A BILL FOR AN ACT

RELATING TO THE HAWAII HURRICANE RELIEF FUND.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Hawaii is facing one of the most challenging
2 economic times it has ever faced and these economic conditions
3 have necessitated difficult decisions by the State to balance an
4 already precarious budget. The reduction in force in state
5 government has reduced services to the public and has also had
6 an adverse effect on the efficiency and effectiveness of certain
7 key operational areas. Funding reductions have also impacted
8 the State's ability to provide services to those who are most
9 vulnerable to setbacks during this time of economic
10 uncertainties as well as the State's ability to fuel and sustain
11 an economic recovery.

12 The State's options for balancing the budget have, for the
13 most part, been exercised. This has resulted in negatively
14 impacting the ability of state agencies to sustain the delivery
15 of core services to the public and to other state agencies.

16 The purpose of this Act is to appropriate Hawaii hurricane
17 relief fund moneys into the general fund to make funds available
18 to balance the State's budget for fiscal year _____ and

S.B. NO. 1270

1 maintain the levels of programs determined to be essential for
2 education, public health, and public welfare.

3 SECTION 2. Notwithstanding provisions of chapter 431P,
4 Hawaii Revised Statutes, to the contrary, there is appropriated
5 out of the Hawaii hurricane relief fund the sum of \$ _____
6 or so much thereof as may be necessary for fiscal year ____ to
7 be deposited into the general fund to balance the State's budget
8 and maintain the levels of programs determined to be essential
9 for education, public health, and public welfare.

10 The sum appropriated under this section shall be expended
11 by the department of budget and finance for the purpose of this
12 section.

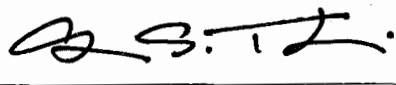

13 SECTION 3. This Act shall take effect upon its approval.
