
A BILL FOR AN ACT

MAKING AN APPROPRIATION FOR THE OPERATION AND MAINTENANCE OF THE
EAST KAUAI IRRIGATION SYSTEM.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Amfac Sugar Company announced in 2001 that it
2 was ceasing operation of its ditch system, comprised of
3 twenty-two miles of ditch and three reservoirs serving two
4 thousand acres of land in Kapaa, Kauai. In March 2002, the East
5 Kauai Water Users' Cooperative received a revocable permit to
6 operate this state-owned east Kauai irrigation system. Since
7 then, the system has provided a number of benefits, including
8 providing water to the ferns in Fern Grotto, which, prior to the
9 involvement of the Cooperative, did not receive sufficient water
10 to survive. Also, the continued health of the Wailua reservoir,
11 which is part of the system, will greatly assist the State's
12 plans for a public fishing area, campground, and educational
13 center for children in the area.

14 The Cooperative is now faced with a problem of funding
15 ongoing operations and maintenance of the system. Income from
16 user fees is insufficient to pay for the normal operation and
17 maintenance expense of the system. The legislature finds that

1 reliable irrigation water is critical for the survival of
2 agricultural crops in the Kapaa area.

3 The purpose of this Act is to appropriate funds for the
4 continued operation and maintenance of the east Kauai irrigation
5 system.

6 SECTION 2. There is appropriated out of the general
7 revenues of the State of Hawaii the sum of \$100,000 or so much
8 thereof as may be necessary for fiscal year 2011-2012 and the
9 same sum or so much thereof as may be necessary for fiscal year
10 2012-2013 for the operation and maintenance of the east Kauai
11 irrigation system by the East Kauai Water Users' Cooperative;
12 provided that the sum appropriated shall not supplant any other
13 moneys appropriated to the East Kauai Water Users' Cooperative
14 for fiscal year 2011-2012 and fiscal year 2012-2013.

15 The sums appropriated shall be expended by the agribusiness
16 development corporation for the purposes of this Act.

17 SECTION 3. This Act shall take effect on July 1, 2020.

Report Title:

East Kauai Irrigation System; Appropriation

Description:

Appropriates funds for the continued operation and maintenance of the east Kauai irrigation system. Effective July 1, 2020.
