
A BILL FOR AN ACT

RELATING TO THE COMMISSION ON SALARIES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Act 299, Session Laws of Hawaii 2006,
2 established the commission on salaries to review and recommend
3 an appropriate salary for the governor, lieutenant governor,
4 members of the legislature, justices and judges of all state
5 courts, administrative director of the State or an equivalent
6 position, and department heads or executive officers and the
7 deputies or assistants to the department heads. However, Act
8 299 did not provide for a public hearing by the commission on
9 the salary recommendations. The legislature finds that a public
10 hearing on the recommendations is necessary to inform the public
11 and to solicit public input, so that the legislature may be
12 adequately apprised of the justification for the recommendations
13 in order to determine whether to disapprove them.

14 The purpose of this Act is to provide for a public hearing
15 on recommendations made by the commission on salaries.

16 SECTION 2. Section 26-56, Hawaii Revised Statutes, is
17 amended by amending subsection (d) to read as follows:

1 "(d) The commission shall convene in the month of November
2 2006, and every six years thereafter. Not later than the
3 fortieth legislative day of the regular session of 2007, and
4 every six years thereafter, the commission shall submit a report
5 of its findings and its salary recommendations to the
6 legislature, through the governor. Prior to submitting its
7 report to the legislature, the commission shall conduct a public
8 hearing to solicit public comment on the report; provided that:

- 9 (1) The public hearing shall be subject to the open
10 meeting and public notice requirements of chapter 92;
11 and
12 (2) The commission shall provide public notice not less
13 than seventy-two hours prior to the hearing, in
14 accordance with section 1-28.5, as well as the
15 internet address where the report shall be accessible.

16 The commission may include a summary of comments received during
17 the public hearing in its report to the legislature. The
18 commission may also include incremental increases that take
19 effect prior to the convening of the next salary commission.

20 The recommended salaries submitted by the commission shall
21 become effective July 1 of the next fiscal year unless the
22 legislature disapproves the recommended salaries submitted by

1 the commission through the adoption of a concurrent resolution,
2 which shall be approved by a simple majority of each house of
3 the legislature, prior to adjournment sine die of the
4 legislative session in which the recommended salaries are
5 submitted; provided that any change in salary [which] that
6 becomes effective shall not apply to the legislature to which
7 the recommendation for the change in salary was submitted.

8 The governor shall include the salary amounts recommended
9 by the commission and approved by the legislature for employees
10 of the executive branch in the executive budget. If the salary
11 amounts recommended by the commission are disapproved by the
12 legislature, the commission shall reconvene in the November next
13 following the legislative disapproval to review the
14 legislature's reasons for disapproving its salary
15 recommendation. The commission may submit a report of its
16 findings and submit a new salary recommendation to the
17 legislature at the next regular session. The commission's
18 reconvening following a legislative disapproval shall not toll
19 the six-year cycle."

20 SECTION 3. Statutory material to be repealed is bracketed
21 and stricken. New statutory material is underscored.

22 SECTION 4. This Act shall take effect upon its approval.
