

LATE TESTIMONY

I would like to thank the committee for considering this bill before it.

My name is Reef Maku'e, a Deputy Sheriff with the Dept. of Public Safety, assigned to the Executive Protection Section and I pledge my support for Bill SB 11.

I believe this Bill would have a dramatic and positive effect for State Law Enforcement. So too, I think a task force should be formed to create a plan of action to be presented to the State Legislature a year from its enactment. Moreover, I believe it should be executed with a deliberate and achievable timeline over the course of at least 18 months and no more than 5 years

In short, I encourage this committee to please move this Bill forward.

Mahalo,

Reef Maku'e

Comments:

i am a deputy sheriff, and i support this bill beacuse we need to be seperated from the dept. of public safety, we will never get the money we need to better our department as long as we fall under public safety. we need to have just law enforcement minded individuals to run our division, not people who are all about corrections. please pass this bill, mahalo.
