## HOUSE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF TRANSPORTATION TO CONVENE A TASK  
FORCE TO EXAMINE THE IMPACT OF ALL-TERRAIN VEHICLE  
ACCIDENTS ON CHILDREN.

1           WHEREAS, the popularity of all-terrain vehicles, commonly  
2 known as ATV's, has grown in recent years; and  
3

4           WHEREAS, all-terrain vehicle rollovers, collisions, and  
5 ejections can cause serious or fatal injuries; and  
6

7           WHEREAS, according to the United States Consumer Product  
8 Safety Commission, there were 9,633 ATV-related deaths reported  
9 nationally between 1982 and 2008, with fourteen of those deaths  
10 occurring in Hawaii; and  
11

12           WHEREAS, all-terrain vehicles are particularly dangerous  
13 for minors, as children younger than sixteen accounted for an  
14 estimated sixteen per cent of all ATV-related deaths in 2009;  
15 and  
16

17           WHEREAS, the overrepresentation of children in the ATV-  
18 related injury and death statistics have led the American  
19 Academy of Pediatrics to recommend that no one under the age of  
20 sixteen should be authorized to operate all-terrain vehicles;  
21 and  
22

23           WHEREAS, a review of the impact of ATV-related accidents on  
24 children will help the State better understand the problem and  
25 find ways to avoid injuries and death; now, therefore,  
26

29 of 2012, the Senate concurring, that the Department of
