Submitted on: 3/2/2011

Comments:
Chair, Respective Committees
Honorable Members of the Senate Committees

I am Arvid Tadao Youngquist, and we support SB 146 SD1 Relating to Biofuels.

This measure will require a report to the legislature by 2012.

Recommend that it be reported out with minimal amendments. Perhaps any refinement can be contained in the Committee reports.

Sincerely,

Arvid Tadao Youngquist
