
A BILL FOR AN ACT

RELATING TO HOMELESSNESS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that homelessness is a
2 societal problem that has plagued Hawaii and the nation for many
3 years. Although great strides have been made in addressing the
4 issue of homelessness, Hawaii has experienced an increase in the
5 number of homeless persons. Homelessness remains a complex
6 issue involving coordination, planning, implementation, and
7 funding among state and county agencies, nonprofit entities, and
8 the federal government.

9 On June 22, 2010, the cabinet secretaries from the federal
10 Departments of Housing and Urban Development, Labor, Health and
11 Human Services, and Veterans Affairs joined the United States
12 Interagency Council on Homelessness to unveil and submit to the
13 President and Congress the nation's first comprehensive
14 strategic plan to prevent and end homelessness. The United
15 States Interagency Council on Homelessness comprises nineteen
16 federal agencies to coordinate the nation's housing, health,
17 employment security, education, and human services functions and
18 to create a national partnership between every level of

1 government and the private sector to maximize the effectiveness
2 of the federal government's response in addressing homelessness.

3 Described by the federal government as the most far-
4 reaching and ambitious program in history to prevent and end
5 homelessness, the strategic plan will strengthen existing
6 programs and forge new partnerships. With Congress, state and
7 local officials, faith-based and community organizations, and
8 business and philanthropic leaders across the country working
9 together, the plan will harness public and private resources to
10 build on proven local level innovations.

11 The legislature finds that Hawaii needs a mechanism similar
12 to the United States Interagency Council on Homelessness to
13 formulate and coordinate a unified plan to address homelessness
14 in all counties and facilitate the acquisition of federal
15 funding for homeless programs. The United States Interagency
16 Council on Homelessness recommends that the states establish
17 such a state agency by legislative action or executive order, or
18 both.

19 The purpose of this Act is to establish the Hawaii
20 interagency council on homelessness and to make an appropriation
21 for its administrative expenses.

1 SECTION 2. There is established the Hawaii interagency
2 council on homelessness, which shall be an advisory body exempt
