Re: Consideration and Confirmation as the Director for the Office of Environmental Quality Control, Gubernatorial Nominee, GARY HOOSER, for a Term to Expire June 30, 2015.

Aloha e Sen. Gabbard,

I am writing to support Gary Hooser's nomination as Director of the Office of Environmental Quality Control.

The OEQC mission is very important to Kamehameha Schools, which has stewardship kuleana for roughly 365,000 acres of land on O'ahu, Maui, Moloka'i, Kaua'i and Hawai'i Island. As a Hawaiian landowner, we are committed to ensuring the proper care for our lands. I believe Sen. Hooser will be a fair and transparent administrator of this important office.

Sincerely,

Dee Jay Mailer, CEO
Kamehameha Schools
