H.B. 775 – RELATING TO
PHOTO ENFORCEMENT
REVOLVING FUND

The Hawai'i Government Employees Association supports the purpose and intent of H.B. 775 which restates and reinforces the legislative directive to transfer all monies in the photo enforcement revolving fund to the general fund of the State.

The budget shortfall facing the State is a compelling reason for directing all unused monies back to the general fund. The three million plus dollars in this fund can be used to address our health, education and social service needs as well as the many other important State priorities.

Thank you for the opportunity to testify in support of this measure.

Respectfully submitted,

for Nora A. Nomura
Deputy Executive Director
