URGING THE CITY AND COUNTY OF HONOLULU TO EXPEND MONIES ALREADY DEDICATED IN ITS 2010-2011 EXECUTIVE OPERATING BUDGET TO CONDUCT A STUDY TO MAP AND DETERMINE IMPORTANT AGRICULTURAL LANDS ON OAHU, FOR THAT PURPOSE

I support this bill. I think it's great to have the **STATE OF HAWAII LAND DIVISION OF DLNR lease and sub lease crown STATE OWNED AGRICULTURE lands to crystal meth drug dealers raising fighting cocks!!**. I won't say names, but contact Barry Cheung and Steve Lau of Land Division of the accusations that have been brought to their attention. Since these are accusations and no convictions or "hard" evidence has been presented, this remains to be accusations and ignored.

Yes, continue to lease and sublease STATE OWNED AGRICULTURAL LANDS to crystal meth drug dealers and users. We have no problem for this, since "ice" has become a way of life here for Hawaiians. It has been socially accepted as the "thing to do". Give more control to STATE Officials who choose to continue to lease to Druggies and unqualified ex-cons!! These people are managing and are maintaining our State Owned Hawaiian Crown AGRICULTURAL Lands and maintain our Hawaiian Culture for us Hawaiians.

We thank the STATE of Hawaii, Land Division of DLNR and we hope that more "Drug Dealers, cock-fighters, and ex-felons" will have the opportunity to expand their HUNDREDS OF COCKFIGHTING ROOSTERS business on State land. Mahalo!!

"Keep State owned agricultural lands in the Hawaiian hands of drug dealing cock fighting roosters!! We want more drug dealers, gambling, and cock fights! Cash is King, it buys power, sex, and drugs!!

Thank you for reading my testimony.
Again I OPPOSE this bill.
