Report Title:

Pornography Offenses Against Children

Description:

Amends the offense of promoting pornography to minors to extend the prohibition against disseminating pornographic material to minors to include disseminating pornographic material to another person who represents that person to be a minor; and adds the offense of promoting child abuse in the third degree to the information charging law.

JUSTIFICATION SHEET

DEPARTMENT: Attorney General

TITLE: A BILL FOR AN ACT RELATING TO PORNOGRAPHY OFFENSES AGAINST CHILDREN.

PURPOSE: To extend the prohibition against disseminating pornographic material to minors to include disseminating pornographic material to another person who represents that person to be a minor; and to add the offense of promoting child abuse in the third degree to the information charging law.

MEANS: Amend sections 712-1215(1) and 806-83(a), Hawaii Revised Statutes.

JUSTIFICATION: This bill is intended to provide greater protection to children in this age of electronic communication and the Internet. Predators meet children over the Internet and entice them to engage in sexual offenses. Grooming children is a key aspect of this predatory behavior. It usually involves conduct to gain the children's trust, develop the relationship, make the children feel comfortable with the offender and the idea of engaging in sexual acts, and ultimately make the children more willing to engage in sexual acts with the offender. Predators engaged in the electronic enticement of children often send their victims pornographic images as part of a scheme to groom child victims for sexual acts.

Law enforcement officers pose as children online while investigating Internet crimes against children. Predators, believing they are communicating with children, send pornographic images to the officers. This bill allows for the prosecution of child

predators who disseminate pornography to officers while attempting to groom children.

This bill also adds the offense of promoting child abuse in the third degree to the list of offenses that may be initiated by information charging for purposes of efficiency. The ability to use the information charging process for this offense will save judicial, prosecutorial, and police resources. Witnesses will be spared from coming to court to testify at probable cause hearings, officers and investigators will be able to stay on the job protecting and serving the community, and the State will benefit from financial savings while still protecting and preserving suspects' rights.

Impact on the public: This bill will provide greater protection to children from sexual offenders and predators.

Impact on the department and other agencies: This bill will allow state and county law enforcement officers to make cases of promoting pornography to minors against predators while the officers are posing as children online.

This bill will allow prosecutors to initiate cases of promoting child abuse in the third degree via information and thereby conserve judicial, prosecutorial, and law enforcement resources.

OTHER FUNDS: None.

PPBS PROGRAM DESIGNATION: None.

OTHER AFFECTED AGENCIES: Judiciary, county police, county prosecutors, and the Office of the Public Defender.
