Jenny Hausler will make a great addition to the Statewide Independent Living Council. She worked as a volunteer for the council for over one year, then worked part time as staff for the council. During that time she became familiar with the SILC, assisting with meeting preparation along with assisting and coordinating trainings for council members.

Her experience in State government, volunteer work with the American Cancer Society and other volunteer and community experiences gives Jenny skills that will be utilized by the council.

Re: GM 773 – JENNIFER HAUSLER

My name is Beverly Wong. I am in strong support of GM 773 appointing Gubernatorial Nominee Jennifer Hausler to the Statewide Independent Living Council for a term to expire June 30, 2014.

In addition to her superb qualifications as noted in her resume, I want to add my personal observation through 30 years as a co-worker and as a friend.

After losing her husband to cancer and being widowed with two young children, she impressed me greatly with her compassion and caring in helping others by forming an American Cancer Society supportive group called "Make Today Count". After 25 years, this group still meets monthly and has a newsletter to help survivors and family members who also lost loved ones to cancer.

With this concern and kindness for her fellowmen, I feel she will be a valuable asset to the Statewide Independent Living Council.

Thank you,
Beverly C. Wong
