A BILL FOR AN ACT

RELATING TO THE EMPLOYEES' RETIREMENT SYSTEM.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The purpose of this Act is to segregate
2 teachers from all other employees for the purposes of
3 determining employer normal cost and accrued liability
4 contributions and for determining the amount of annual

6 teachers will properly reflect contributions to the employees'
7 retirement system attributable to teachers as of the June 30,
8 2008, actuarial valuation report.

10 amended to read as follows:

14 trustees, the actuary engaged by the board, on the basis of
15 successive annual actuarial valuations, shall determine the
16 employer's normal cost and accrued liability contributions for
17 each fiscal year beginning July 1 separately for the following
18 [~~two~~] three groups of employees:

1 (1) Police officers, firefighters, and corrections

8 recommendation of the actuary described under section 88-30, and
9 tables, contribution rates, and factors adopted by the board or
10 legislature for actuarial valuations of the system, subject to

12 29.

13 (c) With respect to each of the following two groups of
14 employees [~~in subsection (a)~~], police officers, firefighters,
15 and corrections officers, and all other employees, the normal
16 cost for each year after June 30, 1994, shall be the percentage
17 of the aggregate annual compensation of employees as of March 31
18 of the valuation year as determined by the actuary using the
19 entry age normal cost funding method. On each June 30 the board
20 shall determine the allocation of the assets of the pension
21 accumulation fund between the two groups of employees [~~in~~
22 ~~subsection (a)~~], police officers, firefighters, and corrections

1 officers, and all other employees; provided that the assets of
2 the pension accumulation fund as of June 30, 1976, shall be
3 allocated between the two groups in the same proportion as the
4 aggregate annual compensation of each group as of March 31,
5 1976.

6 (d) Commencing with fiscal year 1994-1995 and each
7 subsequent fiscal year, the actuary shall determine the total

9 funding method separately for each of the following two groups
10 of employees [~~in subsection (a).~~], police officers,
11 firefighters, and corrections officers, and all other employees.

12 The accrued liability contribution for [~~each of the two groups~~

14 officers, and all other employees shall be the annual payment
15 required to liquidate the unfunded accrued liability over a
16 period of twenty-nine years beginning July 1, 2000. Any
17 increase or decrease in the total unfunded accrued liability
18 resulting from legislative changes in the benefit provisions of
19 the employees' retirement system shall be liquidated over a
20 period of time to be determined by the actuary.

21 (e) Commencing with fiscal year 2005-2006 and each
22 subsequent fiscal year, the employer contributions for normal

1 cost and accrued liability for [~~each of the two groups of~~
2 ~~employees in subsection (a)] police officers, firefighters, and

- 7 compensation for all other employees.

8 The contribution rates shall amortize the total unfunded
9 accrued liability of the entire plan over a period not to exceed
10 thirty years. Effective January 2, 2008, until January 2, 2011,
11 there shall be no benefit enhancements under this chapter for
