
A BILL FOR AN ACT

RELATING TO ANIMAL CRUELTY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that it is important to
2 protect pet animals from cruel treatment and prevent pet animals
3 from unnecessary or prolonged suffering. Steel-jawed leg-hold
4 traps were originally designed to capture animals such as bears,
5 fox, beavers, and other animals that are not present in Hawaii
6 hunted for their fur. Snares and foot- or leg-hold traps were
7 designed to capture other non-domesticated animals.

8 Unfortunately, domesticated pet animals are frequent
9 victims of snares and may also become victims of steel-jawed
10 leg-hold, conibear, or foot- or leg-hold traps. Cases have been
11 reported of dogs and cats found dead or severely injured after
12 being caught in these devices, or chewing off their own limbs in
13 an attempt to escape these devices.

14 The legislature further finds that existing laws and
15 administrative rules do not prohibit or regulate the use of
16 steel-jawed leg-hold, conibear, foot- or leg-hold traps or
17 snares, all of which can be easily purchased on the Internet.

1 The purpose of this Act is to:

- 2 (1) Require the reporting of dogs and cats that are
3 captured or killed in a snare or trap;
- 4 (2) Establish an animal cruelty offense for the use of
5 steel-jawed leg-hold traps, and the use of snares,
6 conibear, and foot- or leg-hold traps in residential
7 or other prohibited areas;
- 8 (3) Provide exemptions for activities carried out by
9 employees and authorized agents of state and federal
10 agencies; and
- 11 (4) Establish the offense as a misdemeanor.

12 SECTION 2. Chapter 143, Hawaii Revised Statutes, is
13 amended by adding a new section to be appropriately designated
14 and to read as follows:

15 "§143- Reporting of dogs or cats captured or killed in
16 snare or trap. Any dog or cat captured or killed in any steel-
17 jawed leg-hold trap, snare, conibear trap, or foot- or leg-hold
18 trap, as those terms are defined in section 711- , in an area
19 zoned as residential shall immediately be checked for
20 identification and reported to a county animal control officer
21 and, upon request, shall be turned over to the animal control
22 officer."

1 SECTION 3. Chapter 711, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§711- Cruelty to animals by trapping. (1) A person
5 commits the offense of cruelty to animals by trapping if the
6 person intentionally, knowingly, or recklessly uses, sets, or
7 maintains:

8 (a) A steel-jawed leg-hold trap; or

9 (b) A snare, conibear, or foot- or leg-hold trap in an
10 area zoned as residential or any other area where such
11 trap is prohibited by law or rule, except under the
12 situations described in subsection (2).

13 (2) Subsection (1)(b) shall not apply to:

14 (a) Persons carrying out accepted practices for rodent
15 control that do not involve the devices listed in
16 subsection (1); and

17 (b) Employees or authorized agents of state or federal
18 agencies who are carrying out activities required
19 under a management plan approved by state or federal
20 agencies if pursuant to a mandatory statutory duty for
21 the protection of species listed as threatened or
22 endangered species, and other wildlife species

1 protected by law; or for the protection of public
2 health, safety, or property.

3 (3) As used in this section:

4 "Conibear trap" means a contrivance consisting of metal or
5 steel designed to kill by crushing the body or severing the
6 spinal cord of any animal.

7 "Foot- or leg-hold trap" means a contrivance consisting of
8 metal or steel that is off-set, padded, or laminated, and is
9 designed to capture and hold any animal by a foot or limb.

10 "Snare" means a contrivance consisting of a noose,
11 regardless of material, designed to capture, trap, or kill any
12 animal or hold any animal by a foot, limb, or neck.

13 "Steel-jawed leg-hold trap" means a spring-powered
14 contrivance that captures or holds the limb of an animal by
15 exerting a lateral force with fix-mounted jaws.

16 (4) Cruelty to animals by trapping is a misdemeanor."

17 SECTION 4. This Act does not affect rights and duties that
18 matured, penalties that were incurred, and proceedings that were
19 begun before its effective date.

20 SECTION 5. New statutory material is underscored.

21 SECTION 6. This Act shall take effect on July 1, 2012.
