# HOUSE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF LAND AND NATURAL RESOURCES AND  
DEPARTMENT OF ACCOUNTING AND GENERAL SERVICES TO WORK  
TOGETHER TO IDENTIFY SUITABLE STATE LANDS FOR THE  
DEVELOPMENT OF A HIGH TECHNOLOGY PARK ON OAHU.

1           WHEREAS, Hawaii's technology and defense-related industries  
2 have shown strong growth and potential for expansion; and  
3

4           WHEREAS, by 2012, these industries on Oahu will have an  
5 estimated 176,000 jobs, with more than 51,000 of these being  
6 newly-created positions; and  
7

8           WHEREAS, the State's workforce needs to be trained to meet  
9 the growing demand for highly-skilled, highly-specialized labor  
10 in areas such as high technology, defense-aerospace, business,  
11 and finance; and  
12

13           WHEREAS, the State's ability to meet this demand will help  
14 shape the future quality of life for many Hawaii residents; and  
15

16           WHEREAS, the development of an employment anchor facility,  
17 such as a high technology park, will be crucial for preparing  
18 Hawaii's current and future workforce to adequately deal with  
19 the challenges of working in high technology industries; and  
20

21           WHEREAS, demand for an employment anchor facility from  
22 local technology businesses and major out-of-state defense and  
23 aerospace contractors who wish to establish businesses on Oahu  
24 is already significant and growing; and  
25

26           WHEREAS, the development of an employment anchor facility  
27 in the form of a high technology park is an important first step

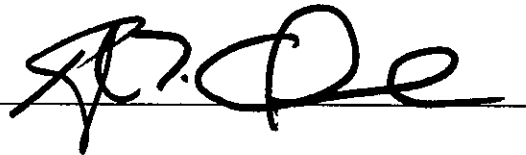

1 in creating and sustaining a vibrant high technology industry in  
2 the State; now, therefore,  
3

4 BE IT RESOLVED by the House of Representatives of the  
5 Twenty-sixth Legislature of the State of Hawaii, Regular Session  
6 of 2011, the Senate concurring, that the Legislature requests  
7 the Department of Land and Natural Resources and Department of  
8 Accounting and General Services to work together to identify  
9 suitable State lands for the development of a high technology  
10 park on Oahu; and  
11

12 BE IT FURTHER RESOLVED that the Department of Land and  
13 Natural Resources and Department of Accounting and General  
14 Services are requested to submit a report of their findings and  
15 recommendations regarding suitable State lands for the  
16 development of a high technology park on Oahu to the Legislature  
17 no later than 60 days prior to the convening of the 2012 Regular  
18 Session; and  
19

20 BE IT FURTHER RESOLVED that certified copies of this  
21 Concurrent Resolution be transmitted to the Chairperson of the  
22 Board of Land and Natural Resources and the Comptroller.
