**HCR 205/HR 177 – Task Force Regarding the Implementation of Act 1**

Aloha Chair Oshiro, Vice Chair Lee and Members of the Committee!

Citizens for Equal Rights (CFER) brings together many diverse voices of the community in a respectful dialogue and continuing effort to ensure equal rights for all in Hawai'i.

As Vice President of CFER, I speak for our Board in support of House Concurrent Resolution 205 and House Resolution 177, which request the Department of Health to establish a task force regarding the implementation of Act 1, Session Laws of Hawai'i 2011.

If this is what is necessary to implement this law, we support it!

Mahalo for this opportunity to testify.
