HB157, RELATING TO HEALTH

Testimony of Wes Lum
Director, Executive Office on Aging
Attached Agency to Department of Health

Monday, February 7, 2011

10:15 a.m.

1 **EOA's Position:** The Executive Office on Aging (EOA) supports the intent of this measure but
2 requests that you hold this bill.

3 **Fiscal Implications:** Unknown

4 **Purpose and Justification:** The Executive Office on Aging (EOA), the Long-term Care
5 Ombudsman, and representatives of the Department of Health and the Governor's Policy Office
6 have met and agreed to work together to determine how to execute the posting of electronic copies
7 of inspections of state-licensed care facilities so that these postings are meaningful for the
8 consumer. EOA is pleased with this partnership and is confident that greater access to information
9 about the quality and conditions of care facilities will be available on the internet in the near
10 future. Therefore, we do not believe that legislation is necessary and we request that this measure
11 be held. Thank you for the opportunity to testify.
