HB 2532

JUSTIFICATION SHEET

DEPARTMENT: Hawaiian Home Lands

TITLE: A BILL FOR AN ACT RELATING TO A DISCOUNT AND SAVINGS PROGRAM.

PURPOSE: To establish a discount and savings program to generate revenue for the department of Hawaiian home lands for the purpose of maintaining and sustaining public lands, trust lands, natural resources, and native Hawaiian communities.

MEANS: Add a new chapter to the Hawaii Revised Statutes.

JUSTIFICATION: The department currently operates without the support of general funds from the state, and depends wholly on its trust fund resources. The proper management and maintenance of trust lands, natural resources, and native Hawaiian communities are paramount to preserving the character of Hawaii, but further resources are requested in order to address these concerns. This program proposes to generate a revenue stream for the department without the use of general funds. This program aligns with "A New Day in Hawaii" and its commitment to future generations through preserving the State's environment and natural resources.

Impact on the public: The proposed program provides the public an opportunity to purchase goods and services at a discounted price, which in turn generates economic activity and increases patronage of local and small businesses. This support of small businesses and entrepreneurs is aligned with objectives in "A New Day in Hawaii." There is potential for the program to create a significant and positive impact on residents, visitors, and businesses. Participation in the program is voluntary,

HB 2532

so if an individual chooses not to participate, there is no impact.

Impact on the Department and other agencies:
There is potential for the program to create a significant and positive impact on the department by increasing resources to support its land management and provision of services to meet its mission. Since the program will be available to visitors the department of business, economic development and tourism may also be involved in the promotion and marketing of the discount and savings program.

GENERAL FUND: None.

OTHER FUNDS: None.

PPBS PROGRAM DESIGNATION:

OTHER AFFECTED AGENCIES: Department of Business, Economic Development, and Tourism

EFFECTIVE DATE: July 1, 2012.
