# A BILL FOR AN ACT

RELATING TO THE CLEAN AND SOBER HOME AND HALFWAY HOUSE TASK  
FORCE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that clean and sober  
2 homes and halfway houses are an integral step in the treatment  
3 of individuals recently released from incarceration and with  
4 substance abuse issues. Persons released from incarceration  
5 especially need the support of a home environment while trying  
6 to deal with the stress of reintegrating back into society while  
7 maintaining sobriety. The legislature also finds that there is  
8 a community concern regarding having these homes in their  
9 immediate vicinity, and their concerns must be tempered with the  
10 needs of the individuals requiring support.

11           The purpose of this Act is to establish a task force to  
12 determine how clean and sober homes and halfway houses may be  
13 regulated while still meeting all laws protecting people with  
14 disabilities.

15           SECTION 2. (a) There is established the clean and sober  
16 home and halfway house task force within the department of  
17 health for administrative purposes.

10 designee;

11 (5) The administrator of the alcohol and drug abuse  
12 division of the department of health or the

14 (6) The director of the city and county of Honolulu's  
15 department of planning and permitting or the  
16 director's designee;

2           placed in clean and sober homes or halfway houses;
- 3           (2) Address the needs and concerns of the communities in  
4           which the clean and sober homes or halfway houses are  
5           located;
- 6           (3) Develop procedures and protocols for making clean and  
7           sober homes and halfway houses accountable, yet not  
8           requiring formal licensure; and
- 9           (4) Ensure that all recommendations are in compliance with  
10          federal and state housing laws for persons with  
11          disabilities.
- 12          (d) The members of the task force shall select the  
13          chairperson of the task force from among themselves. Members of  
14          the task force shall serve without compensation, but shall be  
15          reimbursed for necessary expenses, including travel expenses,  
16          incurred in the performance of their official duties.
- 17          (e) The task force shall submit a report of its findings  
18          and recommendations to the legislature no later than twenty days  
19          prior to the convening of the 2012 regular session.
- 20          SECTION 3. This Act shall take effect on July 1, 2050.
