
A BILL FOR AN ACT

RELATING TO ECONOMIC RECOVERY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Senate Concurrent Resolution No. 132, S.D. 1
2 (2009), established a task force to determine the economic
3 contributions of the construction industry in Hawaii and to
4 develop a series of proposals for state actions to preserve and
5 create new jobs in the local construction industry. This Act
6 implements one of the task force's proposals in conjunction with
7 the Abercrombie administration's support for state actions to
8 create new jobs in Hawaii's construction industry.

9 In addition, in 2010, the senate committee on economic
10 development and technology and the house committee on economic
11 revitalization, business, and military affairs convened an
12 informal small business discussion group to address the most
13 critical issues facing the small business sectors within
14 Hawaii's economy. Representatives from the Chamber of Commerce
15 of Hawaii, construction and trades industries, community
16 nonprofits, the agricultural sector, food and restaurant
17 industries, retailing, the science and technology sector, the
18 commercial transportation industry, and interested stakeholders

1 developed a package of bills that address the most pressing
2 problems facing Hawaii's small business community.

3 The purpose of this Act is to support the findings of the
4 small business working group and the recommendations proposed by
5 the construction industry task force to provide temporary relief
6 from county requirements for affordable and workforce housing to
7 stimulate housing construction statewide.

8 SECTION 2. Section 46-15.1, Hawaii Revised Statutes, is
9 amended by amending subsection (a) to read as follows:

10 "(a) Any law to the contrary notwithstanding, any county
11 shall have and may exercise the same powers, subject to
12 applicable limitations, as those granted the Hawaii housing
13 finance and development corporation pursuant to chapter 201H
14 insofar as those powers may be reasonably construed to be
15 exercisable by a county for the purpose of developing,
16 constructing, and providing low- and moderate-income housing;
17 provided that no county shall be empowered to cause the State to
18 issue general obligation bonds to finance a project pursuant to
19 this section; provided further that county projects shall be
20 granted an exemption from general excise or receipts taxes in
21 the same manner as projects of the Hawaii housing finance and
22 development corporation pursuant to section 201H-36; [and]

1 provided further that section 201H-16 shall not apply to this
2 section unless federal guidelines specifically provide local
3 governments with that authorization and the authorization does
4 not conflict with any state laws[-]; and provided further that
5 the county affordable and workforce housing requirements shall
6 be reduced by forty per cent. The powers shall include the
7 power, subject to applicable limitations, to:

- 8 (1) Develop and construct dwelling units, alone or in
9 partnership with developers;
- 10 (2) Acquire necessary land by lease, purchase, exchange,
11 or eminent domain;
- 12 (3) Provide assistance and aid to a public agency or other
13 person in developing and constructing new housing and
14 rehabilitating existing housing for elders of low- and
15 moderate-income, other persons of low- and moderate-
16 income, and persons displaced by any governmental
17 action, by making long-term mortgage or interim
18 construction loans available;
- 19 (4) Contract with any eligible bidders to provide for
20 construction of urgently needed housing for persons of
21 low- and moderate-income;

- 1 (5) Guarantee the top twenty-five per cent of the
2 principal balance of real property mortgage loans,
3 plus interest thereon, made to qualified borrowers by
4 qualified lenders;
- 5 (6) Enter into mortgage guarantee agreements with
6 appropriate officials of any agency or instrumentality
7 of the United States to induce those officials to
8 commit to insure or to insure mortgages under the
9 National Housing Act, as amended;
- 10 (7) Make a direct loan to any qualified buyer for the
11 downpayment required by a private lender to be made by
12 the borrower as a condition of obtaining a loan from
13 the private lender in the purchase of residential
14 property;
- 15 (8) Provide funds for a share, not to exceed fifty per
16 cent, of the principal amount of a loan made to a
17 qualified borrower by a private lender who is unable
18 otherwise to lend the borrower sufficient funds at
19 reasonable rates in the purchase of residential
20 property; and
- 21 (9) Sell or lease completed dwelling units.

1 For purposes of this section, a limitation is applicable to
2 the extent that it may reasonably be construed to apply to a
3 county."

4 SECTION 3. Statutory material to be repealed is bracketed
5 and stricken. New statutory material is underscored.

6 SECTION 4. This Act shall take effect upon its approval
7 and shall be repealed on December 31, 2016; provided that
8 section 46-15.1(a), Hawaii Revised Statutes, shall be reenacted
9 in the form in which it read on the day before the approval of
10 this Act.
