# A BILL FOR AN ACT

RELATING TO ANIMALS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that humane societies and  
2 animal rescue organizations across Hawaii collectively treat and  
3 take in more than 50,000 animals each year. Spaying and  
4 neutering pets is a proven way to reduce pet overpopulation,  
5 euthanasia rates, and nuisance animal behaviors and dog bites,  
6 as sterilized dogs are less likely to become aggressive.

7           The purpose of this Act is to:

- 8           (1) Establish a spay and neuter special fund; and  
9           (2) Allow funds from an income tax check-off to be  
10           deposited into the special fund.

11           SECTION 2. Chapter 143, Hawaii Revised Statutes, is  
12 amended by adding a new section to be appropriately designated  
13 and to read as follows:

14           "§143-       Spay and neuter special fund. (a) There is  
15 established the spay and neuter special fund to be administered  
16 by the department of budget and finance. Moneys received by the  
17 department from:

# S.B. NO. 2208

1       (1) State income tax refund designations to the special  
2           fund pursuant to section 235-102.5(e); and

3       (2) Appropriations or other moneys made available,  
4       shall be deposited into the special fund. All interest earned  
5       or accrued on moneys deposited in the special fund shall become  
6       part of the special fund. Moneys in the special fund shall be  
7       expended to cover costs to reduce the number of feral animals  
8       through spaying and neutering, educate the public regarding the  
9       importance of spaying and neutering pets, and prevent homeless  
10       animal overpopulation; provided that moneys used shall follow  
11       the eligibility criteria established by the advisory committee.

12       (b) There is established an advisory committee consisting  
13       of no more than eight members to assist the department in  
14       establishing the eligibility criteria and procedures for  
15       disbursements from the special fund. The advisory committee  
16       shall include the following:

17       (1) One member from each county humane society that holds  
18           a county animal control contract;

19       (2) One member from two separate private non-profit animal  
20           rescue, shelter, or protection organizations that do  
21           not hold a county animal control contract;

1       (3) One member representing licensed veterinarians in the  
2           State; and

3       (4) One member from the general public.

4 All members shall be selected by the department, be residents of  
5 the State, and serve three-year terms. All members shall have  
6 an active interest in reducing the number of feral pets and  
7 educating the community regarding the benefits of pet population  
8 control in the State.

9       (c) The advisory committee shall submit to the director of  
10 finance a report in a form prescribed by the director  
11 identifying the total amount of funds that were disbursed from  
12 the special fund in each fiscal year and the amount of funds  
13 carried over to the next fiscal year. The advisory committee  
14 shall submit the report to the director of finance within ninety  
15 days from the close of each fiscal year."

16       SECTION 3. Section 235-102.5, Hawaii Revised Statutes, is  
17 amended to read as follows:

18       "**§235-102.5 Income check-off authorized.** (a) Any  
19 individual whose state income tax liability for any taxable year
