# A BILL FOR AN ACT

RELATING TO APPROPRIATIONS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The University of Hawaii college of tropical  
2 agriculture and human resources cooperative extension service is  
3 a part of the world's largest non-traditional education system,  
4 the cooperative extension system, which can be found in almost  
5 all of the world's countries and in the fifty United States.  
6 The cooperative extension system is a partnership between  
7 federal, state, and local governments and is responsible for  
8 providing science-based information and educational programs in  
9 agriculture, natural resources, and human resources. Due to the  
10 present lack of federal funding, Hawaii's cooperative extension  
11 system is facing many challenges.

12           The purpose of this Act is to appropriate funds to the  
13 University of Hawaii college of tropical agriculture and human  
14 resources cooperative extension service to support the growth  
15 and sustainability of the local agriculture industry.

16           SECTION 2. There is appropriated out of the general  
17 revenues of the State of Hawaii the sum of \$500,000 or so much  
18 thereof as may be necessary for fiscal year 2011-2012 and the

1 same sum or so much thereof as may be necessary for fiscal year  
 2 2012-2013 for the support of the University of Hawaii college of  
 3 tropical agriculture and human resources cooperative extension  
 4 service, including the ability to hire necessary staff.

5 SECTION 3. The sum appropriated shall be expended by the  
 6 University of Hawaii for the purposes of this Act.

7 SECTION 4. This Act shall take effect on July 1, 2011.
