Report Title:

Moped; Motor Scooter; Motorcycle; Instruction Permits

Description:

Clarify laws relating to operating a moped, motor scooter, or motorcycle with an instruction permit.

JUSTIFICATION SHEET

DEPARTMENT: Transportation

TITLE: A BILL FOR AN ACT RELATING TO INSTRUCTION PERMITS.

PURPOSE: Clarify that moped instruction permit holders may practice riding their mopeds without being accompanied by a person who is twenty-one years of age or older and licensed to operate a moped.

MEANS: Amend section 286-110(d) and (e), Hawaii Revised Statutes.

JUSTIFICATION: The current law allows a permit holder to operate a motor scooter or motorcycle without being accompanied by a person who is 21 years old or older but due to a lack of an exemption, requires this accompaniment for permit holders who operate a moped. The reason an exception is necessary is that carrying a passenger on a two-wheeled vehicle is more challenging and therefore more dangerous than riding alone. Carrying a passenger on a moped would be even more challenging, because a moped is lighter and less powerful. Also, current law prohibits passengers on two-wheeled mopeds. The law must be amended so it is practical and logical.

Impact on the public: Persons with an instruction permit will be able to legally practice riding their mopeds.

Impact on the department and other agencies: There will be no impact on the Department of Transportation. It will save the police departments the frustration of trying to enforce a law that does not make sense.

GENERAL FUND: None.

OTHER FUNDS: None.

DESIGNATION: TRN 597.

OTHER AFFECTED

EFFECTIVE DATE: Upon approval.
