RELATING TO CHILD PROTECTIVE ACT COURT PROCEEDINGS

Ensures that child protective act hearings in chapter 587A, Hawaii Revised Statutes, are consistent with federal Title IV-E provisions. Effective 7/1/2050. (SD2)

I, Angela Kaaihue, voluntarily placed my twins in a Guardianship situation almost 9 years ago with non-relatives. Since then, the Guardians whom I trusted, have prevented me from regaining custody or having a relation with them. They have also moved out of state. Also, they are collecting TITLE VI Funding for caring for them. This is about \$2000 a month for both children.

Please return my twins with me and save the STATE thousands and thousands of dollars. We are financially, physically, and mentally able to care for them, just give us custody or put us into your FAMILY REUNIFICATION plan. I have another child, their brother who I have been successfully raising. My parental rights have NOT been terminated, and will NEVER be because I am not UNFIT!!

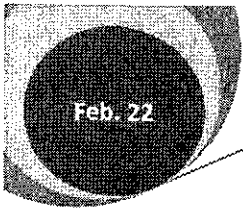

How's about revising the law to state that if children are being funded by the FEDERAL and STATE government, to make sure that it is necessary to continue support to their caretakers. Or to find that the parents are unfit, and are unable to care for their own children before support is continuously paid to the Guardians without NO supervision or monitoring. There is no yearly checkups, there is no review of the case. The way the DHS Permanency Unit is set up, is that if children are placed there, they are there for good! This is a WASTE of Taxpayers dollars. Why don't they make sure what the situation is with periodic updates.

FAMILY REUNITE MY TWINS WITH US, THE PARENTS, AND SAVE THE STATE THOUSANDS OF DOLLARS. TERMINATE USELESS GUARDIANSHIPS AND FUNDING FOR GUARDIANS WHO ARE LIVING OFF THE SYSTEM. THEY REFUSE TO RETURN THE CHILDREN WITH THEIR PARENTS SO THAT THEY CONTINUE TO COLLECT DHS PAYMENTS. JUST GIVE THEM BACK TO THE PARENTS AND SAVE MONEY FOR THE STATE.

THE STATE CAN'T AFFORD TO FUND USELESS GUARDIANSHIPS!
