JUSTIFICATION SHEET

DEPARTMENT: Attorney General

TITLE: A BILL FOR AN ACT RELATING TO DRIVERS' LICENSES.

PURPOSE: To allow a state, county, or city governmental agency to send a certified copy of a judgment or administrative order to the Administrator under chapter 287, Hawaii Revised Statutes, requesting and authorizing the Administrator to suspend or deny the issuance of a driver's license of an individual who has owed to a state, county, or city governmental agency.

MEANS: Amend sections 287-1, 287-15, and 287-16, Hawaii Revised Statutes.

JUSTIFICATION: Under current law, an individual's driver's license may be suspended only when a court issues a judgment in a case arising out of the ownership, maintenance or use of a motor vehicle for damages, and a person fails to satisfy the judgment within sixty days. Upon the judgment creditor's request, the court sends a copy of a certified judgment to the Administrator of chapter 287 who then suspends the defendant's driver's license.

State, county, and city governmental agencies need an alternative to costly and extensive litigation to motivate individuals to pay a debt owed to a governmental agency. This can be accomplished where it is confirmed by a court or at an administrative hearing that a person owes a debt to a governmental agency. If the person fails to pay the debt within sixty days of the issuance of a judgment by a court or an order following an administrative hearing, a

certified copy of the judgment or administrative order may be sent to the Administrator requesting that a person's driver's license be suspended or that the person be denied the issuance of a driver's license.

Impact on the public: This bill will benefit the public interest because state, county, and city governmental agencies would be able to collect debts quicker and use the funds to provide continued services to the public.

Impact on the department and other agencies: This bill will help the department and other agencies by giving debtors an incentive to pay debts that they owe to governmental agencies.

GENERAL FUND:	None.
OTHER FUNDS:	None.
PPBS PROGRAM DESIGNATION:	None.
OTHER AFFECTED AGENCIES:	Various state, county, and city agencies.
EFFECTIVE DATE:	July 1, 2012.
