# A BILL FOR AN ACT

RELATING TO CHARTER SCHOOLS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the charter school  
2 governance, accountability, and authority task force ("task  
3 force") was established pursuant to section 7 of Act 130,  
4 Session Laws of Hawaii 2011, in response to questions and  
5 concerns raised by policy makers and advocates alike about the  
6 integrity of Hawaii's charter school governance structure and  
7 the overall strength of Hawaii's laws in establishing clear  
8 lines of authority that ensured accountability of the charter  
9 school system.

10           Specifically, the goal of the task force was to provide  
11 clarity to the relationships, responsibilities, and the lines of

13 charter school system, including the board of education,  
14 department of education, charter school administrative office,  
15 charter school review panel, and local school boards.

17 school model law put forth by the National Alliance for Public

1 Charter Schools and used the model law as a guide in compiling  
2 its recommendations to the legislature.

3 The task force was also fortunate to have the assistance  
4 and input of the National Association of Charter School
