EXECUTIVE CHAMBERS

HONOLULU

July 10, 2012

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 283

Honorable Members  
Twenty-Sixth Legislature  
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 283, entitled "A Bill for an Act Relating to State Funds."

The purposes of this bill are to: (1) authorize the transfer during fiscal year 2012-2013 of \$196,000 from the Agricultural Loan Revolving Fund to the Pest Inspection, Quarantine, and Eradication Fund; and (2) appropriate \$196,000 for fiscal year 2012-2013 from the Pest Inspection, Quarantine, and Eradication Fund to be expended by the Department of Agriculture for a program to control and eradicate the coffee berry borer, including the destruction of feral coffee trees.

The transfer and use of moneys from the Agricultural Loan Revolving Fund for coffee berry borer control and eradication is not necessary. The Department of Agriculture has barrel tax funds available for control and eradication of this pest. Use of its barrel tax funds will enable the Department of Agriculture to address the coffee berry borer infestation while also preserving the use of moneys in the Agricultural Loan Revolving Fund to effectively promote agricultural development in the State.

For the foregoing reasons, I am returning House Bill No. 283 without my approval.

  
Respectfully,

NEIL ABERCROMBIE  
Governor of Hawaii
