# A BILL FOR AN ACT

RELATING TO THE ONE CALL CENTER.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that Act 72, Session Laws  
2 of 2009, amended the definition of "excavation" to exempt  
3 certain activities of pest control operators licensed under  
4 chapter 460J, Hawaii Revised Statutes, from prohibitions of  
5 certain actions and reporting and other requirements by the one  
6 call center because pest control operators do not present the  
7 risks to underground facilities that the one call center was  
8 designed to address. Although the exemption is scheduled to  
9 expire on June 30, 2012, the legislature finds that there have  
10 been no negative incidents as a result of this exemption and  
11 that this exemption should therefore be permanent.

12           The purpose of this Act is to make permanent the exemption  
13 for certain activities of pest control operators from the  
14 definition of "excavation" under the one call center law.

15           SECTION 2. Act 72, Session Laws of Hawaii 2009, is amended  
16 by amending section 5 to read as follows:

17           "SECTION 5. This Act shall take effect on June 29, 2009 [7-  
18 ~~provided that section 2 of this Act be repealed on June 30, 2012~~
