HB 815
Status

RELATING TO PUBLIC EMPLOYEES.

FIN

Makes employer contributions to the employer-union health benefits trust fund non-negotiable under collective bargaining. Establishes employer contributions for active public employees at 50% of monthly cost of the health benefits plan. Limits the trust fund to offering to active employees a medical benefits plan that provides not more than the minimum benefits required under the Hawaii prepaid health care act. Requires the trust fund to offer separate prescription drug, dental, and vision plans. Takes effect on 7/1/2011, and is repealed on 6/30/2015, but does not affect collective bargaining contracts, the cost items of which were approved before the effective date.

NO TESTIMONY WILL BE ACCEPTED
