3 of gross premiums, less return premiums, on [taxable] surplus  
4 lines insurance[-] allocated to this State. The tax rate and  
5 fees of other states shall be applied to the gross premiums,

7 (b) The commissioner shall collect the taxes and fees on

2 exposures only partially resident in this State, the tax so  
3 payable shall be computed upon the proportion of the premium  
4 which is properly allocable to the risks or exposures located in  
5 this State. The taxes and fees payable to this State on  
6 policies that cover risks and exposures only partially resident  
7 in this State shall be remitted, on the quarterly schedule, to

9           ~~(e)~~ (d) The tax on any portion of the premium unearned  
10 at the termination of the insurance contract shall be returned  
11 to the policyholder.

12           (e) The commissioner may enter into a cooperative  
13 agreement, reciprocal agreement, or compact with other states to  
14 facilitate and provide for the collection, allocation, and  
15 disbursement of premium taxes attributable to the placement of  
16 surplus lines insurance; provide for uniform methods of

5       and assessments imposed by this State and any of its  
6       political subdivisions. The commissioner shall  
7       document the method by which the statewide rate is  
8       calculated.

10       cooperation with other states to allocate risk and  
11       compute the tax due on the portion of premium  
12       attributable to each risk classification and to each  
13       state where properties, risks, or exposures are  
14       located.
- 15       (3) The commissioner shall assess the insured for the cost  
16       of the cooperative agreement, reciprocal agreement, or
