
A BILL FOR AN ACT

RELATING TO THE WEST MAUI OCEAN RECREATION MANAGEMENT AREA.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that increased
2 recreational and commercial activities in Hawaii's nearshore
3 waters have led to safety concerns, and in some cases, tragic
4 results. The legislature also finds that given the popularity
5 of ocean activities in Kaanapali on the island of Maui, the
6 department of land and natural resources should establish a west
7 Maui ocean recreation management area advisory committee,
8 comprised of users of the ocean to work with the department on
9 issues arising relating to the area, particularly the waters of
10 Kaanapali.

11 SECTION 2. (a) Not later than September 1, 2013, the
12 department of land and natural resources shall establish a west
13 Maui ocean recreation management area advisory committee that
14 shall advise the department of land and natural resources on
15 issues related to the uses and maintenance of state waters
16 within the west Maui ocean recreation management area,
17 particularly within the waters adjacent to Kaanapali on the
18 island of Maui.

1 (b) The advisory committee shall consist of five members
2 of the west Maui community appointed by the chairperson of the
3 board of land and natural resources without regard to section
4 26-34, Hawaii Revised Statutes, as follows:

- 5 (1) One swimming enthusiast;
- 6 (2) One paddling enthusiast;
- 7 (3) One surfing enthusiast;
- 8 (4) One boating enthusiast; and
- 9 (5) One canoeing enthusiast.

10 SECTION 3. The department of land and natural resources
11 shall submit a report to the legislature, not later than twenty
12 days before the regular session of 2013, regarding the findings
13 and recommendations, including any proposed legislation, of the
14 west Maui ocean recreation management area advisory committee.

15 SECTION 4. This Act shall take effect on July 1, 2020.
