Place: Conference Room 211, State Capitol

From: Dwight Y. Takamine, Director  
Department of Labor and Industrial Relations

**Re: H.B. 1513 HD1 SD1 Relating to the Weed and Seed Strategy**

The Department of Labor and Industrial Relations supports the intent of this measure to continue state support for a Weed and Seed Program. However, the department is concerned about an adverse impact to our priorities as indicated in our Executive Biennium Budget. Further, it should be noted that the HD1 of the budget bill includes a \$137,000 reduction in general funds for the Disability Compensation Division. DLIR would appreciate support of maintaining a minimum service level of our core programs before establishing a new program.

Thank you for the opportunity to provide testimony.

Office of Community Services  
Department of Labor and Industrial Relations

**TESTIMONY IN SUPPORT**

**Re: H.B. 1513 Relating to the Weed and Seed Strategy**

Good Morning Chair Ige, Vice Chair Kidani, and committee members. My name is Mila Kaahanui, Executive Director of the Office of Community Services (OCS), an agency administratively attached to the Department of Labor and Industrial Relations (DLIR). We appreciate this opportunity to testify in support of this measure.

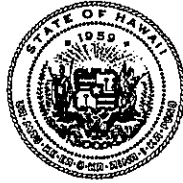

The Office of Community Services and the Weed and Seed Program as currently run have been partners for a number of years through the 42F grant process. We would like to confine our comments to the current incarnation of the bill.

Again, OCS wholeheartedly supports the creation of a program under LBR903. However, we will defer to the Legislature, the Governor, and Department of Budget and Finance, and our home Department of Labor and Industrial Relations with regards to any issue involving the funding priorities of the State.

OCS has two comments on the measure before you. 1) As the funding mechanism is A funds, OCS will be required to RFP out this program. Also, since there are four qualified sites, we must

make funds available to all eligible Weed and Seed sites. 2) Secondly, there is no mechanism for OCS to receive any administrative funds. Although, as explained in hearing for SCR 150, we do have CSBG funds to provide for staffing of programs, an exclusion of any money from the state for a State-funded program may violate certain rules for these Federal funds. OCS requests an amount of 5% to fund part of one specialist's time to administer the program and leverage the Federal funds.

We appreciate the opportunity to testify on this measure.

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513, H.D. 1, S.D. 1 - RELATING TO THE WEED AND SEED STRATEGY  
Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

Aloha. My name is Kelli Buenconsejo and I am a Public Health Nurse that works closely with the District 3 Waipahu Weed and Seed Program. I have volunteered to help in events sponsored by Weed and Seed because I believe that they are continuously working to improve the Waipahu community. I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I am an avid supporter of Weed and Seed because I have seen the improvement in my community through decreased crime and increased community awareness of illegal activities. They have realized that crime prevention must start at a younger age and they work with elementary, intermediate and high school students to combat and prevent substance abuse, truancy and gang involvement. They've organized graffiti paint outs and participated in beautification projects. They've assisted in creating

neighborhood security watches in the most at-risk neighborhoods and have empowered the residents to report illegal activities promptly. They've recently partnered with "Gear Up Waipahu" to create the FRESH START program which targets 9<sup>th</sup> grade students who are on the verge of failing or who are repeating the 9<sup>th</sup> grade. They are planning weekly learning excursions to teach the students the importance of completing high school.

They are an integral part of the Waipahu Community Coalition and help to provide safe, healthy, drug-free activities for the residents of Waipahu. It is a pleasure working with such dedicated professionals to improve Waipahu and I look forward to working with them in future projects.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community. I urge you to support H.B. 1513, H.D. 1, S.D. 1.

Sincerely,

Kelli L. Buenconsejo, RN

Re: HB1513, Relating to the WEED & SEED STRATEGY

WRITTEN TESTIMONY ONLY

Dear Chairman Ige,

The YMCA of Honolulu (the Y) writes in strong support of HB1513 relating to the WEED & SEED Strategy. The Y respectfully requests that the Committee on Ways & Means pass this Bill out of Committee.

As you know, Weed & Seed is a comprehensive strategy to assist communities by bringing people and resources together to prevent and reduce crime and improve the quality of life. One of the keys to Weed & Seed is that it directly involves communities in solving their challenges. This model has proved very successful in Hawaii. The Y has been honored to work on the Weed & Seed initiative and by doing so, help meet its commitment to promoting social responsibility.

The success of Weed & Seed in part is due to in-kind and monetary contributions from businesses and small local grants. HB1513 would, among other things, appropriate State monies for the Weed & Seed Strategy. The Y believes that this Bill would be a sound investment in some of our most challenged communities.

Thank you for your consideration of HB1513.

Sincerely,

  
Michael F. Broderick  
President & CEO

# Meadow Gold Dairies

Testimony by: Glenn Muranaka  
HB 1513sd1, Weed and Seed Strategy  
Sen WAM, Friday, April 1, 2011 – 9:00 am  
Room 211  
Position: Support

Chair Ige and Members of the Senate WAM Committee:

My name is Glenn Muranaka, President and General Manager of Meadow Gold Dairies. Our company has been in Hawaii since 1897—114 years, providing Hawaii consumers with a variety of milk products and juices. Meadow Gold's long history has not come without effort. We continually adapt to our customers' and consumers' ever-changing needs, and we constantly evolve along with our industry, our community and our market. Over the years, this has required that we struggle, tighten our belts, innovate and work extremely hard, making us a better company in the process. The foundation of this work rests with the 350 employees that are committed to providing superior quality products.

We strongly support the program and believe that it is an effective program that does "weed" out criminal elements in targeted communities. Through partnerships with human service organizations as well as businesses and residents, the program plants "seeds" for neighborhood revitalization projects and activities.

We recognize that funding requests are very difficult in these economic times. However, the collaboration model among the county, state, federal agencies and the private sector have proven successful and demonstrate its effectiveness.

Thank you for the opportunity to submit testimony. If you have any questions, please contact me at 944-5911.

**Re: HB 1513.H.D.1, S.D.1 RELATING TO THE WEED AND SEED STRATEGY**

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

I am appealing for your support of HB 1513.HD1, S.D.1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped dramatically reduce violent crime and drug-related crimes.

The Weed and Seed Strategy has been and continues to be a major factor in improving the health and safety of my community. The truancy rate at area schools has fallen significantly since Weed & Seed came to 'Ewa Beach. Officers, residents and students walk neighborhood streets regularly as part of citizen patrols. In addition, Weed and Seed organizes volunteers to paint out graffiti and clean up parks, and provides valuable life skills and job training via "seeding" efforts such as the summer culinary arts program. By having the Weed & Seed police officers working hand in hand with residents, students, and businesses, fear is replaced by respect – and residents are inspired to work together to keep our community clean and safe.

Weed and Seed is an indispensable organizational tool and community resource whose strategy must be continued. Your support of this important initiative will ensure that community leaders and partners continue to build and maintain a strong network of committed citizens who work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community, I urge you to support HB 1513.H.D.1, S.D.1

Thank you for your support and consideration

Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

Aloha. My name is Walter Osakoda and I am the Treasurer of the Waipahu Community Association. The Waipahu Community Association was responsible for the implementation of the Weed and Seed program in Waipahu till 2009. I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I am an avid supporter of Weed and Seed because the program has made a big impact in our community by reducing Crime through social, economic, and educational projects in the target area.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community. I urge you to support H.B. 1513, H.D. 1, S.D. 1.

Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

Aloha. My name is Carol Brack and I am the Executive Vice President and Property Manager for the Waipahu Town Center ("WTC"). Over the last ten years, I have had several Weed & Seed officers involved with the many promotional events sponsored by WTC, in which their presence has always made a positive impact within the community. This includes their time spent providing the ever popular "Keiki ID Cards", appearances by McGruff & Scruff, and keeping a watchful eye over the crowds. I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

As a Property Manager, WTC decided to help Weed & Seed with the Fresh Start program at Waipahu High School, upon realizing how many freshman students would fail their first year in school and the potential of not graduating. These young teenagers are our future generation, and they need the continued guidance and support to assist them in seeking successful lives!

The Honorable David Y. Ige, Chair, and Members  
Senate Committee on Ways and Means  
State Capitol, Room 215  
Honolulu, HI 96813  
Dear Senator Ige and Members:

RE: H.B. 1513, H.D. 1, S.D. 1 RELATING TO THE WEED AND SEED STRATEGY

Aloha. As Chairs of the Weed and Seed Steering Committees for the Kalihi-Palama-Chinatown, Ala Moana-Sheridan-McCully, Waipahu and Ewa Beach sites, we would like to express our strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

Operation Weed and Seed (W&S) is a U.S. Department of Justice initiative that was established in 1991. It is a community-based, multi-agency approach to addressing violent crime, gang activity, drug use, and drug trafficking in communities that were hardest hit by violence and eroding social and economic stability. The W&S strategy is based on a two-pronged approach:

- 1) Law Enforcement agencies and criminal justice officials cooperate with local residents to **"weed out"** criminal activity in the designated area.
- 2) Social service providers and economic revitalization efforts are introduced to **"seed"** the area, ensuring long-term positive change and a higher quality of life for residents.

In the Kalihi-Palama-Chinatown, Ala Moana-Sheridan-McCully communities, Weed & Seed has helped to actively enforce against teen drinking, juvenile involvement with gangs, truancy and curfew violations, drug trafficking, car break-ins, prostitution and gambling. There has been an increase in the monitoring of schools and public parks for those drinking in public and creating graffiti. There has been an increase in Citizen's Patrol participation, and a forum has been developed for on-going education of volunteers in crime prevention strategies. W&S has worked with collaborative partner agencies to provide Late Night Basketball and Late Night Volleyball leagues for youth during summer and winter breaks, and has provided law enforcement as mentors to community youth through ropes course, glass-bottom boat fishing, and horseback riding excursions. It has further established community safe havens at Mayor Wright Homes and Kuhio Park Terrace to provide afterschool homework help and literacy services for public housing youth, and has also worked with faith-based partners to start-up and maintain the Life 360 "Total Life Turnaround" program on Sundays for youth from various public housing locations. W&S efforts in the area have been known to build community collaboration and increase agency-to-agency communication and partnership. The area's Neighborhood

Kalihi-Palama- Chinatown-Ala Moana-Sheridan, Waipahu, Ewa-Ewa Beach  
1335 Kalihi Street Honolulu, Hawaii 96819 808-848-2494 x823

Restoration projects have included: monthly Kalihi and Makiki Stream restoration projects, graffiti paint-outs, and bringing together of "area adoption" groups that take care of their immediate neighborhoods.

In Waipahu, W&S has helped to coordinate drug busts, truancy sweeps, warrant sweeps, drinking enforcement operations and parking enforcement efforts throughout the site. W&S has also helped to "seed" programs in the community. In partnership with GEAR Up Waipahu, New Hope Leeward and Waipahu High School, W&S is working with students who are currently failing or potentially failing their freshman school year. In partnership with the Federal Bureau of Investigations, high school youth are being mentored and taught skills in decision making, communication and teamwork. Through a partnership with Parks and Recreation Project Ho'omana, W&S works with truant youth to educate them on juvenile laws and to help them to make better choices. Through the Waipahu Community Coalition, W&S is able to co-sponsor community wide events such as the Waipahu 5K Cane Haul Run, 'Ohana Health and Empowerment Fair and Adopt-A-Family projects. Furthermore, W&S sponsors and supports ongoing neighborhood restoration projects such as the Waipahu Beautification Day, Project CLEAN, graffiti paint outs, Kapakahi Stream clean up, Aloha 'Aina Earth Day and the Pearl Harbor Bike Path clean up. W&S has established a safe haven at the Waipahu I housing project that is utilized by the public health nurses to provide health education, nutrition and exercise workshops for families. W&S also has established a sub-station in the site located in Oasis at Waipahu.

In Ewa Beach, W&S has also helped to coordinate drug busts and quarterly truancy sweeps at James Campbell High School. It has also coordinated a Drive Safe 4 Ewa and Kapolei campaign, instituted a successful Community Policing Program, performed park sweeps and other weeding activities. It has also helped to "seed" programs in the community – a summer culinary arts program for teens, junior golf, bowling, water sports, after-school programs at the Boys & Girls Club, microenterprise training classes, and more. Coordination of prevention efforts has been made possible through a community coalition called "EWAlution 96706" combining the word "evolution" and the unity of communities within Ewa Beach. EWAlution, which currently consists of 42 service providers, often does community service projects at James Campbell High School and Ilima Intermediate School. Community beautification efforts are ongoing, with regularly-scheduled graffiti paint-out days and community clean-up events. Partnering with the City Department of Environmental Services, James Campbell High School, and the Ewa Beach Lions Club, Weed and Seed hosts Make a Difference Day, which has been expanded to a quarterly community clean up event. Neighborhood Kokua Day, Adopt a Bus Stop and Adopt a Wall are additional examples of Weed and Seed at work in Ewa Beach.

These are just a sampling of ways that Weed & Seed has made our communities a better, safer place in which to live. It has been a great partnership with all involved and we desire to see a continuation of the collaborative effort to weed out crime in our communities and to seed positive programs.

Attached are copies of petitions signed by over 1,700 people who agree that W&S has been a successful strategy and that it should be continued. Although the petitions mention support for a Grant-in-Aid request for continuation of the Weed and Seed strategy (we also applied for grant-in-aid funds), it can be assumed that the signers are supportive of any means of funding to continue the W&S strategy. As further stated in the petition, **"We have found that Weed & Seed's collaborative strategy between residents, law enforcement, social agencies,**

**private businesses, and nonprofit organizations has been effective in reclaiming, restoring, and rebuilding our neighborhoods.”**

Thank you for the opportunity to testify in favor of this measure and to submit the petitions signed by the many supporters of the Weed and Seed strategy.

Sincerely,

Shaunna Okuda, Chair  
Kalihi-Palama-Chinatown, Ala Moana-Sheridan-McCully  
Weed and Seed Steering Committee

John Kauwenaole, Chair  
Waipahu Weed and Seed Steering Committee

Frances Rivero, Chair  
Ewa Weed and Seed Steering Committee

**PETITION IN SUPPORT OF AN APPROPRIATION FOR THE WEED & SEED STRATEGY**

We, the undersigned, strongly support the Grant-in-Aid request that was submitted to the 2011 State Legislature for continuation of the Weed and Seed strategy in the Kalihi-Chinatown-Ala Moana, Waipahu and Ewa communities. We have found that Weed & Seed's collaborative strategy between residents, law enforcement, social agencies, private businesses, and nonprofit organizations has been effective in reclaiming, restoring, and rebuilding our neighborhoods.

PETITION IN SUPPORT OF AN APPROPRIATION FOR THE WEED & SEED STRATEGY

We, the undersigned, strongly support the Grant-in-Aid request that was submitted to the 2011 State Legislature for continuation of the Weed and Seed strategy in the Kalihi-Chinatown-Ala Moana, Waipahu and Ewa communities. We have found that Weed & Seed's collaborative strategy between residents, law enforcement, social agencies, private businesses, and nonprofit organizations has been effective in reclaiming, restoring, and rebuilding our neighborhoods.

**PETITION IN SUPPORT OF AN APPROPRIATION FOR THE WEED & SEED STRATEGY**

We, the undersigned, strongly support the Grant-in-Aid request that was submitted to the 2011 State Legislature for continuation of the Weed and Seed strategy in the Kalihi-Chinatown-Ala Moana, Waipahu and Ewa communities. We have found that Weed & Seed's collaborative strategy between residents, law enforcement, social agencies, private businesses, and nonprofit organizations has been effective in reclaiming, restoring, and rebuilding our neighborhoods.

**PETITION IN SUPPORT OF AN APPROPRIATION FOR THE WEED & SEED STRATEGY**

*We, the undersigned, strongly support the Grant-in-Aid request that was submitted to the 2011 State Legislature for continuation of the Weed and Seed strategy in the Kalihi-Chinatown-Ala Moana, Waipahu and Ewa communities. We have found that Weed & Seed's collaborative strategy between residents, law enforcement, social agencies, private businesses, and nonprofit organizations has been effective in reclaiming, restoring, and rebuilding our neighborhoods.*

# PETITION IN SUPPORT OF AN APPROPRIATION FOR THE WEED & SEED STRATEGY

We, the undersigned, strongly support the Grant-in-Aid request that was submitted to the 2011 State Legislature for continuation of the Weed and Seed strategy in the Kalihi-Chinatown-Ala Moana, Waipahu and Ewa communities. We have found that Weed & Seed's collaborative strategy between residents, law enforcement, social agencies, private businesses, and nonprofit organizations has been effective in reclaiming, restoring, and rebuilding our neighborhoods.

**PETITION IN SUPPORT OF AN APPROPRIATION FOR THE WEED & SEED STRATEGY**

**We, the undersigned, strongly support the Grant-in-Aid request that was submitted to the 2011 State Legislature for continuation of the Weed and Seed strategy in the Kalihi-Chinatown-Ala Moana, Waipahu and Ewa communities. We have found that Weed & Seed's collaborative strategy between residents, law enforcement, social agencies, private businesses, and nonprofit organizations has been effective in reclaiming, restoring, and rebuilding our neighborhoods.**

**PETITION IN SUPPORT OF AN APPROPRIATION FOR THE WEED & SEED STRATEGY**

**We, the undersigned, strongly support the Grant-in-Aid request that was submitted to the 2011 State Legislature for continuation of the Weed and Seed strategy in the Kalihi-Chinatown-Ala Moana, Waipahu and Ewa communities. We have found that Weed & Seed's collaborative strategy between residents, law enforcement, social agencies, private businesses, and nonprofit organizations has been effective in reclaiming, restoring, and rebuilding our neighborhoods.**

The Honorable Senator David Ige, Chair  
The Honorable Senator Michelle Kidani, Vice Chair  
and Members of the Senate Ways and Means  
State Capitol  
Honolulu, Hawaii 96813

Dear Chair Ige, Vice Chair Kindani and Members of the Committee

**Re: HB 1513, H.D. 1, S.D. 1 - RELATING TO THE WEED AND SEED  
STRATEGY Decision Making Hearing: Friday, April 1, 2011, 9:00am,  
Conference Room 211**

Aloha. My name is Harlow Urabe, a community resident volunteer. I am a committee member of the Waipahu Community Coalition and also a member of the Waipahu Community Association. I write and speak in favor of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

I am appealing to you to please support H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The integrated, collaborative and cooperative effort involving law enforcement, residents, non-profit organizations, various community groups and a plethora of private businesses has helped reduce drug related and violent crimes in our communities.

I participate in community clean ups and graffiti paint outs and other community projects and have seen first hand the positive results in my community of the dedicated efforts of the Weed and Seed teams. At risk students and adults have been able to change their lives around and become contributory members of society due to the Weed and Seed strategy. The teams are the veritable anchor and rallying point for the community residents and entities and give a sense of permanence to a very successful program. In short, the residents have become accustomed to the Weed and Seed presence and I suspect that the less than desirable elements have as well. The fear in the community is that if the Weed and Seed strategy is compromised, crime of all kinds will increase and people won't feel safe in their own homes and neighborhoods. I have lived in Waipahu for over forty years and prior to that I grew up in Kalihi and Chinatown. My spouse worked in Ewa for more than two decades. All three communities are designated Weed and Seed areas and I have experienced what it's like to be a part of those neighborhoods. Your support of the aforementioned initiative will work toward preventing crime and growing strong, healthy communities.

I implore you to avidly support H.B. 1513, H.D. 1, S.D. 1.

Sincerely,

Harlow Larson Urabe  
Waipahu Resident

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513, H.D. 1, S.D. 1 - RELATING TO THE WEED AND SEED STRATEGY  
Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

Aloha. My name is Mildred Vogan and I am a Public Health Nurse at Leeward Oahu PHN Office. I have volunteered to help out with events sponsored by Weed & Seed because I feel Weed and Seed are of value to the community in their efforts to protect and educate the community on the effects of alcohol, drugs, and crime. They also provide education and activities to our venerable youth (that builds self esteem in their fragile lives).

I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community. I urge you to support H.B. 1513, H.D. 1, S.D. 1.

Sincerely,

Mildred Vogan Public Health Nurse

Phone: (808) 678-4278

**RE: H.B. 1513 HD1 SD1 RELATING TO THE WEED AND SEED STRATEGY**

Hearing: Friday, April 1, 2011  
Time: 9:00am  
Conference Room 211, State Capitol  
415 South Beretania Street

My name is Maile Kanemaru, Director of Honolulu Weed and Seed, and now retired from the YMCA of Honolulu. I have been the Director of Weed and Seed for the past 12 years.

I am testifying in strong support of HB 1513HD1SD1 to sustain the Weed and Seed Strategy in Kalihi/Palama/Chinatown/Ala Moana, Waipahu and Ewa/Ewa Beach.

We are acutely aware of the financial challenges facing this committee as it searches for funding resources. However, we believe that this request for funding will not only be a good return on investment of public funds, but will attract and leverage additional funding from other resources.

The four fundamental principles that underlie the Weed and Seed Strategy are:

- 1) Collaboration – Weed and Seed requires communities to establish a collaborative process to capitalize on the full potential that the systemic interaction can provide. Government, (Federal, State and Local), social service agencies, community organizations and residents play important roles in community safety.
- 2) Coordination – Weed and Seed helps bring together, the many agencies in the community and assists in the coordination of their activities. This eliminates overlap and duplication to get the maximum benefit from existing services and programs.
- 3) Community Participation – Communities that are empowered to solve their own problems function more effectively than communities that depend on services provided by outsiders. Weed and Seed has motivated residents to get involved.

4) Leveraging resources – Weed and Seed sites are expected to leverage all available resources to fully fund their strategies for law enforcement, crime prevention, and neighborhood revitalization.

- Last year, 2010, a total of \$52,577 was leveraged from many organizations for all three sites.
- A total of 1,517 volunteers participated in clean up campaigns and graffiti paint outs for a total of 378 hours or a value \$1,278,599 in labor hours. This figure was calculated based on the information from the independent sector web site on the value of volunteer time. [http://independentsector.org/volunteer\\_time](http://independentsector.org/volunteer_time)
- Through a relationship with the TARGET store, Weed and Seed was able to leverage surveillance cameras valued at \$100,000. These cameras are mobile and can be removed to use in other non Weed and Seed communities
- The Festival Market Place/Business Incubator Project in Waipahu has provided 18 tenant stalls, created over 200 jobs and is envisioned to be a model that can be "transplanted" to other rural areas in Hawaii.
- New businesses have established in the Waipahu Shopping Plaza including Jolibees Restaurant, Max's of Manila and Pacific Supermarket. This would not have been possible if crime was rampant in the community.
- The Ewa site has partnered with Empower Oahu to offer Microenterprise training classes for low-moderate income households who desire to learn how to establish and run their own businesses.
- Home ownership and foreclosure prevention counseling for Ewa Beach residents are also on the horizon. The Hawaii Home Ownership Center will be conducting workshops in the summer of 2011 on these topics.

Weed and Seed requires communities to establish a collaborative process to capitalize on the full potential that the interaction of stakeholders can provide. Such efforts encourage and bring about significant pressure that has led to the acquisition of additional resources.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued.

Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work to improve their communities to be a safe place to live and raise their families.

Thank you for your consideration.

Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

Aloha, my name is Barbara Tom and I am a Public Health Nurse and currently Chair the Waipahu Community Coalition. I have worked in Waipahu for over twenty years. As a Public Health nurse, my focus has been on populations, communities and the individuals and families living with them. Their health is impacted by many other factors in our community. In Waipahu our Weed & Seed area is in particular a challenging area with multiple ethnic groups, densely populated and with many needs. We are actively working with community partners like Weed and Seed to improve health through education on drugs and drug prevention in our schools, keeping our communities safe and clean as in our Graffiti paint outs and community clean up which all partners participate and collaborate in regularly with our Weed & Seed team, as well as our Ohana Health fair and numerous other community events which provide positive seeding activities to this community. I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

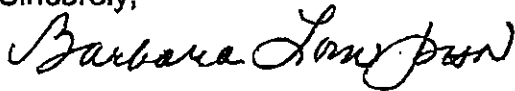

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I am an avid supporter of Weed and Seed because I see the importance of having a holistic team approach with Law Enforcement, community residents, and partnership from all organizations. We cannot do it with just our community partners without the key component of Law enforcement.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community. I urge you to support H.B. 1513, H.D. 1, S.D. 1.

Sincerely,

Barbara Tom PHN

The Honorable Senator David Ige, Chair  
The Honorable Senator Michelle Kidani, Vice Chair  
& Members of the Senate Ways and Means  
State Capitol  
Honolulu, Hawaii 96813

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513, H.D. 1, S.D. 1 - RELATING TO THE WEED AND SEED STRATEGY**  
**Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

I am writing to request your support of HB 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

Weed and Seed is a collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses that has helped to reduce violent and drug-related crimes in my community.

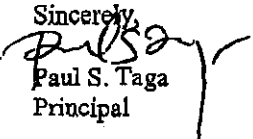

Waipahu Elementary School's support for Weed & Seed Waipahu is a direct result of the valuable service every member of that organization provides to not only our school, but also the entire Waipahu community. Weed & Seed Waipahu and the YMCA of Honolulu have partnered with our school in a variety of ways to support our students and families. The police officers and site coordinators assist us with our Drug Free parade through the community, they have done presentation to parents and families, and have also contributed to prevention efforts by mentoring our 6<sup>th</sup> grade students in rap sessions.

Beyond those significant efforts developed through our school partnership, I personally support and believe in the direction and goals of the Weed and Seed strategy. Coordination of effort and leveraging of resources has allowed progress to occur in shaping a prideful and more resourceful Waipahu community. Because of that I do participate in and support Weed and Seed activities whenever possible, even if these events are not school related.

Weed and Seed is an important organizational tool and community resource which needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community. I urge you to support HB 1513, H.D. 1, S.D. 1.

Sincerely,

Paul S. Taga  
Principal

Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

Aloha. My name is George Yakowenko and I have been a volunteer for the Harbor View Neighborhood Security Watch group for the past 22 years. I feel that it is important for the residents to become active in helping keep their neighborhood safe. The police are not staffed sufficiently to provide full protection to the residents.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I have been an active participant in the Waipahu Weed & Seed Program for over 10 years. I have seen firsthand the results which have greatly reduced the crime rates and have observed the restoration of the community by bringing together many residents, businesses and organizations to revitalize our community.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community. I urge you to support H.B. 1513, H.D. 1, S.D. 1.

Sincerely,

George Yakowenko  
94-260 Kipou St.

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513, H.D. 1, S.D. 1 - RELATING TO THE WEED AND SEED STRATEGY  
Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

Aloha. My name is Eulalia A. Corpuz and I am a resident of Waipahu and A Public Health Nurse serving in the Waipahu Community. I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

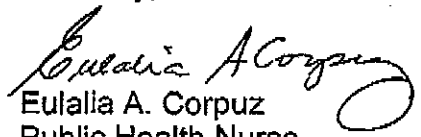

I am an avid supporter of Weed and Seed because Weed and Seed is one of our effective partners to maintain peace and order in the Waipahu community. Without Weed and Seed, truancy in the school will increase, violence and drug trafficking will also be a major issue. For example: Weed and Seed supports the 3 and 3 Basketball tournament event where school children play basketball in teams and play against each other. I had the opportunity to be a part of this event last year and I believe it is an effective strategy. It promotes better self esteem and socialization skills. More importantly, it keeps the school children healthy, better citizens and a safer community to live in.

In addition, Weed and Seed is also our partner and supporter in our Women's Group in the Pupu areas in Waipahu. During our weekly meetings, the Public Health Nurses and Weed and Seed officers collaborate to provide health and public safety education to the Micronesian women. These Micronesian women practice what they learn at the meeting at home and to their own Micronesian community.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community. I urge you to support H.B. 1513, H.D. 1, S.D. 1.

Sincerely,

Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

Aloha. My name is Mildred Vogan and I am a Public Health Nurse at Leeward Oahu PHN Office. I have volunteered to help out with events sponsored by Weed & Seed because I feel Weed and Seed are of value to the community in their efforts to protect and educate the community on the effects of alcohol, drugs, and crime. They also provide education and activities to our venerable youth (that builds self esteem in their fragile lives).

I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513, H.D. 1, S.D. 1 - RELATING TO THE WEED AND SEED STRATEGY  
Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

My name is Richelle Buenafe and I have lived in Waipahu for over 20 years. I am writing in strong support of H.B. 1513, H.D. 1, S.D. 1, to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes. These efforts have also led to more positive activities for our youth and ongoing neighborhood restoration projects.

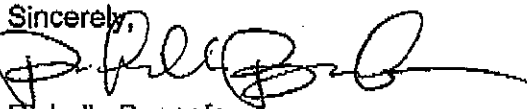

I truly love Waipahu because this is where I grew up, attended school and now, have chosen to live. I believe that if we invest our time, energy and resources into our youth, that they will grow up to be responsible, caring and contributing adults who will in turn want to give back to their community. I believe Weed and Seed is the most effective tool that we have today to address the needs of the community and in particular, the youth.

For several years, I have volunteered to help Weed and Seed with their annual 3-on-3 basketball tournament and Waipahu 5K Cane Haul Run. In my work as a youth counselor, I have brought youth to do community service with Weed and Seed officers because I know that these opportunities will teach them lifelong lessons. For youth to be able to work side by side with law enforcement is powerful. I respect the officers for mentoring our youth through the schools and appreciate the fact that residents have the "Safe Haven" to go to when they need help.

**I continue to support Weed and Seed because it benefits the entire community.**

I humbly ask for your support of H.B. 1513, H.D. 1, S.D. 1. Weed and Seed is very important to the community and I would like to see it continue.

Sincerely,

Richelle Buenafe  
Waipahu Resident

**Re: HB 1513, H.D. 1, S.D. 1 - RELATING TO THE WEED AND SEED STRATEGY  
Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

My name is Kelly Miyamoto and I am a Department of Health Public Health Nurse and work in the Waipahu and Ewa Beach communities. I have volunteered my time to help out with the Weed & Seed efforts because I believe these activities can help improve the community's sense of pride and can help transform it into a healthier and safer place where residents can live an active and healthy lifestyle. I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

As a Public Health Nurse, I have seen Weed & Seed's collaboration and partnership with community organizations, like the Waipahu Community Coalition, and the "fruits" of their labor and dedication. I was involved in several Weed & Seed sponsored events, such as the 2<sup>nd</sup> Annual Cane Haul Run in Waipahu, the clean up of Kapakahi Stream, and the 'Ohana Health and Empowerment Fair. One of my client's family also benefited from their Shop with a Cop program. All of these activities have helped to strengthen the community by focusing on improving the health of community residents and to promote a positive image of Waipahu.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Aloha. My name is Hercules K. Huihui and I am a resident of the Pupu area in Waipahu for the past 17 years, I am also a member of the WCA (Waipahu Community Association) board of directors representing community since 2000. This is the year weed and seed began! what a God sent as meth labs in our community were shut down when the weeding took plight. Our steering committee back in 2000 was not active, as for todays steering committee I serve proudly representing the community that has been impacted in a positive way. I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I am an avid supporter of weed and seed because I've seen the good that this program has afforded our community, with it's continued support weed and seed will help to deter drugs, crime, and prostitution from invading our community of Waipahu. Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community. I urge you to support H.B. 1513, H.D. 1, S.D. 1.

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513, HD1, SD1 – RELATING TO THE WEED AND SEED STRATEGY**

I am appealing for your support of HB 1513, HD1, SD1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

Empower Oahu has worked with Weed and Seed in each of the project communities through its Community Strengthening Programs and recognizes the role it plays in meeting the social and economic objectives in each communities Neighborhood Plan.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities. Weed and Seed is very important to the community, I urge you to support HB 1513.

Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

My name is Gale Mejia, a community partner of Weed & Seed and former Waipahu resident. I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

I am appealing for your support of H.B. 1513, H.D. 1, S.D. 1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I am an avid supporter of Weed and Seed because they provide career presentations and drug prevention workshops to GEAR UP students. In addition, we have initiated a new program with Weed and Seed, Waipahu High School and other Waipahu organizations and businesses to address truancy and juvenile delinquency. Fresh Start is a two-fold program that empowers parents of students who are on the verge of failing the 9<sup>th</sup> grade and inspire those 9<sup>th</sup> graders to get back on the right track.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community. I urge you to support H.B. 1513, H.D. 1, S.D. 1.

 State Capitol  
 Honolulu, Hawaii 96813

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513.H.D.1, S.D.1. RELATING TO THE WEED AND SEED STRATEGY**

I am writing to request your support of hb 1513.HD1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

Weed and Seed is a collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses that has helped to reduce violent and drug-related crimes in my community. Truancy rates have dropped to a minimum, youth are being more pro-active in programs that keeps them off the streets and into programs as;

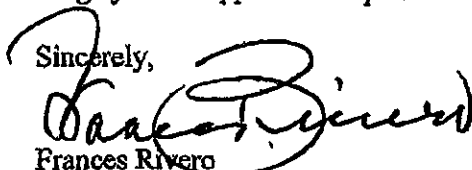

- Culinary program for those students not meeting their high school credits in order to graduate
- Jr. Golf program, H2O (Health 2 Ocean) program, Jr. Bowling, Keiki Kupuna support, and intramural programs at the middle school

But more so the Weed and Seed program being in our committees have lessen not only graffiti, but have successful drug bust and arrest, have increased Citizen Patrol and neighborhood watch groups and continue to provide mentorship and training to both youth and adults. Servicing our Senior Citizens, homeowners and those less unfortunate by means of providing safety training to protect themselves and homes, or providing perishable and non-perishable food items to the needy.

Weed and Seed is an important organizational tool and community resource which needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

I urge you to support the request for the Weed and Seed Grant-In-Aid.

"The Positive Place for Kids"

March 29, 2011

The Honorable David Y. Ige, Chair, and Members  
Senate Committee on Ways and Means  
State Capitol, Room 215  
Honolulu, HI 96813  
Dear Senator Ige and Members:

RE: H.B. 1513, H.D. 1, S.D. 1 RELATING TO THE WEED AND SEED STRATEGY

Aloha.

I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

Operation Weed and Seed (W&S) is a U.S. Department of Justice initiative that was established in 1991. It is a community-based, multi-agency approach to addressing violent crime, gang activity, drug use, and drug trafficking in communities that were hardest hit by violence and eroding social and economic stability. The W&S strategy is based on a two-pronged approach:

- 1) Law Enforcement agencies and criminal justice officials cooperate with local residents to "weed out" criminal activity in the designated area.
- 2) Social service providers and economic revitalization efforts are introduced to "seed" the area, ensuring long-term positive change and a higher quality of life for residents.

In Ewa Beach, W&S has also helped to coordinate drug busts and quarterly truancy sweeps at James Campbell High School. It has also coordinated a Drive Safe 4 Ewa and Kapolei campaign, instituted a successful Community Policing Program, performed park sweeps and other weeding activities. It has also helped to "seed" programs in the community – a summer culinary arts program for teens, junior golf, bowling, water sports, after-school programs at the Boys & Girls Club, microenterprise training classes, and more. Coordination of prevention efforts has been made possible through a community coalition called "EWAlution 96706" combining the word "evolution" and the unity of communities within Ewa Beach. EWAlution, which currently consists of 42 service providers, often does community service projects at James Campbell High School and Ilima Intermediate School. Community beautification efforts are ongoing, with regularly-scheduled graffiti paint-out days and community clean-up events. Partnering with the City Department of Environmental Services, James Campbell High School, and the Ewa Beach Lions Club, Weed and Seed hosts Make a Difference Day, which has been expanded to a quarterly community clean up event. Neighborhood Kokua Day, Adopt a Bus Stop and Adopt a Wall are additional examples of Weed and Seed at work in Ewa Beach.

These are just a sampling of ways that Weed & Seed has made our communities a better, safer place in which to live. It has been a great partnership with all involved and we desire to see a continuation of the collaborative effort to weed out crime in our communities and to seed positive programs.

---

**"We have found that Weed & Seed's collaborative strategy between residents, law enforcement, social agencies, private businesses, and nonprofit organizations has been effective in reclaiming, restoring, and rebuilding our neighborhoods."**

Thank you for the opportunity to testify in favor of this measure.

Sincerely,

Anthony Barredo

 Honolulu, HI 96813  
 Dear Senator Ige and Members:

RE: H.B. 1513, H.D. 1, S.D. 1 RELATING TO THE WEED AND SEED STRATEGY

Aloha.

I would like to express my strong support of H.B. 1513, H.D. 1, S.D. 1, which provides funding for the continuation of the Weed and Seed strategy through establishment of a program within the State Department of Labor.

Operation Weed and Seed (W&S) is a U.S. Department of Justice initiative that was established in 1991. It is a community-based, multi-agency approach to addressing violent crime, gang activity, drug use, and drug trafficking in communities that were hardest hit by violence and eroding social and economic stability. The W&S strategy is based on a two-pronged approach:

- 1) Law Enforcement agencies and criminal justice officials cooperate with local residents to "weed out" criminal activity in the designated area.
- 2) Social service providers and economic revitalization efforts are introduced to "seed" the area, ensuring long-term positive change and a higher quality of life for residents.

In Ewa Beach, W&S has also helped to coordinate drug busts and quarterly truancy sweeps at James Campbell High School. It has also coordinated a Drive Safe 4 Ewa and Kapolei campaign, instituted a successful Community Policing Program, performed park sweeps and other weeding activities. It has also helped to "seed" programs in the community – a summer culinary arts program for teens, junior golf, bowling, water sports, after-school programs at the Boys & Girls Club, microenterprise training classes, and more. Coordination of prevention efforts has been made possible through a community coalition called "EWAlution 96706" combining the word "evolution" and the unity of communities within Ewa Beach. EWAlution, which currently consists of 42 service providers, often does community service projects at James Campbell High School and Ilima Intermediate School. Community beautification efforts are ongoing, with regularly-scheduled graffiti paint-out days and community clean-up events. Partnering with the City Department of Environmental Services, James Campbell High School, and the Ewa Beach Lions Club, Weed and Seed hosts Make a Difference Day, which has been expanded to a quarterly community clean up event. Neighborhood Kokua Day, Adopt a Bus Stop and Adopt a Wall are additional examples of Weed and Seed at work in Ewa Beach.

These are just a sampling of ways that Weed & Seed has made our communities a better, safer place in which to live. It has been a great partnership with all involved and we desire to see a continuation of the collaborative effort to weed out crime in our communities and to seed positive programs.

---

**"We have found that Weed & Seed's collaborative strategy between residents, law enforcement, social agencies, private businesses, and nonprofit organizations has been effective in reclaiming, restoring, and rebuilding our neighborhoods."**

Thank you for the opportunity to testify in favor of this measure.

Sincerely,  
  
 Louana Akina,  
 Community

Honolulu, Hawaii 96813

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513.H.D.1, S.D.1 RELATING TO THE WEED AND SEED STRATEGY**

I am appealing for your support of HB 1513.HD1, S.D.1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Walpahu, and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I have seen improvements in our community with the Weed & Seed continuous to help us to enforce the drug problem here. Weed & Seed has support us with our High School truancy. I've volunteered in community policing walks in my neighborhood to assist the Honolulu Police Department in keeping my community safe by continuously to have a school wide safety campaign to educate our families and I also help with graffiti clean ups so we can be a gang free community.

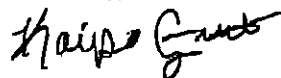

I volunteer to sit on the Steering Committee because I think it is important to give my time and energy in working with law enforcement and community agencies in improving my community.

I enjoy participating in training, and meetings to help keep me updated.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community, I urge you to support HB 1513.H.D.1, S.D.1

Sincerely,

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513.H.D.1, S.D.1 RELATING TO THE WEED AND SEED STRATEGY**

I am appealing for your support of HB 1513.HD1, S.D.1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

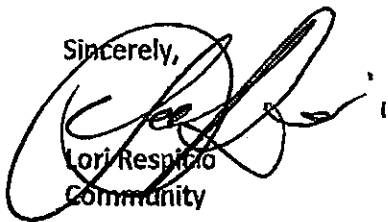

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I have seen the improvement in my community by less graffiti and crime reported. Truancy rate has dropped tremendously, more family and youth activities are being offered since inception of the Weed and Seed. As a participant in community policing walks in my neighborhood, it is important for me to see and feel that Ewa Beach is a safe community to live.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community, I urge you to support HB 1513.H.D.1, S.D.1

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513.H.D.1, S.D.1 RELATING TO THE WEED AND SEED STRATEGY**

I am appealing for your support of HB 1513.HD1, S.D.1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

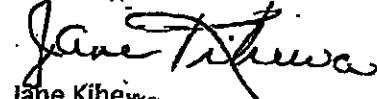

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I am active member of the Ewa Beach Lions Club and a Steering Committee member for the Ewa Weed and Seed. I have been part of the Weed and Seed strategy since it awarded here in Ewa Beach. I have learned a lot on how to keep my area safe. I am the chairperson for the Weed and Seed Community Policing. I work closely with the site coordinator and the Weed and Seed Officers recruiting residents to join or establish a NSW/CP team. Currently we have 28 active NSW/CP groups in the Ewa site.

I also volunteer my time with community clean ups and the Ewa Beach Lions Club supports Weed and Seed's projects. It was the Weed and Seed team that helped us gather the neighbors to "Take Back Puuloa Park" also known as Leeward Estate park. It was a ghost town and we all feared to use this part because of all the illegal drug dealings and prostitutions. Weed and Seed helped us by establishing a NWS/CP team and we all worked together to clean up the park. We also had a construction company donate their time to secure the restrooms. Today, the park is used by me and my neighbors and its nice to see the children playing on the playground and sport leagues are also using it too.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community, I urge you to support HB 1513.H.D.1, S.D.1

Sincerely,

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513.H.D.1, S.D.1 RELATING TO THE WEED AND SEED STRATEGY**

I am appealing for your support of HB 1513.HD1, S.D.1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I lived in Ewa Beach for over 28 years and still own a home in the area. I will return after my Dad health is better. I have seen firsthand the positive different Weed & Seed has made to the community. It has gone from a drug infested / cock fighting community to a safe place to raise your family. I ask on the behalf of the whole community to continue to support Weed and Seed.

I am a steering committee member for 5 years now for the Ewa site. I am also the chairperson for the Neighborhood Restoration component. We work with the schools, businesses and residents in the area cleaning up the community. We partner with Department of Environmental Services, Make a Difference Day. There are approximately 150 students that come out to give back to their community. We do storm drain/chanel clean ups, graffiti painting, and trash pick ups. We also have all bus stops in the area adopted by the community to upkeep them.

We need Weed and Seed to continue, they are our motivation to keep our community clean and safe. Without them, I can assure you that things will get back to how it was 10 years ago. Although currently I do not live in Ewa Beach, I continue to support it because it is one of the most positive thing in this community.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community, I urge you to support HB 1513.H.D.1, S.D.1

Sincerely,

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513.H.D.1, S.D.1 RELATING TO THE WEED AND SEED STRATEGY**

I am appealing for your support of HB 1513.HD1, S.D.1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

It was Weed and Seed that encourages the residents to come out and work together to keep our community clean and safe. They helped me to gather my neighbors to form a Community Policing team and we have been active for almost 8 years now. The Weed and Seed Officers are available when we need training or help with something.

I have been involved with the Adopt the Wall in my area where I live. The Site Coordinator and I work together and quarterly we go out and paint off all the unwanted graffiti on private property walls. We also get the owners to come out and help us too. Without Weed and Seed, no one will be there to push us to work together as a team.

I have been a big difference since we became a Weed and Seed site. It is important that we keep Weed and Seed in our area. We have the best Weed and Seed team!

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community, I urge you to support HB 1513.H.D.1, S.D.1

Sincerely,

**Re: HB 1513.H.D.1, S.D.1 RELATING TO THE WEED AND SEED STRATEGY**

I am appealing for your support of HB 1513.HD1, S.D.1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

My name is Eileen Lynn and the Secretary for the Ewa Weed and Seed Steering Committee and long time Secretary of the Ewa Beach Lions Club. I'm a 20 year Ewa Beach resident, mother of two, homemaker, community volunteer and servant of the Lord. I have been with the Ewa Weed and Seed initiative since its inception in 2002 as a community volunteer and have witnessed the positive results and numerous success stories.

Since its inception, our neighborhood has turned to the Ewa Weed and Seed strategy for help. At our request, the Ewa Weed and Seed Officers have trained us in crime reduction strategies. What we have learned has been put into action and it has worked!

Our community has worked hard to obtain and establish this premier crime reduction initiative and it has been very effective in reducing crime, boosting social services, and neighborhood restoration in Ewa Beach.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community, I urge you to support HB 1513.H.D.1, S.D.1

**Re: HB 1513.H.D.1, S.D.1 RELATING TO THE WEED AND SEED STRATEGY**

I am appealing for your support of HB 1513.HD1, S.D.1 to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes.

I have seen the improvement in my community with their commitment in restoring and keeping our community safe and clean. We are fortunate to have this partnership with the Weed and Seed Officers and their dedication in mentoring and building a relationship with our Ka'imiloa Students.

Weed and Seed "adopted" Ka'imiloa Elementary and for five years now they participate and provide services to our students. The students are involved in: Clickit or Ticket it, Drive Safe 4 Ewa, Pedestrian Awareness and Drug Awareness Month. Without the partnership with Weed and Seed, many of these wonderful programs would not be provided for the students to participate.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community, I urge you to support HB 1513.H.D.1, S.D.1

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513.H.D.1, S.D.1 RELATING TO THE WEED AND SEED STRATEGY**

I am appealing for your support of HB 1513.HD1, S.D.1 to sustain the Weed and Seed strategy in Kallhi-Chinatown-Ala Moana, Waipahu, and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes. I volunteer to sit on the Steering Committee because I think it is important to give my time and energy in working with law enforcement and community agencies in improving our Ewa Beach Community.

As a long-time resident of Ewa Beach (43 years), I have seen how instrumental Weed & Seed has been to our community: drug activity/dealers, underage drinking and truancy numbers have declined tremendously – all contributing to the overall “security/safety” feeling that I, as a resident, now feel. And as a parent of four children, you can imagine how important it is that these activities are as minimal as possible. In addition, the Weed & Seed Program has also “invested” in the Ewa Beach residents in the many activities it provides and takes part in such as the Jr. Golf Program, School Read Along Programs, Make a Difference Day, etc.

Weed and Seed is an important organizational tool and community resource whose strategy needs to be continued. Your support of this important initiative will ensure that community leaders and partners continue to build a strong network of committed citizens that will work toward preventing crime and growing strong, healthy communities.

Weed and Seed is very important to the community, I urge you to support HB 1513.H.D.1, S.D.1

Sincerely,

Denise R. Oliveira

Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

My name is Tafaoata Magalei and I live in the Weed and Seed Waipahu site. I am writing in strong support of H.B. 1513, H.D. 1, S.D. 1, to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes. These efforts have also led to more positive activities for our youth and ongoing neighborhood restoration projects.

I believe that we need Weed and Seed to help keep our neighborhoods safe. With their support, they have helped to wipe out the drug dealers, sellers, users and gangs in our neighborhood. It used to be real scary to live in the "Pupu" area because of all of the crime and drugs. But since Waipahu became a Weed and Seed site, the crime and drug dealing has gotten better. We need to continue to support Weed and Seed because they are helping to make our neighborhoods safer. That's why whenever I can, I volunteer for whatever Weed and Seed does in the community. They can't do it alone; they need people who live and work in Waipahu to help them.

**I continue to support Weed and Seed because together we can make Waipahu a good place to live and work.**

Weed and Seed is very important to the community and I would like to see it continue. Please support H.B. 1513, H.D. 1, S.D. 1.

Sincerely,

Tafaoata Magalei

Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

My name is Christina Paselio and I am a resident of the Waipahu community. I am writing in strong support of H.B. 1513, H.D. 1, S.D. 1, to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes. These efforts have also led to more positive activities for our youth and ongoing neighborhood restoration projects.

I support Weed and Seed because as a resident, I know that by supporting their efforts, I can make a difference for my family and community. I have volunteered with various Weed & Seed supported events such as the Aloha 'Aina Recycling project held at Waipahu Intermediate in February 2011. I was surprised to see how much scrap metal, newspapers, cooking oil and other recyclable materials we collected on that day. There are times when I drive through the neighborhoods and I see piles of furniture stacked up on the sidewalks. Instead of recycling these items, it ends up becoming trash and children end up playing in it and getting hurt.

I am grateful to Weed and Seed for helping me to see how important it is for residents to get involved in the community.

I urge you to support H.B. 1513, H.D. 1, S.D. 1. Weed and Seed is very important to the community and I would like to see it continue.

Sincerely,

Christina Paselio  
Waipahu Resident

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513, H.D. 1, S.D. 1 - RELATING TO THE WEED AND SEED STRATEGY  
Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

My name is Rochelle Kalili and I live in the Weed and Seed Waipahu site. I am writing in strong support of H.B. 1513, H.D. 1, S.D. 1, to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes. These efforts have also led to more positive activities for our youth and ongoing neighborhood restoration projects.

As a parent of 6 children and 1 grandchild living in Waipahu, my first priority is the safety of my family. Unfortunately, my home of 18 years, Waipahu, has the stigma of being a bad place to live. While I acknowledge that we have crime and drug issues, I also know that Waipahu is a safer place to live because of Weed and Seed. Through Weed and Seed, we have a team of officers who are dedicated to work hand in hand with the community to solve problems. Being a part of Weed and Seed also means that residents such as myself need to help out too.

I voluntarily serve as a Weed and Seed Steering Committee member because I want to be able to help my community stay safe and drug free. I have volunteered for numerous Weed and Seed sponsored events such as the Waipahu 5K Cane Haul Run, Project CLEAN, and Thanksgiving Adopt-A-Family project. Occasionally, I also support other residents on their neighborhood security watch walks.

**Weed and Seed has helped residents like me see how important it is for us to stay involved in the community.**

I urge you to support H.B. 1513, H.D. 1, S.D. 1. Weed and Seed is very important to the community and I would like to see it continue.

Sincerely,

Rochelle Kalili  
Waipahu Resident

Dear Chair Ige, Vice Chair Kidani and Members of the Committee:

**Re: HB 1513, H.D. 1, S.D. 1 - RELATING TO THE WEED AND SEED STRATEGY  
Decision Making Hearing: Friday, April 1, 2011, 9:00am, Conference Room 211**

My name is Tafaoata Magalei and I live in the Weed and Seed Waipahu site. I am writing in strong support of H.B. 1513, H.D. 1, S.D. 1, to sustain the Weed and Seed strategy in Kalihi-Chinatown-Ala Moana, Waipahu and Ewa/Ewa Beach.

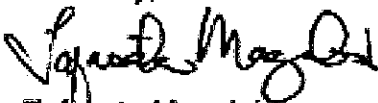

The collaborative effort involving law enforcement, residents, non-profit organizations, community groups and private businesses has helped reduce violent crime and drug-related crimes. These efforts have also led to more positive activities for our youth and ongoing neighborhood restoration projects.

I believe that we need Weed and Seed to help keep our neighborhoods safe. With their support, they have helped to wipe out the drug dealers, sellers, users and gangs in our neighborhood. It used to be real scary to live in the "Pupu" area because of all of the crime and drugs. But since Waipahu became a Weed and Seed site, the crime and drug dealing has gotten better. We need to continue to support Weed and Seed because they are helping to make our neighborhoods safer. That's why whenever I can, I volunteer for whatever Weed and Seed does in the community. They can't do it alone; they need people who live and work in Waipahu to help them.

**I continue to support Weed and Seed because together we can make Waipahu a good place to live and work.**

Weed and Seed is very important to the community and I would like to see it continue. Please support H.B. 1513, H.D. 1, S.D. 1.

Sincerely,

Tafaoata Magalei  
Waipahu Resident
