Amended A G E N D A

Please note change in briefing location from Auditorium to Conference Room 309

The Senate Committee on Ways and Means and the House Committee on Finance will conduct a joint informational briefing on all grants-in-aid applications to the 2011 Legislature. The briefing will include applicants from Neighbor Islands and Oahu.

Applicants are not required to attend the joint briefing, and all grant-in-aid applications will be duly considered regardless of whether the applicants attend the briefings. Due to the volume of applications received, and to maximize efficiency, the following rules will be applied during the informational briefing:

1. Only one (1) representative per applicant will be called to provide information and answer questions; and
2. Each representative will be allowed no more than three (3) minutes to provide any additional information.
3. Neighbor Island applicants will be heard in alphabetical order first, followed by Oahu applicants in alphabetical order.

Additionally, representatives of the appropriate Executive Branch expending agencies responsible for the release and distribution of appropriated funds are also invited to participate in this process and be available to answer questions from the Committees about their respective analyses of grant-in-aid applicants' requests.
