## A BILL FOR AN ACT

RELATING TO THE WORKS OF ART SPECIAL FUND.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Since its inception in 1989, the works of art  
2 special fund has provided a dedicated funding source for the art  
3 in public places and relocatable works of arts programs.  
4 Existing state law requires one per cent of the capital  
5 improvement appropriations for the construction cost element  
6 that are designated for the construction or renovation of state  
7 buildings to be transferred to the special fund, with certain  
8 exceptions. Over time, more than adequate reserves of works of  
9 art have been acquired. As a result, the legislature finds that  
10 the purchase of new art work for renovations is unnecessary.

11           The purpose of this Act is to limit the required one per  
12 cent transfer of funds into the works of art special fund by  
13 specifying that the required transfer of funds shall apply  
14 solely to capital improvement appropriations designated for the  
15 construction of state buildings.

1 SECTION 2. Section 103-8.5, Hawaii Revised Statutes, is  
2 amended by amending subsection (a) to read as follows:

3 "(a) There is created a works of art special fund, into  
4 which shall be transferred one per cent of all state fund  
5 appropriations for capital improvements designated for the  
6 construction cost element; provided that this transfer shall  
7 apply only to capital improvement appropriations that are  
8 designated for the construction [~~or renovation~~] of state  
9 buildings. The one per cent transfer requirement shall not  
10 apply to appropriations from the passenger facility charge  
11 special fund established by section 261-5.5 and the rental motor  
12 vehicle customer facility charge special fund established under  
13 section 261-5.6."

14 SECTION 3. Statutory material to be repealed is bracketed  
15 and stricken.

16 SECTION 4. This Act shall take effect upon its approval.
