PLEASE... PLEASE BAN THESE INHUMANE AND VERY CRUEL PUPPY MILLS. TWO OF MY FRIENDS ARE CURRENTLY FOSTERING TWO PREGNANT FEMALES FROM THE WAIMANALO PUPPY MILL. WHAT DISMAL SHAPE THESE FEMALES WERE IN!! MAKES MY HEART WEEP. THE DOGS OBVIOUSLY HAD PUPPIES TOO YOUNG AND TOO OFTEN.. THEIR TEETH ARE NOT FULLY DEVELOPED, BOTH DOGS ARE UNDERSIZED, WERE COVERED WITH TICKS AND FLEAS, HAD EAR MITES...AND BOTH DOGS VERY VERY SKITTISH.... PUPPY MILLS ARE CRUEL AND INHUMANE!!

Aloha, Chairperson Oshiro, Vice Chairperson Lee and Members of the Committee on Finance. Please support SB 1522, Relating to Dogs, to provide regulation of dog breeding businesses. Hawaii is a state known for Aloha, and we of all the states should be providing legislation for the humane treatment of puppies and their parents who are used for breeding. Again, please support SB 1522. Thank you.

Chairman Oshiro Chair
House Finance Committee

Re: Testimony on SB 1522, SD 2

Dear Chair McKelvey, Vice Chair Choy and Members of the Committee on Economic Revitalization & Business:

We strongly support passage of SB 1522, SD 2 which establishes the licensure and regulation of large- scale dog breeders.

With no law to specifically address these types of businesses, dogs live in cruel and inhumane conditions until they are no longer profitable to the breeder and are discarded. The purpose of this act is to ensure that dogs are provided with humane care and treatment as well as to protect the public from purchasing dogs that come from an inhumane environment.

The act would regulate businesses that have 20 or more intact female dogs over the age of six months; or who have a total of 30 intact dogs that are 6 months or older; or sells 25 or more puppies within a year; with no more than 50 intact adult dogs on any property at any time.

These large scale breeders would be required to be licensed and this Bill establishes minimum standards of care that includes: veterinary care, maximum allowed breeding within an 18 month period, space requirements, exercise and access by inspectors at any reasonable time during regular business hours.

We ask for your strong support of SB 1522, SD 2.

Thank you for the opportunity to provide testimony in support of this measure.

Sincerely Yours,

Donna Whitaker

I totally support this bill for regulation of these large scale breeders. Very few care about the animals involved, do not care about conditions they are living in and are only concerned with how much money they can get if they just keep breeding breeding and breeding. Meanwhile there are wonderful dogs in shelters and the humane society, being euthanized for lack of homes . We do not need any puppy mill breeding but if there is going to be some of this it needs to be very much regulated and so do the conditions these animals live in.

Please support the Puppy Mill Bill S.B. 1522. Hawaii currently lacks laws protecting dogs from the cruelty of puppy mills. S.B. 1522 will require large-scale breeders to be accountable through licensing, inspections, and enforceable penalties. This important legislation protects dogs from cruelty, inhumane treatment, confinement, and harmful breeding practices.

Dear Chair Oshiro and Committee Members,

Please support SB 1522, to regulate large scale breeders. This bill is asking for just the very basic of care for these poor helpless LIVING creatures, that are used for sheer profit. These unethical breeders need to be held accountable for the way that they treat, or mistreat these animals.

Thank you so much for using your position of authority, to do the right and humane thing.

Puppy Mills, Factory Farming, etc. They are all for one purpose, exploiting and using animals strictly for financial gains. There are little to no regulations or protection for animals forced to live in horrible uncomfortable and often unsafe conditions. The amount of dogs/cats/animals period that are in shelters now as a result of overly zealous breeders is criminal.

So many animals end up without a home and are euthanized which is, un-fare, inhumane and far from acceptable.

Why not put a stop to this insane practice of over population. There should be a ban entirely on breeding or at least strong policy of MINIMAL breeding for specific purpose (which quite honestly, I don't believe there is one) Our planets animals need a voice! They deserve to be protected. It blows me away that in 2011 we even have to have these conversations!

Breeders of pets should be held to the same standards of hygiene and humanitarian principles as dealers in pet stores and breeders of the animals we eat. We are their caretakers. We are responsible for their existence and their wellbeing for the duration of their lives. If we breed them to eat we need to ensure their lives are healthy and enjoyable until we end their lives. If we bred them to sit beside us and walk with us, we are charged to ensure they are cared for until whatever the end we designed for them comes.

I am very aware of the dangers that puppy mills pose for innocent dogs born under such deplorable conditions. I bought a dog from an individual who in essence had a small scale puppy mill. My dog was beautiful but she was a product of inbreeding that resulted in many faulty traits that inevitably shortened her life. I was devastated by her early demise. Shortly after her death, I purchased a dog from Pet Spot that was not a purebred. I am hoping that she will not exhibit any of the signs that my first dog exhibited of defects that were inbred. Please, we need to put a stop to this kind of practice that is inhumane for dogs. No animal should be subjected to that kind of treatment.

Currently Hawaii does not regulate the large-scale breeding of dogs. This absence of regulation may result in the breeding of dogs in a cruel and inhumane manner and under conditions that can inflict long term suffering of the puppies, dogs and may also lead to the sale of unhealthy dogs to unsuspecting consumers.

I support the intent and purpose of this bill to regulate animal breeders and end the current egregious cruelty and abuse of animals by certain breeders. This irresponsible behavior is not condoned by society and must be stopped.

I will leave the details of the bill to those animal shelters and other animal organizations involved. Personally, I think the bill should require appropriate grooming of animals and appropriate human interaction which is necessary from the initial stages of an animal's development. I also think the civil penalties need to be increased substantially and that felony charges are appropriate in many cases.

Finally, the Legislature should consider another bill soon expanding the protections of this bill to all animals, not just dogs.

Please support this bill. Puppy mills are like concentration camps. There are plenty of purebred and mixed breed pets available for adoption. The people who run the puppy mills are a burden to the taxpayers, as many of the mill dogs end up in the shelter when the owner gets tired of them.

Subject: SB 1522

Aloha Chairman Oshiro-

I so hope that you and your colleagues will pass SB 1522 and end the horrible torture of dogs in Hawaii. Puppy mills are hidden from much of the public, but that doesn't ease the suffering of thousands of innocent animals. I know all of you care about this problem-please make this bill a reality. Mahalo and aloha, Judy Mick, Kailua

No Animal should be treated in such a way that this puppy mill treated the dogs in their care.

Hello,

I urge you to support SB 1522, the so-called 'puppy mill bill'. The treatment of dogs and puppies in these facilities is totally inhumane - beyond dreadful. Their suffering is unbelievable. If you are not concerned about the dogs, support the bill because it will also prevent people from unwittingly purchasing a pet that will end up with health problems and other issues as a result of poor breeding and inadequate veterinary care.

Thank you for your consideration.

Aloha,

Aloha Chair Oshiro & committee,
Please give your strong suppoer to this biil. It defies logic to allow irresponsible dog breeders here when animal control organizations are killing thousands of healthy, well behaved dogs every year. Please take another step forwrd to stop this madness. Mahalo, Mike Moran Kihei

Please support SB 1522. The lack of regulation for dog breeding has resulted in cruel and inhumane conditions in the past and will not change without oversight.

Please help put an end to the puppy mills. I am lucky enough to foster one of the Waimanolu puppies that was rescued and what she has been through is sickening! She could barely walk because she had no strength in her back legs, she was infested with ticks, she didnt even know how to drink from a water bowl. None of these dogs deserve this, they have feelings and just want to be loved. You cannot put a price on them, the owners of pet stores and puppy mills want money. It is not fair! They deserve so much more than this! Please help them and stop puppy mills!

Please support SB1522 to regulate and/or minimize the amount of dogs breeders can have on their property. Please allow for regular inspection of these breeders. Too many people are simply doing it for the money. Such people do not take care of their adult animals. Such people are only interested in selling the pups for a large sum of money. Please do the right thing. Please speak for the animals who cannot speak for themselves. Much mahalo and love.

We need to regulate puppy mills, plain and simple. Let's move Hawaii into the 20th century. I know we are in the 21st but in some respects Hawaii isn't there yet.

I just learned about the hearing today. Please support Sb1522. Imagine if it was yourselves trapped in these crowded cages, hidden away from help, adequate care and considered as a product. It is urgent that agencies be able to make unannounced visits to see the real state these sensitive beings have to endure unprotected. Mass producing them destroys their health as well as takes away any chance for the many, many other dogs who desperately need a home and a chance for their one life and they get killed (euthanized) because the market constantly is flooded with mass produced dogs from puppy mills. Please have the market regulated so they have some sort of humane existence and that the enforcement agencies have some power to protect them which has not been the case.

Thank you.
Mary Markl

Hearing - SB 1522 Puppy Mills
SUPPORT!!!!

IN

House Finance Committee
Chairman Oshiro and Committee
April 5, 2011 - 5:00 p.m.

Thank you for this opportunity to testify and to lend the strongest support for this humane and necessary Bill.

As I have testified countless times before that we are responsible for these innocent animals and cannot and should not continue to let this type of breeding continue. We have ample evidence from recent cases here in Honolulu, by people who breed dogs just for the money and have no concern for the animals. THIS MUST STOP!!

Does our Aloha spirit stop when it comes to animals? If we continue to let these practices continue we are just as guilty of animal abuse as those who are running these operations....because we let them do it!!!!
