**TESTIMONY ON GOVERNOR'S MESSAGE NO. 674**

**WRITTEN ONLY**

TO THE HONORABLE ROSALYN H. BAKER, CHAIR, AND MEMBERS OF THE  
COMMITTEE:

My name is Keali'i S. Lopez, and I am the Director of Commerce and Consumer Affairs ("DCCA" or the "Department"). The Department appreciates the opportunity to provide testimony on Governor's Message No. 674, regarding the appointment of Demetrio Y. Constantino to the Board of Professional Engineers, Architects, Surveyors, and Landscape Architects ("Board"). The Department supports Mr. Constantino's appointment and respectfully requests the Committee to recommend that the Senate advise and consent to his appointment to the Board.

The Department made contact with Mr. Constantino on the day of his wedding, and despite our abbreviated discussion, we believe that he possesses the qualifications,

background, and experiences to serve on the Board, and to contribute in a positive and constructive manner on matters that will come before the Board.

Mr. Constantino is a licensed electrical contractor in the State of Hawaii and has been involved in construction as the President of DYC Electric Service LLC since 2001. He has worked on various residential, commercial, industrial, and photovoltaic projects throughout the State.

Mr. Constantino is actively involved in his profession, serving as a member of the Board of Directors of the Oahu Contractors Association for the last two years. He also volunteers his services as an electrician for Lanakila Meals on Wheels and Ho'opono Center for the Blind.

Considering his experience and commitment to public and community service, I am confident that if given the opportunity, Mr. Constantino will prove to be a valuable asset to the State through his service on the Board. I respectfully request that the Committee recommend that the Senate advise and consent to Mr. Constantino's appointment.

Thank you for this opportunity to testify.
