
SENATE RESOLUTION

URGING THE ADOPTION OF LAWS TO REQUIRE WRITTEN PERMISSION FROM THE LANDOWNER IN ORDER TO HUNT ON PRIVATE LANDS AND TO AMEND CRIMINAL TRESPASSING LAWS TO ADDRESS HUNTING SITUATIONS.

1 WHEREAS, farmers and ranchers have continually experienced
2 problems, including damage and injury caused by trespassing
3 hunters, yet have no recourse against them and are defenseless
4 against claims by the trespassers for incidents on private land
5 despite the trespassers' illegal entry; and

6
7 WHEREAS, poaching and agricultural theft have escalated
8 over the years and must be better controlled through proper
9 enforcement and strict sentencing; and

10
11 WHEREAS, trespassing hunters also present safety issues for
12 the farmers, ranchers, their families, and workers; and

13
14 WHEREAS, existing laws inadequately protect private
15 landowners from bodily injury and damage to property, livestock,
16 and crops as a result of entry onto private property by
17 trespassers engaged in hunting with firearms; and

18
19 WHEREAS, private landowners are willing to work with
20 licensed hunters who often assist the landowners in controlling
21 the population of feral ungulates such as pigs, goats, and deer
22 that damage the environment; and

23
24 WHEREAS, requiring written permission from private
25 landowners for hunting or other legitimate purposes is the very
26 least that should be done to address the ongoing concerns of
27 property owners relating to trespass; now, therefore,

28
29 BE IT RESOLVED by the Senate of the Twenty-sixth
30 Legislature of the State of Hawaii, Regular Session of 2012,
31 that laws be adopted to require written permission from
32 landowners in order to hunt on private lands; and

33

1 BE IT FURTHER RESOLVED that laws be adopted to amend
2 criminal trespassing laws to address hunting situations,
3 specifically to restrict unlawful entry on private property
4 while in the possession of a firearm; and
5

6 BE IT FURTHER RESOLVED that certified copies of this
7 Resolution be transmitted to the Chairperson of the Board of
8 Land and Natural Resources and Attorney General.
