
HOUSE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF EDUCATION TO CONVENE A TASK FORCE
TO DETERMINE HOW BEST TO EXPAND AND STRENGTHEN THE USE OF
SCHOOL GARDENS STATEWIDE.

1 WHEREAS, many children in Hawaii have limited exposure to
2 the wide range of healthy, local foods that are available and
3 lack understanding as to where their food comes from or how it
4 is prepared; and

5
6 WHEREAS, school gardens provide students with unique, real-
7 world opportunities to learn about topics ranging from nutrition
8 and health to agriculture, ecology, environmental stability, and
9 economics; and

10
11 WHEREAS, school gardens provide students with improved meal
12 options by giving schools access to fresh local produce; and

13
14 WHEREAS, farm to school programs, such as planting and
15 tending school gardens, have proven successful in supplying high
16 quality food, as well as providing students with knowledge that
17 enhances their educational experience and cultivates long-term
18 healthy habits; now, therefore,

19
20 BE IT RESOLVED by the House of Representatives of the
21 Twenty-sixth Legislature of the State of Hawaii, Regular Session
22 of 2011, the Senate concurring, that the Department of Education
23 is requested to convene a task force to determine how best to
24 expand and strengthen the use of school gardens statewide; and

25
26 BE IT FURTHER RESOLVED that the task force include
27 representatives from the:

28
29 (1) Department of Education;

30
31 (2) Department of Health;

- (3) Department of Agriculture;
- (4) University of Hawaii College of Tropical Agriculture and Human Resources;
- (5) University of Hawaii at Hilo;
- (6) Maui Community College;
- (7) Hawaii Island School Garden Network;
- (8) Kokua Hawaii Foundation;
- (9) Hawaii Association of Independent Schools;
- (10) Kauai School Garden Network; and
- (11) Ulupono Initiative; and

BE IT FURTHER RESOLVED that the task force is requested to develop a statewide curriculum strategy and professional development program for using school gardens to:

- (1) Teach science, math, environmental, and nutritional studies;
- (2) Improve ecoliteracy within the community; and
- (3) Increase the physical activity and healthy habits of students; and

BE IT FURTHER RESOLVED that the task force is requested to collect comprehensive data from the school gardens on each island; and

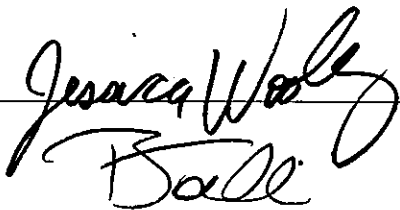

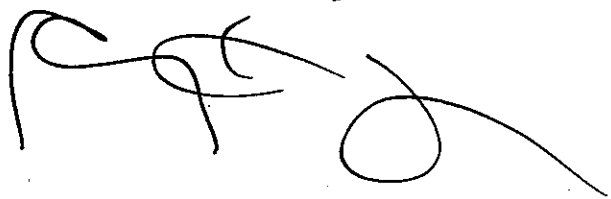

BE IT FURTHER RESOLVED that the task force is requested to report to the Legislature its findings and recommendations, including any proposed legislation, no later than twenty days prior to the convening of the Regular Session of 2012; and

BE IT FURTHER RESOLVED that certified copies of this Concurrent Resolution be transmitted to the Superintendent of Education; the Director of Health; the Chairperson of the Board

1 of Agriculture; the Dean of the University of Hawaii College of
2 Tropical Agriculture and Human Resources; the Chancellor of the
3 University of Hawaii at Hilo; the Vice President for Community
4 Colleges of the University of Hawaii System; the Program
5 Director of the Hawaii Island School Garden Network; the
6 Executive Director of the Kokua Hawaii Foundation; the Executive
7 Director of the Hawaii Association of Independent Schools; the
8 School Garden Coordinator of the Kauai School Garden Network;
9 and the General Partner of the Ulupono Initiative.
