4 or more, each spouse or reciprocal beneficiary may
11 designate that \$2 be deposited into the special fund. The
12 director of taxation shall revise the individual state income
13 tax form to allow the designation of contributions to the fund
14 on the face of the tax return and immediately above the
15 signature lines. If no designation was made on the original tax
16 return when filed, a designation may be made by the individual
17 on an amended return filed within twenty months and ten days
18 after the due date for the original return for such taxable
19 year. A designation once made, whether by an original or
20 amended return, may not be revoked.

21 (d) Notwithstanding any law to the contrary, any
22 individual whose state income tax refund for any taxable year is

1 \$5 or more may designate \$5 of the refund to be paid over as
2 follows:

3 (1) One-third to the Hawaii children's trust fund under
4 section 350B-2; and

5 (2) Two-thirds to be divided equally among:

6 (A) The domestic violence and sexual assault special
7 fund under the department of health in section
8 321-1.3;

10 the department of human services in section
11 346-7.5; and

12 (C) The spouse and child abuse special account under
13 the judiciary in section 601-3.6.

14 When designated by a taxpayer submitting a state income tax
15 return to the department, the department of budget and finance
16 shall allocate the moneys among the several funds as provided in
17 this subsection. In the case of a joint return of a husband and
18 wife or parties in a reciprocal beneficiary relationship having
19 a state income tax refund of \$10 or more, each spouse or
20 reciprocal beneficiary may designate that \$5 be paid over as
21 provided in this subsection. The director of taxation shall
22 revise the individual state income tax form to allow the

1 designation of contributions pursuant to this subsection on the
2 face of the tax return and immediately above the signature
3 lines. If no designation was made on the original tax return
4 when filed, a designation may be made by the individual on an
5 amended return filed within twenty months and ten days after the
6 due date for the original return for such taxable year. A
7 designation once made, whether by an original or amended return,
8 may not be revoked."

10 amended by amending subsection (c) to read as follows:

11 "(c) The tax credit claimed under this section by the
12 principal operator shall be deductible from the principal
13 operator's individual or corporate income tax liability, if any,
14 for the tax year in which the credit is properly claimed;
15 provided that a husband and wife or parties in a reciprocal
16 beneficiary relationship filing separate returns for a taxable
17 year for which a joint return could have been made by them shall
18 claim only the tax credit to which they would have been entitled
19 had a joint return been filed. If the tax credit claimed by the
20 principal operator under this section exceeds the amount of the
21 income tax payments due from the principal operator, the excess
22 of credit over payments due shall be refunded to the principal

1 operator from the state highway fund; provided that the tax
 2 credit properly claimed by a principal operator who has no
 3 income tax liability shall be paid to the principal operator
 4 from the state highway fund; and provided further no refunds or
 5 payments on account of the tax credit allowed by this section
 6 shall be made for amounts less than \$1."

7 SECTION 26. Part XIV, chapter 346, Hawaii Revised
 8 Statutes, is amended by adding a new section to be appropriately
 9 designated and to read as follows:

10 "§346- Community care foster family homes; reciprocal
 11 beneficiaries. Any law to the contrary notwithstanding, two,
 12 private-pay clients who are in a reciprocal beneficiary

- 4 relationship has been in residence at the community
- 5 care foster family home for less than five consecutive
- 6 years; and
- 7 (5) The reciprocal beneficiary resident provides medical

- 9 individual from being moved from the community care
- 10 foster family home."

PART II

15 the statutes or other laws of Hawaii, "marriage" means the union
16 of one man and one woman as husband and wife who are licensed
17 under section 572-1."

18 SECTION 28. If any provision of this Act, or the
19 application thereof to any person or circumstance is held
20 invalid, the invalidity does not affect other provisions or
21 applications of the Act, which can be given effect without the

H.B. NO. 163
