LATE TESTIMONY

LATE TESTIMONY

The Honorable Joseph M. Souki, Chair
House Committee on Transportation

**Re: House Bill 917 – RELATING TO TRANSPORTATION
TRN – Monday, January 31, 2011 – Conference Room 309**

Aloha Chair Souki, Vice Chair Ichiyama and Members of the Committee:

The Airlines Committee of Hawaii* (ACH), which is made up of 21 signatory air carriers that underwrite the Hawaii State Airport System, supports language contained in HB 917, Relating to Transportation.

This bill would exempt from county approval state department of transportation development and construction of highways and airports. There are several projects which are incorporated in the airports modernization plan that would benefit from this streamlined approach.

This bill was one of several recommendations made by the 2010 State Construction Task Force.

For these reasons, we respectfully urge your committee to support the passage of this legislation.

As always, we are grateful for the opportunity to provide input on this matter.

Sincerely,

Alan Ogawa
ACH Co-Chair

Lori Peters
ACH Co-Chair
