TO: The Honorable John M. Mizuno, Chair
House Committee and on Human Services

FROM: Patricia McManaman, Director

SUBJECT: **S.B. 1417, S.D. 1 - RELATING TO STATE REHABILITATION
COUNCIL**

Hearing: Monday, March 14, 2011, 9:00 a.m.
Conference Room 329, State Capitol

PURPOSE: The purpose of this bill is to reduce the number of members of the State Rehabilitation Council from twenty-one to fifteen.

DEPARTMENT'S POSITION: The Department of Human Services (DHS) supports this bill.

The State Rehabilitation Council (SRC) is a mandated council under the federal Rehabilitation Act. Federal statute prescribes the composition of the Council to include membership of individuals with disabilities, representatives from consumer organizations of people with disabilities, service providers and business and industry. The federal minimum number of required positions on the SRC is fifteen.

The SRC has historically had difficulty in reaching quorum with the current State required minimum of twenty-one and it is the belief of the SRC that there would be a greater chance of achieving quorum with the more manageable federal minimum of 15

members. This change will ensure that the SRC is able to conduct business in a timely manner.

DHS requests that the effective date for this bill be upon approval.

Thank you for this opportunity to testify.
