
A BILL FOR AN ACT

RELATING TO PUBLIC FUNDS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1

PART I

2

SECTION 1. The legislature finds that due to recent
worldwide economic events, the State, like the rest of the
nation and the world, is experiencing a severe economic crisis.
Although in the past, the State of Hawaii has displayed steady
long-term fiscal planning, prudent decision-making practices,
relatively stable real property values, and relatively low
unemployment rates, it has been unable to avoid the negative
effects of the struggling economy. Consequently, the State
needs to find innovative ways to balance its budget for the
current fiscal biennium and beyond. Sizeable budget shortfalls
for the current and upcoming fiscal years require immediate and
decisive action.

14

To meet the current and future financial needs of the
State, the legislature believes that having the city and county
of Honolulu return a portion of the moneys derived from the
imposition of a county surcharge on state general excise and use
taxes is a reasonable means of achieving a balanced budget for

18

1 state operations without adversely impacting the city and county
2 of Honolulu's fiscal status or resorting to a drastic reduction
3 in state services or personnel.

4 The legislature further finds that the revenues already
5 derived from the county surcharge on state general excise and
6 use taxes and transferred to the city and county of Honolulu are
7 largely unencumbered and will not be needed in the immediately
8 foreseeable future. These moneys would be better utilized if
9 applied to the immediate financial needs of the State, of which
10 the city and county of Honolulu is a part.

11 To this end, the legislature finds that borrowing not more
12 than \$ from the balance of the amount derived from
13 the county surcharge on state general excise and use taxes
14 already transferred to the city and county of Honolulu and
15 repaying the amount borrowed with revenues derived from the
16 issuance of state general obligation bonds is prudent and will
17 assist the State in maintaining current services and personnel
18 until such time as the state economy recovers. At the same
19 time, by ensuring that the loan is repaid in a timely manner
20 through revenues derived from state general obligation bonds,
21 any detrimental financial effect to the city and county of
22 Honolulu will be avoided. In addition, to help ameliorate any

1 detrimental financial impact to the city and county of Honolulu,
2 this Act extends the surcharge on state general excise and use
3 taxes for two additional years.

4 The purpose of this Act is to:

- 5 (1) Require the city and county of Honolulu to return to
6 the State moneys derived from the county surcharge on
7 state tax;
- 8 (2) Authorize the issuance of general obligation bonds to
9 reimburse the city and county of Honolulu; and
- 10 (3) Extend the sunset of Act 247, Session Laws of Hawaii
11 2005, to extend, for an additional two years, the
12 county surcharge on general excise and use taxes and
13 the ordinance levying that surcharge.

14 SECTION 2. The city and county of Honolulu shall return to
15 the State \$ of the revenues transferred to the city
16 and county of Honolulu pursuant to section 248-2.6, Hawaii
17 Revised Statutes; provided that the city and county of Honolulu
18 shall not return any of those revenues to the State until the
19 State deposits in escrow the same amount of moneys from the
20 proceeds of general obligation bonds issued pursuant to section
21 4 of this Act, which shall be transferred to the city and county
22 of Honolulu as repayment. The State and the city and county of

1 Honolulu shall enter into a memorandum of understanding to
2 coordinate and effectuate the transfer of revenues from the city
3 and county of Honolulu to the State and the transfer of the
4 general obligation bond proceeds in escrow to the city and
5 county of Honolulu, in accordance with this Act.

6 SECTION 3. Act 247, Session Laws of Hawaii 2005, is
7 amended by amending section 9 to read as follows:

8 "SECTION 9. This Act shall take effect upon its approval;
9 provided that:

- 10 (1) If none of the counties of the State adopt an
11 ordinance to levy a county surcharge on state tax by
12 December 31, 2005, this Act shall be repealed and
13 section 437D-8.4, Hawaii Revised Statutes, shall be
14 reenacted in the form in which it read on the day
15 prior to the effective date of this Act;
- 16 (2) If any county does not adopt an ordinance to levy a
17 county surcharge on state tax by December 31, 2005, it
18 shall be prohibited from adopting such an ordinance
19 pursuant to this Act, unless otherwise authorized by
20 the legislature through a separate legislative act;
- 21 (3) If an ordinance to levy a county surcharge on state
22 tax is adopted by December 31, 2005:

1 (A) The ordinance shall be repealed on December 31,
2 [2022+] 2024;

3 (B) This Act shall be repealed on December 31,
4 [2022+] 2024; and

5 (C) Section 437D-8.4, Hawaii Revised Statutes, shall
6 be reenacted in the form in which it read on the
7 day prior to the effective date of this Act."

8 SECTION 4. The director of finance is authorized to issue
9 general obligation bonds in the sum of \$ or so much
10 thereof as may be necessary and the same sum or so much thereof
11 as may be necessary is appropriated for fiscal year 2011-2012
12 for the purpose of replacing surcharge revenues that are
13 returned from the city and county of Honolulu to the state
14 general fund pursuant to section 2 of this Act; provided that
15 the director of finance shall not issue the general obligation
16 bonds until the State receives affirmative advice from the
17 State's bond counsel regarding any potential effect on the
18 State's bond rating from using the proceeds from the issuance of
19 the general obligation bonds to replace the tax revenues
20 returned from the city and county of Honolulu pursuant to
21 section 2 of this Act.

1 The sum appropriated shall be transferred to the city and
2 county of Honolulu by the department of budget and finance
3 pursuant to this Act and section 248-2.6, Hawaii Revised
4 Statutes.

5 PART II

6 SECTION 5. Section 248-2.6, Hawaii Revised Statutes, is
7 amended to read as follows:

8 "[+]§248-2.6[+] County surcharge on state tax; disposition
9 of proceeds. (a) If adopted by county ordinance, all county
10 surcharges on state tax collected by the director of taxation
11 shall be paid into the state treasury quarterly, within ten
12 working days after collection, and shall be placed by the
13 director of finance in special accounts. Out of the revenues
14 generated by county surcharges on state tax paid into each
15 respective state treasury special account, the director of
16 finance shall deduct ten per cent of the gross proceeds of a
17 respective county's surcharge on state tax to reimburse the
18 State for the costs of assessment, collection, and disposition
19 of the county surcharge on state tax incurred by the State.
20 Amounts retained shall be general fund realizations of the
21 State.

1 (b) The amounts deducted for costs of assessment,
2 collection, and disposition of county surcharges on state tax
3 shall be withheld from payment to the counties by the State out
4 of the county surcharges on state tax collected for the current
5 calendar year.

6 (c) For the purpose of this section, the costs of
7 assessment, collection, and disposition of the county surcharges
8 on state tax shall include any and all costs, direct or
9 indirect, that are deemed necessary and proper to effectively
10 administer this section and sections 237-8.6 and 238-2.6.

11 (d) After the deduction and withholding of the costs under
12 subsections (a) and (b), the director of finance shall pay
13 either the remaining balance or an amount equal to the remaining
14 balance on [+]a[+] quarterly basis to the director of finance of
15 each county that has adopted a county surcharge on state tax
16 under section 46-16.8[-] in the manner described in subsection
17 (e). The quarterly payments shall be made after the county
18 surcharges on state tax have been paid into the state treasury
19 special accounts or after the disposition of any tax appeal, as
20 the case may be. All [~~county surcharges on state tax collected~~
21 ~~shall be~~] amounts distributed under this section by the director
22 of finance to the county in which the county surcharge on state

1 tax is generated [and] shall be a general fund realization of
2 the county, to be used for the purposes specified in section
3 46-16.8 by each of the counties.

4 (e) The director of finance may make payments required
5 under subsection (d) from available sources other than the
6 remaining balance after deducting costs of assessment and
7 collection, including but not limited to general obligation bond
8 proceeds. All payments made from sources other than the state
9 treasury special accounts shall cause an equivalent amount to be
10 deducted from the state treasury special account and become a
11 general fund realization of the State."

12 PART III

13 SECTION 6. Act 226, Session Laws of Hawaii 2008, section
