# A BILL FOR AN ACT

RELATING TO FIRE PROTECTION.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The purpose of this Act is to impose a total  
2 ban on aerial luminaries, also known as sky lanterns. The  
3 legislature finds that aerial luminaries pose a potential hazard  
4 to our community. These devices are paper lanterns containing a  
5 small candle or other fuel that heats air inside the lantern  
6 causing the lantern to rise for several hundred feet and remain  
7 airborne until the candle extinguishes, at which time the  
8 lantern descends. This uncontrolled open flame device can land  
9 on combustible vegetation or buildings, power lines, and  
10 interfere with aircraft flight patterns. Death or serious  
11 injury to livestock has been reported in many countries when the  
12 sky lantern remains are consumed.

13           SECTION 2. A new section is added to the Hawaii Revised  
14 Statutes to be appropriately designated and to read as follows:

15           "§       -       Aerial luminaries; prohibited. (a) It shall  
16 be unlawful to sell, offer for sale, distribute, possess,  
17 ignite, or otherwise use aerial luminaries, commonly known as  
18 sky lanterns, Hawaii lanterns, and flying luminaries.

1        (b) Any person who violates this section shall be guilty  
2 of a misdemeanor and shall be imprisoned for not more than one  
3 year or fined not more than \$1,000, or both, for each violation.

4        (c) As used in this section, "aerial luminary" means an  
5 airborne paper lantern containing a small candle, or other  
6 device for fuel, that heats air from inside the lantern causing  
7 the lantern to rise into the air and remain airborne until the  
8 candle or other device extinguishes."

9        SECTION 3. This Act does not affect rights and duties that  
10 matured, penalties that were incurred, and proceedings that were  
11 begun before its effective date.

12        SECTION 4. New statutory material is underscored.

13        SECTION 5. This Act shall take effect on January 7, 2059.

**Report Title:**

Fire Protection; Fire Council Package

**Description:**

Bans the ignition, possession, selling, and use of aerial luminaries. Effective January 7, 2059. (HB2113 HD1)
