
A BILL FOR AN ACT

RELATING TO STATE-OWNED BANK.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Bank of North
2 Dakota is the only state-owned and operated financial
3 institution in the United States. Under North Dakota law, the
4 bank is set up as the State of North Dakota doing business as
5 the Bank of North Dakota. All state funds, as well as funds
6 administered by state and county agencies, are deposited with
7 the Bank of North Dakota, thus creating a large deposit base.

8 In addition to paying competitive interest rates to the
9 state treasurer, the Bank of North Dakota also invests its
10 moneys in loan programs to spur economic development within the
11 State. The Bank of North Dakota also regularly turns over a
12 portion of its profits to the state general fund. Over the past
13 decade, the bank has turned over approximately one-third of
14 \$1,000,000,000 to the state general fund, and despite the recent
15 financial crisis, the bank earned record profits in 2008, with
16 net earnings of approximately \$57,000,000.

17 Rather than competing with private banks, the Bank of North
18 Dakota has created partnerships with over one hundred other

1 North Dakota financial institutions to assist them in meeting
2 the needs of the citizens of North Dakota.

3 The legislature further finds that a state-owned bank would
4 promote agriculture, education, community development, economic
5 development, housing, and industry in the State by building a
6 resource to help stabilize and grow the State's economy; use the
7 resources of the people of the State within the State; support
8 the common good and public benefit of the State; and leverage
9 the State's financial capital and resources. A state-owned bank
10 may work in partnership with financial institutions, community-
11 based organizations, economic development groups, guaranty
12 agencies, and other stakeholder groups to better the State's
13 economy.

14 The purpose of this Act is to establish a task force to
15 study the feasibility of establishing a state-owned bank in
16 Hawaii.

17 SECTION 2. (a) There is established a task force to study

2 department of commerce and consumer affairs, division of

5 (e) The task force shall submit a report to the
6 legislature no later than twenty days prior to the 2013 regular
7 session.

8 SECTION 4. The task force shall cease to exist on June 30,
9 2013.

10 SECTION 5. The legislative reference bureau shall provide
11 the research and organizational support services necessary to
12 assist the task force in achieving its purposes as required
