Comments:

Aloha respective Chair & Representatives, my name is Sgt. Colin Kalama Malani a 30 year deputy sheriff and ask again for your fullest support of HB492. In coordination with HB491, Operational Deficiencies would be minimized if the management team (Director, Dep-E/LE, Sheriff & staff) were held accountable for coordinating with the Legislature & Auditor to project realistic short and long term goals and objectives following recommendations within the State Auditor's Audit. A future State Con/Con may address the feasibility for an elected AG or Sheriff which would give the public a better perspective, management and coordination of State Law Enforcement assets. If not immediately attainable, I would hope that at sometime in the near future a State LE Commission would appoint from qualified applicants a "Sheriff and management team." Hopefully, this would avert any further operational deficiency and bring the Department of the Sheriff, a clearly defined mission, public safety, awareness and trust. To provide a HQ, visible stability, foundation, cooperation, public trust, belief and coherence within the LE community.
