Dear Chair Keith-Agaran and Members:

Subject: House Resolution No. 26/House Concurrent Resolution No. 30
Relating to Parking in the Ho`okea Subdivision in Ewa Villages

The City and County of Honolulu Department of Transportation Services is not in favor of the exemption proposed in House Resolution No. 26 and House Concurrent Resolution No. 30. Our reason is stated below.

Section 15-14.1(a)(2) of the Traffic Code of the City and County of Honolulu, which prohibits parking in front of a public or private driveway or within four feet of either side of a public or private driveway, was established to ensure proper access to driveways.

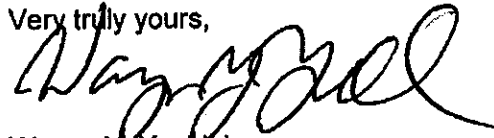

The streets within the Ho`okea Subdivision are improved with sidewalks, rolled curbs, and a pavement width of 26 feet which accommodates parking on both sides while retaining a single through lane. The driveways provide a refuge area for a vehicle to temporarily pull over for another vehicle traveling in the opposite direction. This refuge area would be lost if parking were allowed within the driveway by potentially creating a solid wall of cars along both sides of the street. In this situation, if two vehicles traveling in opposite directions meet, one vehicle would have to reverse all the way to the next intersection. More importantly, such conflicts could impede response time for emergency vehicles.

Additionally, this type of request occurs in many areas of O`ahu. Granting this exemption would open the way to exemptions throughout the City and County of Honolulu. We believe this would negatively impact public safety within these areas.

The Honorable Gilbert S.C. Keith-Agaran, Chair
and Members

RE: IN STRONG SUPPORT OF HCR 30/ HR 26

Aloha Representative Keith-Agaran and members of the Judiciary Committee.

Thank you for the opportunity to submit testimony, IN STRONG SUPPORT of this resolution and concurrent resolution, which urges the City and County of Honolulu and the Honolulu Police Department to allow an exemption from parking ordinance for Hookea, our neighborhood located in Ewa Beach, Hawaii.

Because of one particular agitator, the entire Hookea community is being inconvenienced by an unreasonable ordinance. The entire neighborhood has gotten along for years with each other and have always considerately and courteously extended the respect to each other regarding - we are on ohana after all.

Please pass this resolution to help us address this issue that is important to us.

I strongly support the exemption from SECTION 15-14.1-Stopping, standing or parking prohibited in specific places-- (2) In front of a public or private driveway or within four feet of either side of a public or private driveway, to allow for street parking in our community.

As a visitor to the neighborhood, specifically to Halolani Street in Ho'okea, in Ewa Villages, I am challenged for parking when visiting my family. I would appreciate being able to park in front of my families house.

Respectfully submitted,

Re: HCR 30/HR 26
Parking Situation Ho’okea Subdivision, Ewa Villages

Dear Rep. Gilbert-Keith Agaran,

We are writing to inform you of our support of House Resolution 26 to allow an exemption from Section 15-14.1(2) of the revised ordinances of Honolulu to allow for street parking in the community of Ho’okea Subdivision in Ewa Villages of which only ALL of Halolani Street and part of Kamahoi Street is affected. There are total 6 streets in our subdivision which consist of approximately 152 residences. Out of the 152 residences only 36 residences are affected. The origin of this parking situation has taken place by a repeated complaint from one resident only of Halolani Street. His complaint of street parking was made only after 25 years which now have interfered with our way of living. This had restricted our “Ohana” to visit us, we have no social life in our own homes, and some residences have broken down their cement walls to provide parking in their yards, again only after 25 years. We as residence along with our family and friends have been cited by Honolulu Police Department for parking in our own driveways for the past year all hours of the day.

We strongly support HR 26 and are humbly asking you to change the parking ordinance for Halolani and Kamahoi Street.

Sincerely,
Residences of Halolani and Kamahoi St
