RE: Consideration and Confirmation of Peter Lee to the Contractors License Board for a term to expire 6-30-2015

GM 531 – Submitting for consideration and confirmation to the Contractors License Board, Gubernatorial Nominee, PETER LEE, for a term to expire June 30, 2015.

Aloha Chair Baker, Vice-Chair Taniguchi, and Members of the Committee:

My name is Clyde Hayashi and I am the director of Hawaii LECET (Laborers-Employers Cooperation and Education Trust). Hawaii LECET is a partnership between the Hawaii Laborers' Union, Local 368 and our union contractors.

I am submitting this testimony in **strong support** of the nomination of Peter Lee to serve on the Contractors License Board.

Mr. Lee has sixteen years of experience in the construction industry. His eleven years with The Pacific Resource Partnership and his nearly three years with Hawaii LECET partnership has given him experience and knowledge working with both partners. These partnerships are great examples of the union and unionized contractors working for the betterment of the larger construction industry. He also has become extremely familiar with two of the basic crafts.

Mr. Lee also has experience working for two local general contractors. He was able to experience where contractor license issues are actually applied...at the jobsite. Working for the general contractors has given him first-hand experience in seeing how the different trades, especially the basic crafts, work together on an actual project.

Mr. Lee's broad experience in the construction industry will be a valuable asset to the Contractor License Board.

Hawaii LECET respectfully asks your favorable consideration of the nomination of Peter Lee.

Thank you for the opportunity to submit this testimony.

NOTICE OF HEARING

DATE: Wednesday, March 30, 2011
TIME: 9:00a.m.
PLACE: Conference Room 229

The Honorable Senator Baker and Members of the Committee:

Ralph S. Inouye Co., Ltd. (RSI) and I personally **strongly support** the confirmation of **Peter Lee** as a member of the Contractors License Board. Although, I have had the privilege of working with **Mr. Lee** for only a couple of years, I have witnessed his willingness to work collaboratively to help solve problems relating to the construction industry. Perhaps an example would best illustrate this.

Just this year, the General Contractors Association of Hawaii (GCA), the Building Industry Association (BIA), and other construction industry firms were deeply concerned with the Intermediate Court of Appeals (ICA) case of *Group Builders vs. Admiral Insurance*, and the need to restore insurance coverage paid for that was taken away by the ICA decision. To help solve the problem, the Hawaii Laborers' and Employees' Cooperative Education Trust (LECET) Fund, of which **Mr. Lee** is the compliance officer, stepped up to help the GCA and BIA in its efforts and is continuing to do so.

In addition, **Mr. Lee** has willingly volunteered his time to help understand procurement issues by joining the board of the Hawaii Procurement Institute (HPI), a non-profit "think tank" organization for the promotion of State procurement education. He is also familiar with the construction industry work itself, having worked for both a General Contractor and a Subcontractor.

Accordingly, RSI and I personally **strongly support** the confirmation of **Peter Lee** as a member of the Contractors License Board.

Sincerely,

I have known Mr. Lee for more than six years through his work at the Pacific Resource Partnership and the Hawaii Procurement Institute. RE: GM531

Dear Senator Baker,

I am enclosing my resume as a nominee for the Hawaii Contractors Licensing Board. My background has given me a wide range of experiences on both the Labor and Management side of the construction industry that would contribute to the board's goals and objectives to protect the consumer by granting contractor licenses to qualified applicants. The board's duty includes adopting and enforcing rules, as well as, interpreting industry prevailing practice.

Currently, I am employed as the Construction Compliance Officer by the Hawaii Laborers-Employers Cooperation and Education Trust (LECET) Fund which is a joint fund representing the Hawaii Laborers' Union, Local 368, and its 250+ signatory general and specialty contractors.

Prior to joining Hawaii LECET, I was a Project Engineer at Rons Construction Corporation, a Project Manager at KD Construction, Inc, and held various positions at The Pacific Resource Partnership.

I am currently serving as a Director for the Hawaii Procurement Institute, and also a member of the Waipahu Neighborhood Board.

I am enthusiastic about this opportunity to serve the people of Hawaii and look forward to meeting with you.

Should you have any questions, please don't hesitate to contact me.
