S.B. NO. 900

A BILL FOR AN ACT

RELATING TO HOMELESSNESS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that homelessness is a
2 societal problem that has plagued Hawaii and the nation for many
3 years. Although great strides have been made in addressing the
4 issue of homelessness, Hawaii has experienced an increase in the
5 number of homeless persons. Homelessness remains a complex
6 issue involving coordination, planning, implementation, and
7 funding among state and county agencies, non-profit entities,
8 and the federal government.

9 On June 22, 2010, the cabinet secretaries from the federal
10 Departments of Housing and Urban Development, Labor, Health and
11 Human Services, and Veterans Affairs joined the United States
12 Interagency Council on Homelessness to unveil and submit to the
13 President and Congress the nation's first comprehensive
14 strategic plan to prevent and end homelessness. The United
15 States Interagency Council on Homelessness comprises nineteen
16 federal agencies to coordinate the nation's housing, health,
17 job, education, and human services and to create a national
18 partnership between every level of government and the private

1 sector to maximize the effectiveness of the federal government's
2 response in addressing homelessness.

3 Described by the federal government as the most
4 far-reaching and ambitious program in history to prevent and end
5 homelessness, the strategic plan will strengthen existing
6 programs and forge new partnerships. Working together with
7 Congress, state and local officials, faith-based and community
8 organizations, and business and philanthropic leaders across the
9 country, the plan will harness public and private resources to
10 build on proven local level innovations.

11 The legislature finds that Hawaii must have in place a
12 mechanism similar to the United States Interagency Council on
13 Homelessness to formulate and coordinate a unified plan to
14 address homelessness on all counties and facilitate the
15 acquisition of federal funding for homeless programs. The
16 United States Interagency Council on Homelessness recommends
17 that the states establish such a state agency whether by
18 legislative action or executive order, or both.

19 The purpose of this Act is to establish the Hawaii
20 interagency council on homelessness and to make an appropriation
21 for its administrative expenses.

1 SECTION 2. There is established the Hawaii interagency
2 council on homelessness, which shall be an advisory body exempt
3 from section 26-34, Hawaii Revised Statutes. The Hawaii
4 interagency council on homelessness shall be under the
5 department of human services for administrative purposes. The
6 director of human services shall serve as the ad hoc coordinator
7 of the Hawaii interagency council on homelessness. The members
8 of the Hawaii interagency council on homelessness shall serve
9 without compensation but shall be reimbursed for expenses,
10 including travel expenses, necessary for the performance of
11 their duties.

12 The Hawaii interagency council on homelessness shall be
13 responsible for organizing its member entities to formulate and
14 coordinate a unified plan to address homelessness on all
15 counties and facilitate the acquisition of federal funding for
16 homeless programs.
