# A BILL FOR AN ACT

RELATING TO EMERGENCY MEDICAL CARE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

**PART I**

1  
2           SECTION 1. The legislature finds that until recently,  
3 Hawaii Medical Center's two hospitals in Ewa Beach and Liliha  
4 provided comprehensive medical services to almost two-hundred  
5 thousand residents. In addition, the two hospitals operated  
6 some of the most-frequently used emergency rooms in the State.  
7 However, in December 2011, the Hawaii Medical Center's hospitals  
8 closed due to bankruptcy. Along with the closing of all of the  
9 hospitals' programs including their emergency rooms and the  
10 State's only organ transplant program, hundreds of patients were  
11 either discharged or transferred to other health care facilities  
12 in the State.

13           The legislature also finds that, with the closure of the  
14 Hawaii Medical Center hospitals, access to emergency medical  
15 care is in jeopardy. A greater burden is now placed on the city  
16 and county of Honolulu emergency medical services division to  
17 respond to emergency calls on the Leeward Coast and transport  
18 patients to emergency rooms elsewhere on Oahu. This increased

# H.B. NO. 1953

1 workload threatens the ability of the division to provide  
2 acceptable levels of emergency medical services to communities  
3 on the Leeward Coast.

4 The purpose of this part is to appropriate general funds to  
5 the department of health to assist the city and county of  
6 Honolulu emergency medical services division with expanding  
7 emergency medical services and ambulance services in communities  
8 on Leeward Oahu.

9 SECTION 2. There is appropriated out of the general  
10 revenues of the State of Hawaii the sum of \$1,200,000 or so much  
11 thereof as may be necessary for fiscal year 2012-2013 for the  
12 purposes of:

13 (1) Increasing the on-call availability of emergency  
14 medical services and ambulance services in Ewa Beach  
15 to sixteen hours per day; and

16 (2) Increasing the on-call availability of emergency  
17 medical services and ambulance services in Nanakuli to  
18 twenty-four hours per day.

19 SECTION 3. The sum appropriated shall be expended by the  
20 department of health for the purposes of this part.

21 **PART II**

1           SECTION 4. The legislature finds that the recent closure  
2 of the Hawaii Medical Center's two hospitals threatens to  
3 overload emergency rooms elsewhere on Oahu. Emergency patients  
4 who would have normally been treated at one of Hawaii Medical  
5 Center's hospitals are now being re-routed to nearby hospitals'  
6 emergency rooms. The legislature further finds that Wahiawa  
7 General Hospital, being the remaining hospital closest to the  
8 Leeward Coast, now accepts many of the patients who previously  
9 would have visited the emergency room at one of Hawaii Medical  
10 Center's hospitals.

11           The purpose of this Act is to appropriate funds through a  
12 grant pursuant to chapter 42F, Hawaii Revised Statutes, to  
13 assist Wahiawa General Hospital in providing additional  
14 emergency room services that are required due to the closing of  
15 Hawaii Medical Center's two hospitals.

16           SECTION 5. There is appropriated out of the general  
17 revenues of the State of Hawaii the sum of \$500,000 or so much  
18 thereof as may be necessary for fiscal year 2012-2013 as a grant  
19 pursuant to chapter 42F, Hawaii Revised Statutes, to Wahiawa  
20 General Hospital to provide additional emergency room services.

21           The sum appropriated shall be expended by the department of  
22 health for the purposes of this Act.

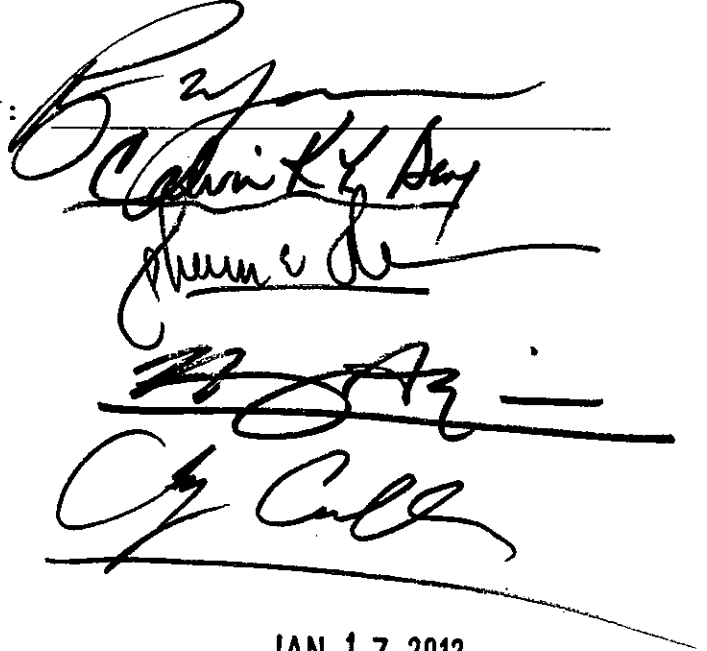

# H.B. NO. 1953

1 SECTION 6. This Act shall take effect on July 1, 2012.

2

INTRODUCED BY:

JAN 17 2012

# H.B. NO. 1953

**Report Title:**

Emergency Medical Care

**Description:**

Makes an appropriation to expand emergency medical services and ambulance services on the Leeward Coast of Oahu. Makes a grant pursuant to Chapter 42F to Wahiawa General Hospital to provide additional emergency room services.
