PART I

PUBLIC LAND DEVELOPMENT CORPORATION

SECTION 1. The Hawaii Revised Statutes is amended by adding a new chapter to be appropriately designated and to read as follows:

"CHAPTER

PUBLIC LAND DEVELOPMENT CORPORATION

PART I. GENERAL PROVISIONS

§ -1 Findings and purpose. The legislature finds that certain public lands under the jurisdiction of the department of land and natural resources are not used effectively. Public lands in certain areas may serve the State and its people better if managed and developed into suitable recreational and leisure centers where the public can congregate and where visitors to our State can go as part of their holiday experience. However, the department of land and natural resources is hamstrung by its limited mission. Creating a development arm of the department of land and natural resources, similar to the agribusiness

1 development corporation, and placing appropriate public lands
2 into the new corporation's jurisdiction, may help to create
3 these recreation and leisure areas, while also creating revenue-
4 generating opportunities for the new corporation. In turn,
5 revenues generated may be used to offset the regulatory
6 functions of the department of land and natural resources.

7 The purpose of this chapter is to create a vehicle and
8 process to make optimal use of public land for the economic,
9 environmental, and social benefit of the people of Hawaii. This
10 chapter establishes a public corporation to administer an
11 appropriate and culturally-sensitive public land development
12 program. The corporation shall coordinate and administer
13 programs to make optimal use of public land, while ensuring that
14 the public land is maintained for the people of Hawaii. The
15 corporation shall identify the public lands that are suitable
16 for development under this chapter, carry on marketing analysis
17 to determine the best revenue-generating programs for the public
18 lands identified, enter into public-private agreements to
19 appropriately develop the public lands identified, and to
20 provide the leadership for the development, financing,
21 improvement, or enhancement of the selected development
22 opportunities.

21 corporations. The corporation, by resolution, may direct any of
22 its members, officers, or employees to organize a subsidiary

1 corporation pursuant to either chapter 414 or chapter 414D;
2 provided that the organization of a subsidiary corporation shall
3 not adversely affect the federal tax status of the interest on
4 any bonds issued to finance any project or project facility.
5 The resolution shall prescribe the purposes for which the
6 subsidiary corporation is established. The subsidiary
7 corporation shall remain a subsidiary of the corporation as long
8 as more than one-half of its voting shares are owned or held by
9 the corporation, or a majority of its directors are designated
10 by the corporation; provided that the corporation shall not
11 convey or otherwise dispose of any subsidiary corporation or
12 surrender the right to designate a majority of the directors of
13 any subsidiary corporation if the sale or surrender has an
14 adverse affect on the federal tax status of the interest on any
15 bonds issued to finance any project or project facility. The
16 subsidiary corporation may be operated, maintained, and enhanced
17 at the full discretion of the corporation or its designee.

18 (b) If the corporation acquires the assets of a private or
19 other corporation, then, notwithstanding any law to the
20 contrary:

5 (b) The corporation may initiate and coordinate the
6 preparation of business and public land development plans for
7 its projects. The plans shall include a proposal for the

13 facilities in connection with any project.

14 (c) The corporation may enter into cooperative agreements
15 with coordinating entrepreneurs or public agencies when the
16 powers, services, and capabilities of the persons or agencies
17 are deemed necessary and appropriate for the development and
18 implementation of the business and public land development
19 plans.

20 (d) Notwithstanding any provision of this chapter to the
21 contrary, when leasing corporation-controlled public land, the
22 corporation may contract with a financial institution chartered

1 under chapter 412 or a federal financial institution, as defined
2 under section 412:1-109, that transacts business in this State
3 to provide lease management services. For the purposes of this
4 subsection, "lease management services" includes the collection
5 of lease rent and any other moneys owed to the corporation
6 related to the lease of public land under the corporation's
7 control.

8 (e) The public land planning activities of the corporation
9 shall be coordinated with the county planning departments and
10 the county land use plans, policies, and ordinances.

11 (f) The corporation may amend the business and public land
12 development plans as may be necessary.

13 (g) Any undertaking by the corporation pursuant to this
14 chapter shall be with the express written consent of the

16 § -8 **Project facility program.** (a) The corporation may
17 develop a project to identify necessary project facilities
18 within a project area.

19 (b) Unless and except as otherwise provided by law,
20 whenever the corporation undertakes, or causes to be undertaken,
21 any project facility as part of a project, the cost of providing
22 the project facilities shall be assessed against the real

1 property in the project area specially benefiting from the
2 project facilities. Subject to the express written consent of
3 the landowners directly affected, the corporation shall
4 determine the properties that will benefit from the project
5 facilities to be undertaken and may establish assessment areas
6 that include the properties specially benefiting from the
7 project facilities. The corporation may issue and sell bonds in
8 such amounts as may be authorized by the legislature to provide
9 funds to finance the project facilities. The corporation shall
10 fix the assessments against the real property specially
11 benefited.

12 (c) Unless and except as otherwise provided by law, the
13 corporation may adopt rules pursuant to chapter 91 to establish
14 the method of undertaking and financing project facilities in a
15 project area.

16 (d) Unless and except as otherwise provided by law, bonds
17 issued to provide funds to finance project facilities shall be
18 secured solely by the real properties benefited or improved and
19 the assessments thereon, or by the revenues derived from the
20 project for which the bonds were issued, including reserve
21 accounts and earnings thereon, insurance proceeds, and other
22 revenues, or any combination thereof. The bonds may be

1 additionally secured by the pledge or assignment of loans and
2 other agreements or any note or other undertaking, obligation,
3 or property held by the corporation. The bonds shall be issued
4 according to and subject to the rules adopted pursuant to this
5 section. Any other law to the contrary notwithstanding, in
6 assessing real property for project facilities, the corporation
7 shall assess the real property within a project area according
8 to the special benefits conferred upon the real property by the
9 project facilities. These methods may include assessment on a
10 frontage basis or according to the area of real property within
11 a project area, or any other assessment method that assesses the
12 real property according to the special benefit conferred, or any
13 combination thereof. No such assessment levies against real
14 property specially benefited under this chapter shall constitute
15 a tax on real property within the meaning of any law.

16 (e) The rules adopted pursuant to this section may
17 include:

18 (1) The methods of establishing assessment areas within a
19 project area;

20 (2) The method of assessing real properties specially
21 benefited;

- 1 (3) The costs to be borne by the corporation, the county
2 in which the project facilities are situated, and the
3 property owners;
- 4 (4) The procedures before the corporation relating to the
5 creation of the assessment areas by the owners of real
6 property therein, including provisions for petitions,
7 bids, contracts, bonds, and notices;
- 8 (5) Provisions relating to assessments;
- 9 (6) Provisions relating to financing, such as bonds, the
10 Hawaii public land development revolving fund,
11 advances from available funds, special funds for the
12 payment of bonds, the payment of principal and
13 interest, and the sale and use of bonds;
- 14 (7) Provisions relating to funds and the refunding of
15 outstanding debts; and
- 16 (8) Provisions relating to limitations on time to sue, and
17 other related provisions.
- 18 (f) Any other provisions to the contrary notwithstanding,
19 the corporation, at its discretion, may enter into any agreement
20 with the county in which project facilities are located, to
21 implement the purposes of this section.

1 (g) All sums collected under this section shall be
2 deposited in the fund established by section -17, except that
3 all moneys collected on account of assessments and interests
4 thereon for any specific project facilities financed by the
5 issuance of bonds, shall be set apart in a separate special fund
6 and applied solely to the payment of:

- 7 (1) The principal and interest on these bonds;
- 8 (2) The cost of administering, operating, and maintaining
9 the program;
- 10 (3) The establishment of reserves; and
- 11 (4) Other purposes as may be authorized in the proceedings
12 providing for the issuance of the bonds.

13 If any surplus remains in any special fund after the
14 payment of the bonds chargeable against that special fund, the
15 surplus shall be credited to and become a part of the fund.
16 Notwithstanding any other law to the contrary, moneys in the
17 fund may be used to make up any deficiencies in the special
18 fund.

19 (h) If the project facilities to be financed through bonds
20 by the corporation may be dedicated to the county in which the
21 project facilities are to be located, the corporation shall

1 ensure that the project facilities are designed and constructed
2 to meet county requirements.

3 § -8.5 **Approval of projects, plans, and programs.** All
4 public lands optimization projects, public land development
5 plans, and project facility programs developed by the
6 corporation must be approved by the board of land and natural
7 resources before implementation.

8 § -9 **Bonds.** (a) The corporation, with the approval of
9 the governor, may issue, from time to time, revenue bonds in
10 amounts not exceeding the total amount of bonds authorized to be
11 issued by the legislature for the purpose of constructing,
12 acquiring, remodeling, furnishing, and equipping any project
13 facility, including the acquisition of the site thereof;
14 acquiring non-public lands through purchase to sustain and
15 preserve leisure or recreational enterprises within a contiguous
16 geographic area.

17 (b) All revenue bonds shall be issued pursuant to part III
18 of chapter 39, except as provided in this chapter.

19 (c) The revenue bonds shall be issued in the name of the
20 corporation and not in the name of the State. The final
21 maturity date of the revenue bonds may be any date not exceeding
22 thirty years from the date of issuance.

1 § -10 Revenue bonds; payment and security. (a) The
2 revenue bonds shall be payable from and secured by the real
3 properties benefited or improved and the assessments thereon, or
4 by the revenues derived from the project facility for which the
5 revenue bonds were issued, including revenue derived from
6 insurance proceeds and reserve accounts, and earnings thereon.

7 (b) The corporation may pledge revenues derived from the
8 project facility financed from the proceeds of the revenue bonds
9 to the punctual payment of the principal, interest, and
10 redemption premiums, if any, on the revenue bonds.

11 (c) The revenue bonds may be additionally secured by the
12 pledge or assignment of the loans and other agreements or any
13 note or other undertaking, obligation, or property held by the
14 corporation to secure the loans.

15 (d) Any pledge made by the corporation shall create a
16 perfected security interest in the revenues, moneys, or property
17 so pledged and thereafter received by the corporation from and
18 after the time that the financing statement with respect to the
19 revenues, moneys, or property so pledged and thereafter received
20 are filed with the bureau of conveyances. Upon this filing, the
21 revenues, moneys, or property so pledged and thereafter received
22 by the corporation shall immediately be subject to a lien of any

1 such pledge without any physical delivery thereof or having
2 claims of any kind in tort, contract, or otherwise against the
3 corporation, irrespective of whether the parties have notice
4 thereof. This section shall apply to any financing statement
5 heretofore or hereafter filed with the bureau of conveyances
6 with respect to any pledge made to secure revenue bonds issued
7 under this chapter.

8 § -11 Revenue bonds; interest rate, price, and sale.

9 (a) The revenue bonds issued pursuant to this chapter shall
10 bear interest at such rate or rates and shall be payable on such
11 date or dates, as the corporation shall determine.

12 (b) The corporation shall include the costs of undertaking
13 the project facility for which the revenue bonds are issued in
14 determining the principal amount of revenue bonds to be issued.

15 In determining the cost of undertaking the project facility, the
16 corporation may include:

- 17 (1) The cost of constructing, acquiring, remodeling,
18 furnishing, and equipping the project facility,
19 including the acquisition of the site thereof;
- 20 (2) The cost of purchasing or funding loans or other
21 agreements entered into for the project facility;
- 22 (3) The costs of studies and surveys;

- 1 (4) Insurance premiums;
- 2 (5) Underwriting fees;
- 3 (6) Financial consultant, legal, accounting, and marketing
- 4 services incurred;
- 5 (7) Reserve account, trustee, custodian, and rating agency
- 6 fees; and
- 7 (8) Any capitalized interest.

8 (c) The revenue bonds may be sold at public or private
9 sale, and for a price as may be determined by the corporation.

10 § -12 Revenue bonds; investment of proceeds, and

11 redemption. Subject to any agreement with the holders of its
12 revenue bonds, the corporation may:

- 13 (1) Invest its moneys not required for immediate use,
14 including proceeds from the sale of revenue bonds, in
15 any investment in accordance with procedures
16 prescribed in a trust indenture; and
- 17 (2) Purchase its revenue bonds out of any fund or money of
18 the corporation available therefor, and hold, cancel,
19 or resell the revenue bonds.

20 § -13 Revenue bonds; special funds. (a) A separate
21 special fund shall be established for each project facility
22 financed from the proceeds of the revenue bonds secured under

1 the same trust indenture. Each fund shall be designated
2 "project facility revenue bond special fund" and shall bear
3 additional designation as the corporation deems appropriate to
4 properly identify the fund.

5 (b) Notwithstanding any other law to the contrary,
6 including section § -17, all revenues, income, and receipts
7 derived from the project facility for which the revenue bonds

13 corporation shall designate a trustee for each issue of revenue
14 bonds secured under the same trust indenture.

15 (b) The trustee shall be authorized by the corporation to
16 hold and administer the project facility revenue bond special
17 fund established pursuant to section § -13, to receive and
18 receipt for, hold, and administer the revenues derived by the
19 corporation from the project facility for which the revenue
20 bonds were issued, and to apply these revenues to the payment of
21 the cost:

22 (1) Of undertaking the project facility;

- 1 (2) Of administering and operating the proceedings
2 providing for the issuance of the revenue bonds;
3 (3) To pay the principal or interest on these bonds;
4 (4) To the establishment of reserves; and
5 (5) To other purposes as may be authorized in the
6 proceedings providing for the issuance of the revenue
7 bonds.

8 (c) Notwithstanding section 39-68 to the contrary, the
9 director of finance may appoint the trustee to serve as fiscal
10 agent for:

11 (1) The payment of the principal of and interest on the
12 revenue bonds; and

13 (2) The purchase, registration, transfer, exchange, and
14 redemption of the bonds.

15 (d) The trustee shall perform additional functions with
16 respect to the payment, purchase, registration, transfer,
17 exchange, and redemption of the bonds, as the director of
18 finance may deem necessary, advisable, or expeditious, including
19 the holding of the revenue bonds and coupons that have been paid
20 and the supervision of the destruction thereof in accordance
21 with applicable law.

1 (e) Nothing in this chapter shall limit or be construed to
2 limit the powers granted to the director of finance in sections
3 36-3, 39-13, and 39-68(a), to appoint the trustee or others as
4 fiscal agents, paying agents, and registrars for the revenue
5 bonds or to authorize and empower those fiscal agents, paying
6 agents, and registrars to perform the functions referred to in
7 those sections.

8 § -15 **Trust indenture.** (a) A trust indenture may
9 contain covenants and provisions authorized by part III of
10 chapter 39, and as may be deemed necessary or convenient by the
11 corporation for the purposes of this chapter.

12 (b) A trust indenture may allow the corporation to pledge
13 and assign to the trustee loans and other agreements related to
14 the project facility, and the rights of the corporation
15 thereunder, including the right to receive revenues thereunder
16 and to enforce the provision thereof.

17 (c) A trust indenture shall also contain provisions as to:

18 (1) The investment of the proceeds of the revenue bonds,
19 the investment of any reserve for the bonds, the
20 investment of the revenues of the project facility,
21 and the use and application of the earnings from
22 investments; and

6 payment of the bonds and the use and application of
7 the moneys derived from the foreclosure.

8 (d) A trust indenture may also contain provisions deemed
9 necessary or desirable by the corporation to obtain or permit,
10 by grant, interest, subsidy, or otherwise, the participation of
11 the federal government in the financing of the costs of
12 undertaking the project facility.

13 § -16 **Use of public lands; acquisition of state lands.**

14 (a) Notwithstanding chapter 171 to the contrary, the department
15 of land and natural resources may transfer lands under its
16 jurisdiction to the corporation for its use.

17 (b) If state lands under the control and management of
18 other public agencies are required by the corporation for its
19 purposes, the agency having the control and management of those
20 required lands, upon request by the corporation and with the
21 approval of the governor, may lease the lands to the corporation

1 upon such terms and conditions as may be agreed to by the
2 parties.

3 (c) Notwithstanding subsection (b) to the contrary, no
4 public lands shall be leased to the corporation if the lease
5 would impair any covenant between the State or any county, or
6 any department or board thereof, and the holders of bonds issued
7 by the State or the county, department, or board.

8 § -17 Hawaii public land development revolving fund;
9 established; use of corporation funds. (a) There is
10 established the Hawaii public land development revolving fund,
11 to which shall be credited any state appropriations to the fund
12 or other moneys made available to the fund, to be expended as
13 directed by the corporation.

14 (b) The corporation shall hold the fund in an account or
15 accounts separate from other funds. The corporation shall
16 invest and reinvest the fund and the income thereof to:

17 (1) Purchase qualified securities issued by enterprises
18 for the purpose of raising seed capital; provided that
19 the investment shall comply with the requirements of
20 this chapter;

1 (2) Make grants, loans, and provide other monetary forms
2 of assistance necessary to carry out the purposes of
3 this chapter; and

4 (3) Purchase securities as may be lawful investments for
5 fiduciaries in the State.

6 All appropriations, grants, contractual reimbursements, and
7 other funds not designated for this purpose may be used to pay
8 for the proper general expenses and to carry out the purposes of
9 the corporation.

10 (c) The corporation shall purchase qualified securities
11 issued by an enterprise only after:

12 (1) Receiving:

13 (A) An application from the enterprise containing a
14 business plan, which is consistent with the
15 business and public land development plan,
16 including a description of the enterprise and its
17 management, product, and market;

18 (B) A statement of the amount, timing, and projected
19 use of the capital required;

20 (C) A statement of the potential economic impact of
21 the enterprise, including the number, location,

- 1 (D) Any other information as the corporation shall
2 require;
- 3 (2) Determining, based upon the application submitted,
4 that:

6 to cover the seed capital needs of the
7 enterprise, except as authorized in this section;
- 8 (B) The enterprise has a reasonable chance of
9 success;
- 10 (C) The enterprise has the reasonable potential to
11 create employment within the State and offers
12 employment opportunities to residents;
- 13 (D) The coordinating entrepreneur and other founders
14 of the enterprise have already made or are
15 prepared to make a substantial financial and time
16 commitment to the enterprise;
- 17 (E) The securities to be purchased are qualified
18 securities;
- 19 (F) There is reasonable possibility that the
20 corporation will recoup at least its initial
21 investment; and

1 (G) Binding commitments have been made to the
2 corporation by the enterprise for adequate
3 reporting of financial data to the corporation,
4 which shall include a requirement for an annual
5 or other periodic audit of the books of the
6 enterprise, and for control by the corporation
7 that it considers prudent over the management of
8 the enterprise, in order to protect the
9 investment of the corporation, including
10 membership on the board of directors of the
11 enterprise, ownership of voting stock, input in
12 management decisions, and the right of access to
13 the financial and other records of the
14 enterprise; and

15 (3) Entering into a binding agreement with the enterprise
16 concerning the manner of payback by the enterprise of
17 the funds advanced, granted, loaned, or received from
18 the corporation. The manner of payback may include
19 the payment of dividends, returns from the public sale
20 of corporate securities or products, royalties, and
21 other methods of payback acceptable to the
22 corporation. In determining the manner of payback the

1 corporation shall establish a rate of return or rate
2 of interest to be paid on any investment, loan, or
3 grant of corporation funds under this section.

4 (d) If the corporation makes a direct investment, it shall
5 also find that a reasonable effort has been made to find a
6 professional investor to make an investment in the enterprise as
7 a coventure, and that the effort was unsuccessful. The
8 findings, when made by the corporation, shall be conclusive.

9 (e) The corporation shall make investments in qualified
10 securities issued by an enterprise in accordance with the
11 following limits:

12 (1) Not more than \$500,000 shall be invested in the
13 securities of any one enterprise, except that more
14 than a total of \$500,000 may be invested in the
15 securities of any one enterprise, if the corporation
16 finds, after its initial investment, that additional
17 investments in that enterprise are required to protect
18 the initial investment of the corporation, and the
19 other findings set forth in subsections (d) and (e)
20 are made as to the additional investment;

21 (2) The corporation shall not own securities representing
22 more than forty-nine per cent of the voting stock of

1 any one enterprise at the time of purchase by the
2 corporation after giving effect to the conversion of
3 all outstanding convertible securities of the
4 enterprise, except that in the event of severe
5 financial difficulty of the enterprise, threatening
6 the investment of the corporation in the enterprise, a
7 greater percentage of those securities may be owned by
8 the corporation; and

9 (3) Not more than fifty per cent of the assets of the
10 corporation shall be invested in direct investments at
11 any time.

12 (f) No investment, loan, grant, or use of corporate funds

1 § -31 **Acquisitions of appropriate public lands**

2 **authorized by the legislature.** (a) The legislature may
3 authorize the corporation to acquire non-public lands for the
4 purposes of this chapter.

5 (b) The acquisition shall be authorized by a bill enacted
6 into law and shall contain:

7 (1) A statement of the value of the interest in land as a
8 resource to the State;

9 (2) A description of the specific parcel of land or
10 easement proposed to be acquired;

11 (3) The name of the owner of the property; and

12 (4) The estimated costs of acquiring the interest in the
13 land.

14 (c) The landowner shall receive payment for the interest
15 in the land in a lump sum, through an installment purchase
16 agreement as determined pursuant to section § -32, or from
17 revenues derived from the issuance of revenue bonds pursuant to
18 section § -32.

19 § -32 **Acquisitions; payment.** (a) If the landowner
20 agrees to the sale of the interest in lands pursuant to section
21 § -31, the landowner and the corporation shall agree on
22 whether the landowner shall receive payment for the interest in

1 a lump sum or through an installment purchase agreement pursuant
2 to section § -33.

3 (b) The corporation may make payments from moneys
4 appropriated by the legislature.

5 § -33 **Installment purchase agreements; interest payment.**

6 (a) The legislature may authorize the corporation to negotiate
7 installment purchase agreements for the acquisition of specific
8 parcels of land for the purposes of this chapter. The
9 installment purchase agreements shall be structured pursuant to
10 the requirements of the Internal Revenue Code, to defer
11 recognition of capital gain until all of the purchase price is
12 paid. The agreement shall include provisions for the periodic
13 payment of a portion of the purchase price with the remainder of
14 the purchase price paid at the end of the term of the agreement.
15 The legislature shall authorize the purchase of United States
16 Treasury zero coupon bonds for the installment purchase
17 agreement with a maturity date equal to the term of the
18 agreement.

19 (b) The interest rate paid on the installment purchase
20 agreement shall be not less than the interest rate on the zero
21 coupon bonds at the closing of the agreement or eight per cent,
22 whichever is higher.

1 (c) The corporation shall make semi-annual interest
2 payments on the outstanding balance of the installment purchase
3 agreement purchase price."

4 **PART II**

5 **REHABILITATION OF THE ALA WAI SMALL BOAT HARBOR**

6 SECTION 2. The department of land and natural resources,
7 through its division of boating and ocean recreation, operates
8 and manages 21 harbors, 50 boat ramps, 2,122 moorings and
9 berths, and 19 piers spread throughout the various counties of
10 the State. The legislature finds that these ocean recreation
11 facilities, in light of the present demand, are in short supply
12 and, in most cases where they exist, are in dire need of long
13 overdue repair and maintenance. Some facilities are in such
14 need of repair and replacement that they cannot be used and pose
15 public safety hazards.

16 One of these facilities, the Ala Wai small boat harbor, has
17 been the recipient of some recent badly needed repair and
18 replacement of floating docks; however, the need for further
19 maintenance remains unfulfilled. In spite of its needs, the Ala
20 Wai small boat harbor includes certain assets within its
21 facilities that are under-used and, if properly developed, can
22 potentially generate revenues that can benefit not only its

1 continued improvement and maintenance but also benefit the rest
2 of the facilities now operated by the division of boating and
3 ocean recreation.

4 The legislature finds that the State cannot afford the huge
5 loss in the valuable asset that a further decline of the State's
6 small boat harbors would pose.

7 The purpose of this part is to:

- 8 (1) Allow the limited issuance of commercial use permits
9 for vessels with assigned moorings in Ala Wai and
10 Keehi harbors;
- 11 (2) Provide for future mooring fees to be established by
12 appraisal by a state-licensed appraiser; and
- 13 (3) Direct the department of land and natural resources to
14 use the request for proposals process to enter into a
15 public-private partnership for the development of
16 portions of Ala Wai small boat harbor facilities that
17 are presently under-used to maximize the revenue
18 potential from its facilities.

19 SECTION 3. Section 200-2.5, Hawaii Revised Statutes, is
20 amended by amending subsections (b) and (c) to read as follows:

21 "(b) The permissible uses under any lease disposed of
22 under this section shall be consistent with the purpose for

1 which the land was set aside by the governor pursuant to section
2 171-11. Permissible uses may include any use that will
3 complement or support the ocean recreation or maritime
4 activities of state boating facilities.

5 (c) Disposition of public lands of state boating
6 facilities constructed, maintained, and operated in accordance
7 with this chapter shall not exceed a maximum term of [~~fifty-~~
8 ~~five~~] sixty-five years."

9 SECTION 4. Section 200-8, Hawaii Revised Statutes, is
10 amended to read as follows:

11 "[+]§200-8[+] **Boating program; payment of costs.** The cost
12 of administering a comprehensive statewide boating program,
13 including[~~7~~] but not limited to[~~7~~] the cost of:

- 14 (1) Operating, maintaining, and managing all boating
15 facilities under the control of the department;
16 provided that any fees collected from state small boat
17 harbors shall only be expended on costs related to the
18 operation, upkeep, maintenance, and improvement of
19 state small boat harbors;
- 20 (2) Improving boating safety;
- 21 (3) Operating a vessel registration and boating casualty
22 investigation and reporting system; and

1 (4) Other boating program activities,
2 shall be paid from the boating special fund. The amortization
3 (principal and interest) of the costs of capital improvements
4 for boating facilities appropriated after July 1, 1975,
5 including [] but not limited to [] berths, slips, ramps, related
6 accommodations, general navigation channels, breakwaters, aids
7 to navigation, and other harbor structures, may be paid from the
8 boating special fund or from general revenues as the legislature
9 may authorize in each situation. Revenues provided in this
10 chapter for the boating special fund shall be at least
11 sufficient to pay the special fund costs established in this
12 section."

13 SECTION 5. Section 200-9, Hawaii Revised Statutes, is
14 amended to read as follows:

15 "**§200-9 Purpose and use of state small boat harbors.** (a)

16 State small boat harbors are constructed, maintained, and
17 operated for the purposes of:

- 18 (1) Recreational boating activities;
- 19 (2) Landing of fish; and
- 20 (3) Commercial vessel activities.

21 For the purpose of this section, "recreational boating
22 activities" means the [utilization] use of watercraft for

1 sports, hobbies, or pleasure, and "commercial vessel activities"
2 means the ~~[utilization]~~ use of vessels for activities or
3 services provided on a fee basis. To implement these purposes,
4 only vessels in good material and operating condition that are
5 regularly navigated beyond the confines of the small boat
6 harbor~~[7]~~ and ~~[which]~~ that are used for recreational activities,
7 the landing of fish, or commercial vessel activities shall be
8 permitted to moor, anchor, or berth at ~~[such]~~ a state small boat
9 harbor or use any of its facilities.

10 (b) Vessels used for purposes of recreational boating
11 activities ~~[which]~~ that are also the principal habitation of the
12 owners shall occupy no more than one hundred twenty-nine berths
13 at Ala Wai boat harbor and thirty-five berths at Keehi boat
14 harbor, which is equal to fifteen per cent of the respective
15 total moorage space that was available as of July 1, 1976, at
16 the Ala Wai and Keehi boat harbors. ~~[Notwithstanding the~~
17 ~~purposes of small boat harbors, moorage for commercial vessels~~
18 ~~and commercial vessel activities is not permitted in the Ala Wai~~
19 ~~and Keehi boat harbors; provided that]~~

20 (c) The total number of valid commercial use permits that
21 may be issued for vessels assigned mooring in Ala Wai boat
22 harbor shall not exceed fifteen per cent of the total berths and

1 shall not exceed thirty-five per cent of the total berths at the
2 Keehi boat harbor; provided that at the Ala Wai boat harbor,
3 vessels issued commercial use permits shall:

4 (1) Not exceed sixty-five feet in length;

5 (2) Occupy not more than fifty-six berths located along
6 the row of berths furthestmost mauka or adjacent to
7 Holomua street, with the remainder located throughout
8 the Ala Wai boat harbor, with a priority assigned to
9 row seven hundred and row eight hundred;

10 (3) Be phased-in in a manner that does not displace any
11 existing recreational boater or existing catamaran
12 operator; and

13 (4) Include commercial catamarans, for which valid
14 commercial use permits or existing registration
15 certificates have been issued by the department
16 [which] that allow the catamarans to operate upon
17 Waikiki shore waters for hire [~~may be permitted to~~
18 ~~moor in Ala Wai boat harbor at facilities leased for~~
19 ~~commercial purposes~~].

20 The department shall allow a sole proprietor of a catamaran
21 operating with a valid commercial use permit or existing
22 registration certificate, issued by the department, for a

1 commercial catamaran to land its commercial catamaran on Waikiki
2 beach and to operate upon Waikiki shore waters for hire, to
3 transfer the ownership of the vessel from personal ownership to
4 corporate or other business ownership without terminating the
5 right to operate under the commercial use permit or existing
6 registration certificate. The existing commercial use permit or
7 existing registration certificate shall be reissued in a timely
8 manner in the name of the transferee corporation or other
9 business entity. No valid commercial use permit or existing
10 registration certificate issued to an owner of a commercial
11 catamaran operating in the Waikiki area shall be denied or
12 revoked without a prior hearing held in accordance with chapter
13 91.

14 [~~(e)~~] (d) Notwithstanding any limitations on commercial
15 permits for Maui county small boat facilities, vessels engaging
16 in inter-island ferry service within Maui county shall be
17 afforded preferential consideration for ferry landings,
18 including the issuance of a commercial operating permit and the
19 waiver of any applicable fees, at Maui county small boat
20 facilities; provided that:

21 (1) The vessel operator has been issued a certificate of
22 public convenience and necessity for the purpose of

1 engaging in inter-island ferry service that includes a
2 route within Maui county;

3 (2) The design and performance characteristics of the
4 vessel will permit safe navigation within the harbor
5 entrance channel and safe docking within Maui county
6 small boat facilities;

7 (3) The vessel operations will not result in unreasonable
8 interference with the use of Maui county small boat
9 facilities by other vessels; and

10 (4) All preferential consideration and waivers, including
11 any commercial permits issued under this section,
12 shall cease upon the vessel operator's termination of
13 inter-island ferry service within Maui county.

14 [~~d~~] (e) The chairperson may adopt rules pursuant to
15 chapter 91 to further implement this section."

16 SECTION 6. Section 200-10, Hawaii Revised Statutes, is
17 amended by amending subsection (c) to read as follows:

18 "(c) The permittee shall pay moorage fees to the
19 department for the use permit that shall be based on[7] but not
20 limited to[7] the use of the vessel, its effect on the harbor,
21 use of facilities, and the cost of administering this mooring
22 program; and, furthermore:

1 (1) ~~[Moorage]~~ Except for commercial maritime activities
2 where there is a tariff established by the department
3 of transportation, moorage fees shall be established
4 by appraisal by a state-licensed appraiser approved by
5 the department and shall be higher for
6 nonresidents~~[+]~~. The mooring fees shall be set by
7 appraisal categories schedule A and schedule B, to be
8 determined by the department, and may be increased
9 annually by the department, to reflect a cost-of-
10 living index increase;

11 (2) For commercial maritime activities where there is a
12 tariff established by the department of
13 transportation, harbors division, the department may
14 adopt the published tariff of the department of
15 transportation, harbors division, or establish the fee
16 by appraisal by a state licensed appraiser approved by
17 the department; and

18 ~~[+2]~~ (3) An application fee shall be collected when
19 applying for moorage in state small boat harbors and
20 shall thereafter be collected annually when the
21 application is renewed. The application fee shall be:

22 (A) Set by the department; and

1 (B) Not less than \$100 for nonresidents;

2 [~~3~~] (4) If a recreational vessel is used as a place of
3 principal habitation, the permittee shall pay, in
4 addition to the moorage fee, a liveaboard fee that
5 shall be calculated at a rate of:

6 (A) \$5.20 a foot of vessel length a month if the
7 permittee is a state resident; and

8 (B) \$7.80 a foot of vessel length a month if the
9 permittee is a nonresident;

10 provided that the liveaboard fees established by this
11 paragraph may be increased by the department at the
12 rate of the annual cost-of-living index, but not more
13 than five per cent in any one year, beginning
14 [~~January~~] July 1 of each year; [~~and~~]

15 [~~4~~] (5) If a vessel is used for commercial purposes from
16 its permitted mooring, the permittee shall pay, in
17 lieu of the moorage and liveaboard fee, a fee based on
18 three per cent of the gross revenues derived from the
19 use of the vessel or two times the moorage fee
20 assessed for a recreational vessel of the same size,
21 whichever is greater~~[-]~~; and

1 (6) In addition, the department is authorized to assess
2 and collect utility fees, including electrical and
3 water charges, and common area maintenance fees in
4 small boat harbors."

5 SECTION 7. (a) Pursuant to section 200-2.5, Hawaii
6 Revised Statutes, the department of land and natural resources
7 is directed to lease certain fast lands at the Ala Wai harbor
8 using the request for proposals process for the public-private
9 development, management, and operation of areas of Ala Wai
10 harbor.

11 (b) The permissible uses under this lease shall include:

12 (1) A minimum of not less than one hundred twenty berths

15 vessels used for purposes of recreational boating
16 activities that are also the principal habitation
17 of the owners;

18 (B) Not more than thirty berths, including those
19 allowed pursuant to section 200-9(c), Hawaii
20 Revised Statutes, shall be available for vessels
21 issued commercial use permits; and

6 commercially acceptable percentage of the gross
7 receipts of the lessee from the developed leased
8 premises or a fair return on the fair market value of
9 the vacant leased premises, as determined by appraisal

10 by a state-licensed appraiser approved by the
11 department, with reasonable periodic step-ups in the
